Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Continental Building Products Operating Company, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of November 1, 2021 and the related statement of changes in net assets available for benefits for the period January 1, 2021 through November 1, 2021 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of November 1, 2021 and for the period January 1, 2021 through November 1, 2021 stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Participants and Administrator
Continental Building Products
Operating Company, LLC 401(k) Plan

Emphasis of Matter

As explained in Note 1 to the financial statements, the Plan was merged into Saint-Gobain Corporation 401(k) Plan for Salaried Employees and Saint-Gobain Corporation 401(k) Plan for Hourly Employees effective November 1, 2021. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

To the Participants and Administrator
Continental Building Products
Operating Company, LLC 401(k) Plan

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of delinquent participant contributions is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that, (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and, accordingly, we did not express an opinion on the Plan's 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Continental Building Products Operating Company, LLC 401(k) Plan
Notes to Financial Statements
November 1, 2021 and December 31, 2020

1. Description of Plan

The description of the Continental Building Products Operating Company, LLC 401(k) Plan (the "Plan") in the Notes to Financial Statements provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Continental Building Products Operating Company, LLC (the "Company"). The Plan covers all union and non-union employees of the Company, except for students, interns, leased employees, and nonresident aliens with no US source income. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In February 2020, the Company was acquired by CertainTeed Gypsum and Ceilings USA, Inc., an indirect wholly owned subsidiary of Compagnie de Saint-Gobain of Paris, France, who became the plan sponsor of the Plan.

Effective December 31, 2020, the Plan was frozen to new participants and contributions of current participants were no longer allowed to be remitted to the Plan. Effective November 1, 2021, \$28,847,179.10 and \$23,376,901.72 were transferred from the Plan to the Saint-Gobain Corporation 401(k) Plan for Salaried Employees and the Saint-Gobain Corporation 401(k) Plan for Hourly Employees, respectively. Accordingly, all assets, participants and their related account balances were transferred out of the Plan on November 1, 2021.

Eligibility

Eligibility for elective participant salary deferral contributions begins immediately upon employment with the Company. Eligibility for employer discretionary matching contributions begins after attaining the age of 18. Eligibility for employer discretionary profit-sharing contributions begins upon attaining the age of 18 and the participant must be employed on the last day of the Plan year.

Contributions

Participants may elect to contribute a percentage of their annual compensation, as defined by the Plan, on a pre-tax or after-tax (Roth) basis. Employees automatically have 4% of their eligible compensation withheld and contributed as a pre-tax elective deferral, until changed by the employees. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions) and can make in-plan Roth rollovers.

Certain participant contributions in 2019 and 2018 were paid after the time frame required by the Department of Labor. The Company remitted these contributions in prior years and remitted the related lost earnings to the Plan in 2021.

The Plan froze all contributions effective December 31, 2020 in conjunction with the merger noted above.

Notes to Financial Statements
November 1, 2021 and December 31, 2020

1. Description of Plan (continued)

The Company may provide matching contributions, at its discretion, with the amount of discretionary matching contributions varying among locations and classes of employees, as defined by the Plan. The Company is required to make matching contributions for non-union participants of 100% of the first 4% and 50% of the next 2% of the participant's eligible compensation.

Additional profit-sharing amounts also may be contributed at the discretion of the Company. All contributions are invested in the same portfolio of investment options as directed by the participants. The Company made discretionary profit-sharing contributions of \$2,237,093 to the Plan in 2020. All contributions are subject to Internal Revenue Service ("IRS") limitations.

Investment Options

A participant may direct contributions to any of the available investment options and can change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company discretionary matching contributions, as well as allocations of the Company's discretionary profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the employer discretionary matching and profit-sharing contributions is based on years of continuous service and will vary among locations or classes of employees. Non-union employees are 100% vested in the employer discretionary matching and profit-sharing contributions after 2 years of credited service. For union employees, vesting for the employer discretionary matching and profit-sharing contributions occurs at a rate of 20% for each credited year of service until the participant becomes fully vested after 5 years of credited service.

