## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Trustee and Participants  
Cardworks, Inc. 401(k) Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of CardWorks, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the 2021 Audit of the Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

(Continued)

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion for the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

(Continued)

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2021 Supplemental Schedules Required by ERISA**

The supplemental schedule of assets is (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

(Continued)

In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **CARDWORKS, INC. 401(k) RETIREMENT PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **1 - DESCRIPTION OF PLAN**

The following description of CardWorks, Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan’s provisions.

##### **General**

The Plan is a defined contribution plan covering all employees of CardWorks, Inc., CardWorks Servicing, LLC, Carson Smithfield, LLC, and Merrick Bank Corporation (collectively, the “Company”) who meet eligibility requirements and choose to participate. The Company serves as the plan sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Prudential Bank and Trust, FSB (“Prudential”) serves as the Plan’s trustee and recordkeeper. The Investment Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance and reports to the Plan’s Trustee.

##### **Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”)**

During the year ended December 31, 2020, the coronavirus disease 2019 (“COVID-19”) pandemic sparked an unprecedented global health and economic crisis. The volatility in financial markets resulting from the COVID-19 pandemic has affected, and may continue to affect, the market price of Plan investments, however, the ultimate impact on the Plan is uncertain and will depend on future developments. In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) was signed into law in March 2020. The CARES Act contains several provisions that temporarily impact retirement savings plans. These provisions may be effective and operationalized immediately, prior to amending the retirement savings plan. The Plan did not adopt the provisions of the CARES Act in 2020.

##### **Eligibility**

Employees are eligible to participate in the Plan on the first day of the month following the completion of 90 days of service with the Company and attainment of age 21.

##### **Contributions**

At the time of eligibility, participants who have not completed a salary deferral agreement will automatically be enrolled in the Plan and contribute 4% of their compensation to the Plan until they elect an alternative amount to contribute or elect not to defer any compensation under the Plan. All participants are automatically enrolled in a deferral acceleration program, until they elect to opt-out of the program. Eligible employees may contribute a percentage of their annual compensation as determined by the participant, as defined by the Plan, and subject to Internal Revenue Code (“IRC”) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make “catch-up” contributions. Discrimination tests are performed annually; any test discrepancies or excess contributions are refunded to participants. The Company may make matching contributions at its discretion.

## **CARDWORKS, INC. 401(k) RETIREMENT PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **1 - DESCRIPTION OF PLAN (Continued)**

##### **Contributions (Continued)**

The Company matches 75% of the first 3% an employee contributes and 25% of the next 3% an employee contributes, to a maximum Company contribution of \$2,000 per year.

Eligible employees may also elect to roll over to the Plan distributions from a former employer's qualified retirement plan. Roth contributions and in-Plan Roth rollovers are permitted.

##### **Investment Options**

Participants may direct the investment of their contributions to the Plan into various investments offered by the Plan. Investment options include mutual funds, pooled separate accounts (the "PSA"), and the Guaranteed Income Fund (the "GIF").

The Pension Protection Act created the Qualified Default Investment Alternative ("QDIA") which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has designated the Prudential GoalMaker asset allocation program as the QDIA.

The Plan offers to participants the GIF, a group annuity contract issued by Prudential Retirement Insurance and Annuity Company ("PRIAC"). The GIF is an insurance company issued evergreen (no maturity date) benefit-responsive contract. Amounts contributed to the contract are deposited in PRIAC's general account.

##### **Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential ("custodian of the Plan"). This information has not been audited by the Plan's independent auditors.

##### **Participant Accounts**

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, the Company matching contributions, if applicable, and Plan earnings. Each participant's account is charged with withdrawals and plan losses and allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## **CARDWORKS, INC. 401(k) RETIREMENT PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **1 - DESCRIPTION OF PLAN (Continued)**

##### **Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in Company contributions plus earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

##### **Forfeitures**

Future employer contributions and Plan administrative expenses can be reduced by forfeitures. At December 31, 2021 and 2020, forfeited nonvested accounts held in the Plan investments on the statement of net assets available for benefits amounted to \$39,365 and \$19,949, respectively.

##### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to certain other restrictions. Participants are entitled to borrow from their account for a maximum of five years unless the proceeds are used to acquire a principal residence, in which case the term may exceed five years. The notes are secured by the balance in the participant's account. The interest rate on outstanding loans is 4.25% to 6.50% per annum. Principal and interest are paid ratably through payroll deductions.

##### **Payment of Benefits**

Participants will receive the full amount of their vested account balances in the event of normal retirement, termination of service, death or disability. Early withdrawals are permitted at the participant's request after the age of 59-1/2. Certain hardship withdrawals are also permitted. A participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in various annuity options. Pursuant to the Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act"), which was enacted in December 2019, the age at which required minimum distributions must begin for the Plan was increased from 70½ to 72, effective January 1, 2020.

