INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the financial statements of the David Zwirner Inc 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule included in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of the Plan

David Zwirner Inc. (the Company) established the David Zwirner Inc. 401(k) Profit Sharing Plan and Trust (the Plan), effective January 1, 2010, to provide participants with a means to fund their retirement on a tax-deferred basis. The Plan was amended and restated most recently in May 2022 (Note 6).

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan under Sections 401(a) and 401(k) and related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan covers all eligible employees of the Company, and its affiliate, David Zwirner Gallery, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Plan administrator. The Plan is administered by Company employees. Mid Atlantic Trust Company (Mid Atlantic) serves as the Plan's investment trustee, David Zwirner serves as the Plan's trustee, and Paychex, Inc. (Paychex) serves as the Plan's record keeper. Mid Atlantic holds, invests and reinvests Plan assets in the interest and direction of the participants and their beneficiaries. The Company has engaged RMR Wealth Builders, Inc. as an investment advisor to assist in selecting investment options offered under the Plan and monitoring investment performance.

Eligible Participants:

Eligible employees, as defined by the Plan agreement, age 21 and older may participate in the Plan after completion of one year or 1,000 hours of service.

Contributions:

Participants may contribute a percentage of their pre-tax annual compensation, as defined under the Plan agreement. Participants who have reached the age of 50 may also elect to withhold additional catch-up contributions under the Code. The Plan also allows participants to make additional after-tax contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans (rollovers), subject to Code regulations.

Notes to Financial Statements

1. Description of the Plan (continued)

Contributions: (continued)

The Company contributes a safe harbor non-elective contribution of 3% of base compensation for all eligible participants. The Company may also contribute a profit-sharing contribution based on a discretionary formula to be determined annually for all eligible participants. The Company may also make discretionary non-elective contributions, as determined by the Company's Board of Directors. The Company made a safe harbor non-elective contribution of \$536,842 and a profit-sharing contribution of \$533,650, both of which were receivables at December 31, 2021.

Contributions are subject to certain limitations under the Code.

Participant Accounts:

Participant accounts are credited with participant contributions, an allocation of the Company's non-elective safe harbor and profit-sharing contributions, rollovers and an allocation of the Plan net earnings or losses. Allocations are based on participant earnings or account balances, in accordance with Plan provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants may authorize transfers among investment options at any time.

Vesting:

Participants are fully vested in their contributions, plus actual earnings (less any losses) thereon. Company safe harbor non-elective contributions are also fully vested. Company profit sharing contributions vest at 20% after completing two years of service and increases 20% for each year of service. Company profit sharing contributions are fully vested after six years of service.

David Zwirner Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

1. Description of the Plan (continued)

Forfeitures:

The non-vested portion of a terminated participant's account balance is forfeited in the year the forfeitures occur. Forfeitures are retained by the Plan and may be used to pay administrative expenses, reduce Company contributions or may be allocated to participant accounts following the end of the Plan year, as described in the Plan agreement. There were \$67,396 of forfeitures in 2021 and \$55,251 of forfeitures used in 2021 to offset administrative expenses and Company contributions, respectively. There were \$12,145 of forfeitures available at December 31, 2021 (\$5,436 at December 31, 2020).

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement.

Participants may borrow from their account balance, a minimum of \$1,000 and up to a maximum amount equal to the lesser of 95% of one-half of their vested account balance or 95% of their total vested account balance, excluding the after-tax vested balance. Under no event can the note amount exceed \$50,000. The note term may not exceed four and one-half years, except for notes used to purchase a primary residence for which a longer term may be granted. Participant notes are evidenced by a written note and pledge, secured by the balance in the participant's vested account and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. The interest rate on notes outstanding at December 31, 2021 was 4.25%. Repayment of principal and interest is generally made through payroll deductions.

Payment of Benefits:

On termination of service, benefits are paid in a lump-sum cash distribution equal to the value of the participant's vested account, in regular installment payments of the participant's choice, or in the form of an annuity contract. The Plan may elect to distribute a terminated participant's account balance in a lump-sum cash distribution without participant consent if the balance is less than \$5,000. Benefits are recorded when paid.