Forfeited Accounts

Upon termination of employment, participants forfeit their non-vested balances. Forfeited balances of terminated participants' non-vested accounts are used to pay for Plan administrative expenses, and reduce Company contributions. The unallocated forfeited balance was \$86,413 as of December 31, 2020.

Payment of Benefits

Upon termination of employment, a participant may elect to receive a lump sum amount or a partial payment equal to the value of the participant's vested interest in his or her account. A participant whose vested account balance is \$5,000 or less will automatically receive an immediate lump-sum distribution. In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan.

Continental Building Products Operating Company, LLC 401(k) Plan
Notes to Financial Statements
November 1, 2021 and December 31, 2020

1. Description of Plan (continued)

In accordance with the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”), between January 1, 2020 and December 30, 2020, eligible participants could request a coronavirus-related distribution (“CRD”) of up to \$100,000 from their participant accounts without being subject to the Internal Revenue Service 10 percent early distribution tax. Participants may elect to repay some or all of their CRD within three years.

Participant Notes Receivable

Under the terms of the Plan, participants may not borrow from their accounts.

Plan Expenses

Plan administrative expenses are principally for recordkeeping fees. The Company also pays other administrative fees on behalf of the Plan.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). The common/collective trust funds are valued at net asset value per share (NAV) or its equivalent of the funds, which is based on the fair value of the funds’ underlying assets. There were no unfunded commitments or redemption restrictions on the common/collective trust funds. All other investments are valued based on quoted market prices reported in active markets. See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan’s gains and losses on investments purchased and sold as well as held during the year. Capital gains are included in net appreciation or depreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Continental Building Products Operating Company, LLC 401(k) Plan
Notes to Financial Statements
November 1, 2021 and December 31, 2020

2. Summary of Significant Accounting Policies (continued)

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including September 8, 2022, which is the date the financial statements were available to be issued.

3. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in investment securities in the near term could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

4. Fair Value Measurement

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the observable and unobservable inputs and valuation techniques used to measure fair value.

The fair value hierarchy used to measure fair value into three broad levels is as follows:

Level 1 - In general, fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2 - Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets and liabilities in active markets, and other inputs such as interest rates and yield curves that are observable at commonly quoted intervals.

Level 3 - Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances where inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset. There were no assets held at November 1, 2021 due to the transfer described in Note 1.

Continental Building Products Operating Company, LLC 401(k) Plan
Notes to Financial Statements
November 1, 2021 and December 31, 2020

4. Fair Value Measurement (continued)

A summary of the Plan's assets measured at fair value on a recurring basis as of December 31, 2020 is as follows:

	<u>Plan's Assets</u>	<u>Level 1</u>
Mutual funds	\$ 12,581,091	\$ 12,581,091
Money market fund	<u>1,380,532</u>	<u>1,380,532</u>
Total	\$ 13,961,623	<u>\$ 13,961,623</u>
Investments measured at NAV -		
Common/Collective trust funds	<u>33,683,481</u>	
Total investments at fair value	<u>\$ 47,645,104</u>	

5. Related-Party and Party-in-Interest Transactions

The Plan holds a money market fund managed by Fidelity Management Trust Company (the "Trustee"). The Plan also allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as exempt party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or complete discontinuance of contributions, participants will become 100 percent vested in their accounts.

7. Tax Status

The underlying volume submitter plan has received an advisory letter from the IRS dated March 31, 2014, stating that the form of the plan is qualified under Section 401 of the Internal Revenue Code ("the Code") and therefore, the related trust is tax-exempt. The plan administrator has determined that it is eligible to, and has chosen to rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

8. Unaudited Information

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified to the completeness and accuracy of all investments reflected in the accompanying Statement of Net Assets Available for Benefits as of November 1, 2021 and December 31, 2020, the related income and losses reflected in the Statement of Changes in Net Assets Available for Benefits for the period January 1, 2021 through November 1, 2021 and the year ended December 31, 2020.
