INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
The Mercadien Group, LLC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of The Mercadien Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Mercadien Group, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Plan Administrator of
The Mercadien Group, LLC

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about The Mercadien Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Mercadien Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about The Mercadien Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

To the Plan Administrator of
The Mercadien Group, LLC

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of
The Mercadien Group, LLC

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Mercadien Group, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Employees age 21 and older are eligible to participate in the discretionary matching or profit sharing features of the Plan after one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan's sponsor appointed John Hancock ("JH") as the custodian of the Plan's assets. Under the terms of the agreement between JH and the Plan, JH has the primary duty and responsibility to administer, manage and control the assets of the Plan. The record keeping function of the Plan is the responsibility of Red Bank Pension Services, Inc.

Coronavirus Aid, Relief and Economic Security ("CARES Act")

On March 27, 2020, the CARES Act was signed into law and, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000 beginning on or after January 1, 2020 and before December 31, 2020.
- Increase the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance.
- Extend the period for loan repayments, if applicable, up to one year.

Contributions

Each year, participants may elect to defer a percentage of their annual compensation to be contributed directly to the Plan; subject to Internal Revenue Service Code ("IRC") specified limits. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company has provided a matching contribution of twenty-five percent (25%) of eligible participant deferrals up to a maximum of six percent (6%) of the employee's compensation, through June 30, 2021. Beginning July 1, 2021 the matching contribution was increased to fifty percent (50%) of eligible participant deferrals up to a maximum of six percent (6%) of the employee's compensation. The matching contribution per participant was not to exceed \$6,525, for the Plan year ending 2021.

The Company may also elect to make discretionary nonelective contributions. The Company did not make nonelective contributions in 2021.

Participant's Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching and nonelective contributions, and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

A. DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately vested in their own contributions, all rollovers and transfers from qualified plans and actual earnings or losses thereon. Vesting in the Company's matching and nonelective contribution portions of their accounts is based on years of service. A participant becomes vested as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six years	100%

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$4,912 and \$5,891, respectively. These amounts will be used either to reduce future employer contributions or to pay Plan expenses. For the year ended December 31, 2021, \$6,783 was used to reduce employer contributions.

If a participant receives a distribution as the result of termination and subsequently returns to employment as an active participant within five years from the date of the break in service, the forfeited amount will be restored. The participant must repay to the Plan the full amount of the distribution attributable to his or her employer contribution.

Upon Plan termination, after forfeitures have been restored and all Plan expenses incurred in connection therewith which may permissibly be charged to the Plan under ERISA have been paid by the Plan, any unallocated forfeitures will be reallocated among the remaining Plan participants on a per capita basis.

Plan Expense Reduction Account ("PERA")

The Plan is party to an expense reduction agreement as part of its custodial arrangement with John Hancock. Under this agreement, the Plan receives credits based on its asset value and average deposits per year. The credits may be used to pay plan expenses. Any credits remaining at the year-end are allocated to the accounts of plan Participants as additional earnings.

For the year ended December 31, 2021, the Plan earned \$25,332 in credits. Of this amount, \$13,955 was used to pay Plan expenses, and \$11,377 was allocated to the participants as additional earnings.

Investment Expense Ratio Credit

As part of its agreement with John Hancock the Plan may receive credits against administrative fees charged for managing the investment funds available to participants. These amounts are credited back to participants. For the year ended December 31, 2021, \$99,803 was allocated to the participants as additional earnings.

Payment of Benefits

Upon termination of service due to death, disability, or normal retirement, a participant or beneficiary will receive 100% of his or her vested account balance as a lump sum distribution, in a series of periodic payments or have the amount deposited directly into another qualified retirement account.

A. DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Employees may borrow against their vested account balances as provided by the Plan provisions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are treated as distributions based upon the terms of the plan document. The notes receivable are secured by the vested balance in the participants' accounts and must bear a reasonable rate of interest at the time of the borrowing. Principal and interest are paid over a period of up to five years, with equal installments no less frequently than quarterly. Loans up to 30 years are permitted for the purchase of a principal residence. The interest rates on participant loans were 4.25 to 6.50% at December 31, 2021.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

C. INFORMATION CERTIFIED BY JOHN HANCOCK

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Life Insurance Company (the investment custodian).

D. FAIR VALUE MEASUREMENTS

ASC 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: valued at the net asset value ("NAV") of shares held by the Plan at year end.

Stable Value Fund: valued at fair value as determined by the value of the market prices of similar contracts.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

D. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 25,420,296	\$ -	\$ -
Stable Value Fund	-	1,822,768	-
Total	\$ 25,420,296	\$ 1,822,768	\$ -

Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 21,214,907	\$ -	\$ -
Stable Value Fund	-	1,794,580	-
Total	\$ 21,214,907	\$ 1,794,580	\$ -

Changes in Fair Value and Related Gains and Losses

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$2,922,674 as follows:

Stable Value Fund	\$ 30,018
Mutual funds	2,892,656
Total	\$ 2,922,674

Stable Value Fund

The Plan has an investment in the John Hancock Stable Value Fund. The Fund is one investment option that the participants may choose. The Fund is invested primarily in diversified fixed income funds and separately managed bond accounts run by sub-managers selected by John Hancock. The account is designed to provide a stable asset value. Withdrawals from the Fund may be subject to certain restrictions and may be subject to a market value adjustment. The Plan administrator believes the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is not probable. At December 31, 2021, the fair value of the Fund exceeded the contract value by approximately \$7,443.

The Stable Value Fund is included in the statements of net asset available for benefits at fair value as determined using the market approach based on market prices of the underlying investments.

The approximate return on the Stable Value Fund was 1.26% for the year ended 2021. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed periodically for resetting.

E. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor may terminate, amend, modify or suspend the Plan in whole or in part at any time. In any such event, the participants' rights to their accrued benefits are non-forfeitable.

F. TAX STATUS

The Plan has been restated as of January 1, 2015 by adopting a Volume Submitter Profit Sharing Plan with CODA (Cash or Deferred Arrangement), which received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the plan and related trust were designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the IRC. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018. The Plan was also amended and restated as of January 1, 2022. No significant changes to plan provisions occurred.

G. ACCOUNTING FOR UNCERTAINTY IN INCOME TAXES

Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

H. RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities. Investment securities in general are exposed to various risks, such as those involving interest rates, credit and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

I. SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through September 8, 2022, the date the financial statements were available to be issued, and there were no subsequent events requiring adjustments to the financial statements or disclosures.

J. RELATED PARTY TRANSACTIONS

The John Hancock Life Insurance Company, the plan custodian, thus party-in interest, holds the Plan's investments. No related party transactions or party-in-interest transactions have occurred that are prohibited by ERISA regulations. Red Bank Pension Services, Inc., also party-in-interest, provides third-party administrative services.
