INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
the Dayco Savings & Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Dayco Savings & Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Dayco Savings & Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dayco Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dayco Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters**2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of schedule H, line 4i – schedule of assets (held at year end) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We have audited the statement of net assets available for benefits of the Plan as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and in our report dated August 23, 2021, we expressed an unmodified opinion on those financial statements.

DAYCO SAVINGS & RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS (000's omitted)

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Dayco Savings & Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all U.S. employees of Dayco Incorporated (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed effective March 1, 1987, by consolidating various profit sharing and 401(k) plans, and subsequent thereto, additional plans were consolidated as they were re-organized or obtained as part of businesses acquired by the Company. The assets were consolidated to centralize the administration and provide uniformity in the operation of the profit sharing and 401(k) plans maintained by the Company and its wholly owned subsidiaries. The Retirement Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions: Each year, participants may contribute up to 100% of their eligible compensation, as defined in the Plan, in the form of elective pre-tax deferrals, roth elective deferrals, or a combination of both. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

After thirty days of employment, unless an affirmative election not to participate in the Plan is made, all employees are automatically enrolled in the Plan and deemed to have elected to contribute 6% of compensation. The 6% contribution increases by 1% every January 1st until the pre-tax contribution reaches 10% of compensation. Participants may make an affirmative election at any time to contribute a different amount. Employees may elect not to have elective contributions made to the Plan on their behalf by opting out of the Plan through the online portal provided by the third-party administrator. All employees who elect not to participate in the Plan must renew their negative election not to participate by January 1st of each year or they will be automatically enrolled in the Plan and deemed to have elected to contribute 6% of compensation.

The Plan requires a non-elective employer contribution of 3.25% of eligible compensation to be made to all eligible participants of the Plan. To be eligible, the employee must have completed a year of service, as defined in the Plan. The non-elective employer contribution for the year ended December 31, 2021 was \$1,025 (\$1,456 - 2020).

The Company may contribute a discretionary employer match in an amount equal to 50% of the first 6% of participant contributions up to 3% of eligible compensation. For the year ended December 31, 2021, the discretionary employer match was \$885 (\$1,045 - 2020). For the year ended December 31, 2020, the discretionary employer matching contribution was contributed subsequent to the year end to participating employees who were employed by the Company on the last day of the year. Effective January 1, 2021, the Plan was amended to allow the non-elective and discretionary contributions to be made on a pay period basis and removed the requirement to be employed as of the last day of the Plan year.

Additionally, profit sharing amounts may be contributed at the discretion of the Company's Board of Directors. No profit-sharing contributions were made for the years ended December 31, 2021 and 2020. Contributions are subject to certain IRS limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions and Company matching and non-elective contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately 100% vested in the amount of their voluntary contributions and discretionary employer match plus earnings thereon. Non-elective employer contributions and profit-sharing contributions vest 100% upon completion of two years of service.

DAYCO SAVINGS & RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS (000's omitted)

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1 up to a maximum equal to the lesser of \$50 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prevailing market interest rate at the time the loan is approved. Principal and interest are paid ratably through weekly or bi-weekly payroll deductions.

During March 2020, the Plan adopted changes to delay loan provisions in response to the passing of the CARES Act by the United States Congress. The CARES Act amendment enables participants impacted by the coronavirus to delay current outstanding loan payments to be delayed for up to 12 months. Loan payments will resume in January 2021 and the loans will be re-amortized to account for the suspension. Additionally, for loans issued from March 27, 2020 through September 23, 2020, the maximum was increased to \$100 or 100% of their vested account balance.

Benefit Payments: On termination of service due to death, disability, retirement, annuity or normal termination, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account as a lump sum distribution. The Plan also allows hardship distribution under certain circumstances.

During 2020, the Plan also adopted CARES Act provisions to allow Coronavirus Related Distributions (CRDs) to individuals affected by COVID-19 for up to \$100.

Forfeitures: Non-vested benefits of terminated participants are forfeited and used to reduce employer matching contributions or pay Plan expenses. During the year ended December 31, 2021, \$61 of forfeitures were used to pay Plan expenses (\$33 - 2020). At December 31, 2021, there was a balance of \$1 in the forfeited non-vested account (\$14 - 2020).

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America .

Accounting Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

DAYCO SAVINGS & RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS (000's omitted)

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payments of Benefits: Benefit payments are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events: These financial statements have not been updated for subsequent events occurring after August 8, 2022, which is the date these financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB), *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

NOTES TO THE FINANCIAL STATEMENTS

(000's omitted)

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Shares of registered investment companies: Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV is the closing price reported on the active market on which the securities are traded. Shares of registered investment companies are classified as Level 1 investments.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, common stocks and cash. Mutual funds and common stocks are valued on the basis of readily determinable market prices. Investments made through self-directed brokerage accounts are classified as Level 1 investments.

Common collective trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust the issuer requires 12- or 30-months notification (determined by the Plan's ownership % of the total fund at the time of withdrawal) in order to ensure that securities liquidations will be carried out in an orderly business manner, although this may be waived at the trust's sole discretion.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021, and 2020:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 95,731	\$ -	\$ -	\$ 95,731
Self-directed brokerage accounts	819	-	-	819
Common collective trust (a)	-	-	-	16,482
Total investments at fair value	\$ 96,550	\$ -	\$ -	\$ 113,032

	Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 89,755	\$ -	\$ -	\$ 89,755
Self-directed brokerage accounts	849	-	-	849
Common collective trust (a)	-	-	-	17,442
Total investments at fair value	\$ 90,604	\$ -	\$ -	\$ 108,046

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of their fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>Investment</u>	<u>Fair Value</u> <u>12/31/2021</u>	<u>Fair Value</u> <u>12/31/2020</u>	<u>Unfunded</u> <u>Commitment</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice</u> <u>Period</u>
Common Collective Trust	\$ 16,482	\$ 17,442	N/A	Daily	12 or 30 Months

NOTE 4. FINANCIAL CERTIFICATION

The following financial information relating to the Plan's assets as of December 31, 2021 as well as the income and transactions of for the year then ended have been derived from information provided by T. Rowe Price Trust Company, the trustee of the Plan, and has been certified by them as complete and accurate. The incorporation of this financial information in the accompanying financial statements is based solely on its certification and has not been audited by independent accountants.

	<u>2021</u>
Investments at fair value:	
Shares of registered investment companies	\$ 95,731
Common collective trust	\$ 16,482
Self-directed brokerage	\$ 819
Receivables:	
Notes receivable from participants	\$ 886
Transactions for the year ended:	
Net appreciation in fair value of investments	\$ 6,636
Interest and dividends	\$ 7,731

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies and units of a common collective trust fund managed by T. Rowe Price. T. Rowe Price is the Plan trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Participant loans also qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Certain administrative fees paid by the Plan such as legal, accounting and recordkeeping fees also qualify as party-in-interest transactions.

NOTE 6. PLAN TERMINATION AND PARTIAL PLAN TERMINATIONS

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, each participant would become 100% vested in their non-elective employer and profit-sharing contributions.

During the years ended December 31, 2021 and 2020, the Company downsized its operations which resulted in a partial plan termination. The Company has determined all participants that were affected by the partial plan termination to ensure they became fully vested in their accounts prior to distributions being taken.

DAYCO SAVINGS & RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS (000's omitted)

NOTE 7. INCOME TAX STATUS

The IRS has determined and informed the Company by a letter dated February 11, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
