Plan Administrator
Epting Distributors, Inc. Employees' Retirement Savings Plan

We have conducted a Department of Labor (“DOL”) ERISA 103(a)(c) audit of the financial statements of the Epting Distributors, Inc. Employees' Retirement Savings Plan (the “Plan”) as of and for the year ended December 31, 2021 and have issued our report thereon dated September 1, 2022. As permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information reported in those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodians, in accordance with auditing standards generally accepted in the United States and found them to be presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information to you in our engagement letter dated January 4, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. The Plan’s financial statements are presented using the modified cash basis, which is an accounting method permitted by the DOL but which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Qualitative Aspects of Accounting Practices (continued)

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them differ significantly from those expected. The most sensitive estimates affecting the financial statements are those that affect the reported amounts of investments as of December 31, 2021. We evaluated the key factors and assumptions used to develop the estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no such misstatements identified.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 1, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditors’ opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the information and use of the Plan administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Plan Administrator
Epting Distributors, Inc. Employees' Retirement Savings Plan

Scope and Nature of the Employee Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Epting Distributors, Inc. Employees' Retirement Savings Plan (the "Plan"), an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for Plan benefits – modified cash basis as of December 31, 2021, the related statement of changes in net assets available for Plan benefits – modified cash basis for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2 to the financial statements.

Plan Administrator
Epting Distributors, Inc. Employees' Retirement Savings Plan

Opinion on the 2021 Financial Statements (continued)

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 Financial Statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Plan Administrator
Epting Distributors, Inc. Employees' Retirement Savings Plan

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Plan Administrator
Epting Distributors, Inc. Employees' Retirement Savings Plan

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule as of December 31, 2021, as listed in the table of contents, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Administrator
Epting Distributors, Inc. Employees' Retirement Savings Plan

Other Matter - Supplemental Schedule Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on the 2020 Compiled Financial Statement

Plan management is responsible for the accompanying 2020 financial statement of the Epting Distributors, Inc. Employees' Retirement Savings Plan, which comprises the statement of net assets available for plan benefits – modified cash basis as of December 31, 2020, and the related notes to the financial statement in accordance with the modified cash basis of accounting. We have performed a compilation engagement in accordance with *Statements on Standards for Accounting and Review Services* promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the 2020 financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any assurance on the 2020 financial statement.

Notes to Financial Statements
December 31, 2021 (Audited) and 2020 (Compiled)

1. Description of Plan

The following description of the Epting Distributors, Inc. Employees' Retirement Savings Plan (the "Plan") provides only general information. Participants may refer to the Plan's documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Epting Distributors, Inc. (the "Company"), which covers employees who are eligible for participation in the Plan beginning on the January 1st or July 1st immediately following or coinciding with the date on which an employee completes 1,000 hours of service with the Company during a period of twelve consecutive months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

As of January 11, 2021, the Plan uses Matrix Trust Company as its custodian. Prior to January 11, 2021, the Plan used Wyster Global Retirement Solutions as its custodian. The Plan uses South State Bank Retirement Plan Services as its record-keeper.

Contributions

The Plan allows contributions of any portion of a participant's pre-tax annual compensation, as defined in the Plan's documents and subject to contribution limitations specified by law. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified benefit plans.

The Company makes matching contributions based on the entire plan year participant elective deferral, equal to 100% of participant contributions up to 3% of the participant's first \$50,000 of qualifying compensation, plus an additional amount equal to 50% of participant contributions that exceed 3% and do not exceed 5% of the participant's qualifying compensation. The Company may also make discretionary qualified non-elective and discretionary profit sharing contributions. The Company made a profit sharing contribution of \$120,000 for the year ended December 31, 2021. No qualified non-elective contributions were made for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, Plan earnings or losses, and an allocation of administrative expenses paid by the Plan. Participants direct their contributions into various investment options offered by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (continued)

Vesting

Participants are immediately vested in their salary deferrals and qualified non-elective contributions. Vesting in the Company's matching and discretionary profit sharing contributions is based on years of continuous service. Participants are 20% vested in the Company's discretionary matching and profit sharing contributions after two years of service with additional vesting of 20% for each of the next two years, and are 100% vested after five years of service.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are collateralized by the balance in the participant's account and bear interest at rates ranging from 5.25% to 7.50% as of December 31, 2021 and 2020. Loan terms are limited to five years, except for loans made for the purchase of a primary residence. A participant may have no more than one note due to the Plan at any time. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may, subject to certain conditions, elect to receive their vested portion of Plan assets under several payout options specified in the Plan's documents. Subject to certain conditions, a participant may receive hardship withdrawals from his or her balance in the Plan while employed. Participants who have attained 59½ years of age are permitted to withdraw all or part of their vested accounts as in-service distributions. Participants automatically begin receiving distributions on April 1st of the calendar year following the year in which they have attained 70½ years of age.

Forfeitures

Participants withdrawing from the Plan with non-vested employer contributions in their account forfeit their share of non-vested contributions and earnings thereon. The Plan's provisions allow these amounts to be used for administrative expenses of the Plan or to reduce any employer contributions. During the years ended December 31, 2021 and 2020, approximately \$1,000 and \$3,000, respectively, in forfeited non-vested accounts were used to reduce employer contributions. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$0 and approximately \$2,000, respectively.

1. Description of Plan (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in discretionary employer matching and profit sharing contributions.

2. Summary of Significant Accounting Policies

Financial Statement Presentation

The Plan's policy is to prepare its financial statements using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States. Under the Plan's accounting policy, contributions and investment income are recorded as received and expenses when paid.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Participant Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are classified as distributions.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (continued)

Risks and Uncertainties

The Plan invests in investments that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of net assets available for plan benefits – modified cash basis.

Payment of Benefits

Benefit are recorded when paid.

3. Custodians' Certifications

Information disclosed in the accompanying financial statements as of and for the year ended December 31, 2021 related to investments, notes receivable from participants, net appreciation in fair value of investments, and interest and dividends, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Wystar Global Retirement Solutions, the custodian of the Plan through January 11, 2021, and Matrix Trust Company, the custodian of the Plan effective January 11, 2021.

4. Fair Value Measurements

Financial assets are reported at fair value and are classified and disclosed within a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs to the valuation methodology are unobservable. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. All of the Plans mutual fund investments were valued using Level 1 inputs, based on quoted net asset values of the shares held by the Plan.

Epting Distributors, Inc. Employees' Retirement Savings Plan
Notes to Financial Statements
December 31, 2021 (Audited) and 2020 (Compiled)

4. Fair Value Measurements (continued)

The Plan's investments also include the Wells Fargo Stable Return Fund C, which is a collective trust that invests in Wells Fargo Stable Return Fund G, a collective trust that invests in a variety of fully benefit-responsive investment contracts. Wells Fargo Stable Return Fund C is valued at net asset value ("NAV") of units of the accounts. The NAV, as provided by the issuer, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held less the account's liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the trust, the account provider reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly business manner.

The methods used to measure fair values may produce amounts that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Tax Status

The plan is a non-standardized profit sharing plan designed to be in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (the "IRS") determined that the pre-approved plan document and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities were identified as of December 31, 2021 and 2020. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

6. Subsequent Events

Management evaluated events and transactions after December 31, 2021 through September 1, 2022, the date the financial statements were available to be issued, for subsequent events.

A profit sharing contribution of \$122,000 was paid to eligible participants subsequent to year end.

No other subsequent events were noted.
