Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the LaRosa's 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 13, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

LAROSA'S 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Plan Description

The following brief description of the LaRosa's 401(k) Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

General

The Plan is a multiple employer defined contribution plan covering substantially all employees of LaRosa's Inc. and related companies (the Company) who have at least one year of service with a minimum of 1,000 hours worked and are age 21 or older. Eligible employees may enter the Plan on January 1, April 1, July 1, or October 1 after eligibility requirements have been met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974. Fidelity Management Trust Company (Fidelity) is the recordkeeper and trustee of the Plan.

Beginning January 1, 2016, the Company elected a Safe Harbor provision. A Safe Harbor 401(k) plan generally satisfies the non-discrimination rules for elective deferrals and employer matching contributions. In order to be considered as a Safe Harbor 401(k) plan, an employer is required to satisfy certain contribution, vesting, and notice requirements.

On November 1, 2016, the Company adopted a volume submitter Plan Document through Fidelity in order to simplify its Plan Document. Under the adopted Plan Document, the name of the Plan was changed from LaRosa's 401(k) Savings and Retirement Plan to LaRosa's 401(k) Savings Plan. There were no other significant changes within the updated Plan Document.

In January 2017, the Company amended the Plan in order to allow the use of forfeitures to fund employer contributions. Previously, the Company could only use forfeitures to fund administrative expenses. This amendment was effective on January 18, 2017.

Contributions

The Plan is primarily funded through employee elective wage deferrals under the deferred compensation provisions of the Internal Revenue Code Section 401(k). Each year, participants may elect to defer any percentage of their pretax annual compensation, as defined by the Plan, not to exceed the annual limitation as defined by the Internal Revenue Service. A participant who has attained age fifty before the end of the Plan year is eligible to defer additional amounts to make catch-up contributions.

During 2021 and 2020, the Company made safe harbor matching contributions to the Plan on behalf of the participants of 100% of the participant's wage deferrals up to three percent of eligible compensation and 50% of employee contributions in excess of three percent up to the next two percent. The Plan allows the Company to make additional discretionary contributions. During the years ended December 31, 2021 and December 31, 2020, no additional discretionary contributions were made.

Participants direct the investment of their contributions as well as the Company's contribution into various investment options offered by the Plan. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans.

Plan Description (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The Company's matching contributions made through December 31, 2015 (prior to the Plan's election of safe-harbor provisions), as well as additional discretionary contributions, are subject to vesting rules as defined by the Plan. Vesting in the Company's matching contribution portion of their accounts (prior to December 31, 2015) plus earnings thereon is gradual based on years of continuous service. A participant is fully vested in these amounts after 5 years of continuous service. The nonvested balance is forfeited upon termination of service. Participants are immediately vested in the Company's safe harbor matching contributions, and the earnings thereon, made after December 31, 2015 as defined by the Plan.

Years of Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Payment of Benefits

Upon termination of service due to death, a participant's beneficiary may receive benefits either in a single lump-sum amount equal to 100% of the participant's vested account balance, which may be in cash, or rolled over into another qualified account, or in a series of payments. Normal retirement age is 65; early retirement is permitted. For termination of service due to disability, normal retirement, or other reasons, a participant may elect whether to receive the value of the vested interest as a single lump-sum distribution or to roll over the distribution to another retirement plan such as an individual retirement account.

CARES Act

On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security (CARES) Act." The CARES Act, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to Plan participants under the CARES Act and implemented the following provisions for 2020:

- Emergency coronavirus distributions up to \$100,000
- Loan repayments suspension and extension of loan term up to one year
- Suspension of required minimum distributions for 2020

Plan Description (continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. One outstanding loan is allowed per participant at any time. Loan terms are not to exceed 5 years, with the exception of loans used for the purchase of a principal residence of the participant. The loans are secured by the balance in the participants' accounts and bear interest at rates that range from 4.25% to 7.25% at December 31, 2021, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

Automatic Cash Out Provisions

The Plan includes automatic cash-out provisions. These provisions provide for terminated participants with vested balances of less than \$5,000 to take a distribution as soon as practicable following their termination of employment. The participant may elect whether to receive the distribution or to roll over the distribution to another retirement plan such as an individual retirement account. The Plan allows for involuntary cash-outs for terminated participants with vested balances of \$1,000 or less.

Forfeited Accounts

Forfeited non-vested accounts were \$1,690 and \$1,662 at December 31, 2021 and 2020, respectively. At the discretion of the Company, forfeitures may be used to pay administrative expenses of the Plan or be used towards employer matching contributions. During 2021 and 2020, employer contributions were not reduced from forfeited non-vested accounts. Forfeitures were utilized to cover administrative expenses of the Plan in the amount \$0 and \$146, respectively, during 2021 and 2020.

Administrative Expenses

All administrative expenses of the Plan are paid by either the Plan out of forfeitures or the Company, except for loan and distribution origination fees, which are charged to the requesting participant, and certain asset and trading fees.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect certain reported assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

LAROSA'S 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional disclosure regarding fair value of investments, see the *Fair Value Measurements* footnote herein.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded as of the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the Plan's trustee.

	2021	2020
Mutual funds	\$ 19,295,730	\$ 17,495,839
Common collective trust	1,145,051	981,923
Notes receivable from participants	74,814	119,897
Total	\$ 20,515,595	\$ 18,597,659

The Plan's trustee also certified the completeness and accuracy of the following related to the aforementioned assets for the years ended December 31:

	2021	2020
Net appreciation in fair value of investments	\$ 1,120,598	\$ 1,652,636
Interest and dividends income	1,569,055	855,451

Fair Value Measurements

Following is a description of the valuation methodologies used for assets measured at fair value. GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 Inputs are significant unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common
collective
trusts:*

The fair values of participation units in common collective trusts are based upon the NAVs of such funds under the practical expedient approach and therefore are not assigned to a level in the hierarchy table. The funds invest in conventional and synthetic investment contracts issued by various companies and institutions, with the objective of providing a high level of return that is consistent with also providing stability of investment return, preservation of capital and liquidity to pay plan benefits of its retirement plan investors. There are no redemption restrictions upon which the participant may redeem investments in the funds. However, the Plan is required to provide a one-year redemption notice to liquidate its entire investment in the funds.

LAROSA'S 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Fair Value Measurements (continued)

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 19,295,730	\$ -	\$ -	\$ 19,295,730
Common collective trusts*	-	-	-	1,145,051
Total assets at fair value	\$ 19,295,730	\$ -	\$ -	\$ 20,440,781

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,495,839	\$ -	\$ -	\$ 17,495,839
Common collective trusts*	-	-	-	981,923
Total assets at fair value	\$ 17,495,839	\$ -	\$ -	\$ 18,477,762

- * In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

LAROSA'S 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Tax Status

The Plan has adopted a volume submitter plan provided by Fidelity. Fidelity has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 which states that the volume submitter plan, as amended, is a qualified plan under the Internal Revenue Code (IRC) Section 401(a) and, therefore, the plan is exempt from federal taxation under IRC Section 501(a). The Plan has been amended since the date of the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the internal revenue code. Therefore no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity, an affiliate of Fidelity Investments, is the recordkeeper and trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for certain transaction fees were included as a reduction/addition of net appreciation in fair market value of investments. Administrative expenses totaled \$1,156 and \$1,371 during 2021 and 2020, respectively.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of net assets available for benefits.