David Zwirner Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

1. Description of the Plan (continued)

Plan Expenses:

Fees for advisory services, certain investments, account maintenance and participant notes are paid by the Plan and charged to participant accounts. Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the financial statements. All other administrative expenses related to the Plan are paid by the Company and are not reflected in the Plan's financial statements.

Risks and Uncertainties:

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible changes in risk in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel coronavirus continues to materially and adversely impacted global commercial activity and contribute to volatility in financial markets. The outbreak is having, and will likely continue to have, a material adverse impact on economic and market conditions for the foreseeable future. This presents uncertainty and risk with respect to the Plan, its future performance, and its future financial results.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan at any time, subject to the provisions of ERISA. In the event of a Plan termination, participants would become fully vested in their accounts and distributions will be made to participants as described in the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

David Zwirner Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments:

Investments at December 31, 2021 consist of mutual funds, a money market fund and a common/collective trust. Investment at December 31, 2020 consisted of mutual funds and a money market fund. The Plan's investments are accounted for as follows:

Mutual Funds and Money Market Fund: These funds are valued at fair value, which is the net asset value (NAV) of shares held by the Plan at year end, as quoted in active markets. It is not probable the funds will be sold at amounts that differ materially from the NAV of shares held.

Common/Collective Trust: The Plan invests in a fully benefit-responsive investment contract through the Reliance Trust Stable Value Fund MetLife Series 25053 Class 0 Fund (the Fund) offered by Reliance Trust Company (Reliance). The Fund is reported at contract value as determined by Reliance. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Fund agreement.

There are certain Company-initiated events that could limit the ability of the Plan to transact at contract value with the Fund. These events include Plan termination, Company bankruptcy, reorganization or merger, and income tax disqualification of the trust that forms a part of the Plan. These events would allow Reliance to terminate the contract with the Plan and settle at an amount different from contract value. If one of these events was to occur, the wrapper contract issuer could terminate the wrapper contract at the fair value of the underlying investments.

The Plan administrator does not believe any events that would limit the Plan's ability to transact at contract value with Plan participants or Reliance are probable of occurring.

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement:

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability as of the measurement date. The three-level hierarchy prioritizes within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those instruments.

The three-level hierarchy for fair value measurement is defined as follows:

Level I: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level II: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level III: Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The Plan's mutual funds are recorded at fair value and are classified within Level I of the fair value hierarchy at December 31, 2021 and 2020. The Fund, reported at contract value, is excluded from the fair value hierarchy under GAAP. The Plan's investments are classified as Level I within the fair value hierarchy at December 31, 2020.

Income Recognition:

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual method of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on the Plan's investments bought, sold or held during the year.

Notes to Financial Statements

3. Information Prepared and Certified by Mid Atlantic

Mid Atlantic, as the Plan's investment trustee, has certified the current value of the investments held at December 31, 2021 and 2020, and the net investment income for the year ended December 31, 2021 that were used in the preparation of the financial statements and supplemental schedule.

	<u>2021</u>	<u>2020</u>
Mutual funds, at fair value	\$ 23,066,679	\$ 18,307,501
Common/collective trust, at contract value	<u>129,383</u>	<u>-</u>
Total certified investments	<u>\$ 23,196,062</u>	<u>\$ 18,307,501</u>
Certified net investment income for the year ended December 31, 2021:	<u>\$ 3,364,851</u>	

4. Income Tax Status

The Plan is a prototype plan offered by Paychex Retirement Services. The Internal Revenue Service (IRS) has determined and informed Paychex Retirement Services by a letter dated August 31, 2020, that the plan submitted for review qualified under applicable provisions of the Code. The Plan has been amended since receipt of the letter. However, the Plan and the Plan sponsor believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified and the trust that forms a part of the Plan is exempt from federal and state income taxes.

GAAP require Plan management to evaluate income tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the income tax positions taken by the Plan, and has concluded, at December 31, 2021, there are no uncertain income tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

5. Subsequent Events

Effective May 20, 2022, the Plan was amended to bring the plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37 and other legal requirements. The Plan continues to be a prototype plan offered by Paychex. The IRS has determined and informed Paychex by a letter dated August 31, 2020, the plan submitted for review was qualified under applicable provisions of the Code.

Subsequent events have been evaluated through September 2, 2022, which is the date the financial statements were approved by the Plan administrator and available to be issued.