##### **Hardship Withdrawals**

The Plan provides for hardship withdrawals, with a \$500 minimum and not to exceed an amount required to meet the immediate need created by the hardship, and then only to the extent such immediate need cannot be satisfied by other sources readily available to the participant. Permissible circumstances for hardship withdrawals include education expenses, costs directly related to the purchase of a principal residence, and costs necessary to prevent eviction from the participant's personal residence and such other circumstances as the plan administrator may determine based on rules set forth in the IRC.

## **CARDWORKS, INC. 401(k) RETIREMENT PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### **Basis of Accounting**

The financial statements are prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

##### **Use of Estimates**

The plan administrator uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets, reported changes in net assets available for benefits and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

##### **Investment Valuation and Income Recognition**

Investments in mutual funds and pooled separate accounts are stated at fair value as determined by quoted market prices based on the net asset values ("NAV") held by the Plan at year-end. Investments in the GIF are valued at contract value, which represents deposits made to the contract, plus earnings at guaranteed net crediting rates, less withdrawals.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in the fair value of mutual funds and pooled separate accounts which includes both realized and unrealized gains and losses bought and sold as well as held during the year, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest on the GIF is credited daily based on the annual effective credit rate. Dividends are allocated based upon participant account holdings on the record date and are recorded on the ex-dividend payment date.

##### **Notes Receivable from Participants**

Notes receivable from participants represent participant loans that are recorded at their unpaid principal and interest balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a deemed distribution is recorded. When the Plan receives a repayment as a result of a prior period deemed distribution, it is recorded against the deemed distributions in the current year as a recovery. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

##### **Payment of Benefits**

Benefits are recorded when paid.

##### **Administrative Expenses**

Plan expenses not paid by the Company may be paid out of Plan assets provided that such payment is consistent with ERISA.

## **CARDWORKS, INC. 401(k) RETIREMENT PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

##### **Administrative Expenses (Continued)**

As part of a revenue sharing agreement with Prudential, the Plan earned \$101,197 of investment related revenue (based on a percentage of assets under management) for the year ended December 31, 2021. The Plan permits the plan sponsor to use these funds to offset certain third-party expenses. At December 31, 2021, administrative expenses of \$476,077 were reduced by the \$101,197 investment related revenue earned by the Plan.

##### **Management Fees and Operating Expenses**

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected in the net appreciation in fair value of such investments.

##### **Subsequent Events**

These financial statements were approved by management and available for issuance on August 29, 2022. Management has evaluated subsequent events through this date. See Note 10.

#### **3 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## CARDWORKS, INC. 401(k) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

#### 3 - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

*Mutual Funds* - Shares of publicly-traded mutual funds are valued at quoted market prices, which represent the NAV of shares held by the Plan at year-end. Investments in mutual funds are classified as Level 1 investment assets.

*Pooled Separate Accounts ("PSA")* - Valued at its NAV based on the market value of its underlying investments, the PSA NAV is not a publicly quoted price in an active market. The Plan's investment in these accounts are represented by units and a per unit value. The unit values are calculated by PRIAC and fair value is reported at unit value which is priced daily. For the underlying equity securities, PRIAC obtains closing market prices for those securities traded on a national exchange. For bonds, PRIAC obtains prices from a third-party pricing service using inputs such as benchmark yields, reported trades, broker/dealer quotes and issuer spreads. The pooled separate accounts held by the Plan are classified as level 2 investments.

The following tables summarize investment assets measured at fair value:

| December 31, 2021          | Investments, at Fair Value |               |         |  | Total         |

## CARDWORKS, INC. 401(k) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

#### 4 - GROUP ANNUITY CONTRACT - GIF

At December 31, 2021 and 2020, the Plan held an interest in the GIF, a benefit-responsive group annuity contract issued by PRIAC, which is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Under the terms of the existing contract, the composite crediting rate, which is currently reviewed for reset on a semiannual basis, is a guaranteed minimum annualized interest rate of 1.5%. Changes in future interest crediting rates will not affect the amount reported as an adjustment from fair value to contract value on the statements of net assets available for benefits for the portion of net assets attributable to fully benefit-responsive investment contracts.

Certain events limit the ability of the fund to transact at contract value with the issuer (i.e., plan termination, mergers, layoffs, etc.) and also limit the ability to transact at contract value with participants. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring. Participants have reasonable access to their funds and transact at book value without limit (benefit events and transfers). Equity wash provisions are allowed and do not disqualify a contract's fully benefit-responsiveness. Transfers to other Plan investment options are allowed.

The GIF represents approximately 11% of the net assets at December 31, 2021.

#### 6 - RISKS, UNCERTAINTIES AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investments, securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan may invest in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

One investment represents 23% and 22% of Total Net Assets at December 31, 2021 and 2020, respectively.

#### 7 - TAX STATUS

The Company has adopted the Prudential Insurance Company of America ("Prudential Insurance") prototype plan. The Internal Revenue Service has determined that the Prudential Insurance prototype plan, by letter dated December 4, 2020, is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.
