Independent Auditor's Report

To the Participants and Administrator of the
Lamb Farms, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Lamb Farms, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of schedule H, line 4i – schedule of assets (held at end of year) and schedule H, line 4a – schedule of delinquent participant contributions as of December 31, 2021 and for the year ended, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LAMB FARMS, INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF PLAN

The following is a brief description of the Lamb Farms, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan with salary reduction features as permitted under Section 401(k) of the Internal Revenue Code (IRC). The Plan is funded by employee and employer contributions and covers all eligible employees of Lamb Farms, Inc., Lakeshore Dairy, LLC and Convoy Dairy, LLC, (collectively "the Company"). The Administrative Committee is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, monitoring investment performance and reports to the management of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was most recently amended effective December 1, 2019.

Eligibility: Employees of the Company who are at least 21 years of age, after completing 1 year of eligibility service (1,000 hours) are eligible to participate in the Plan. All employees who have met this requirement, with the exception of those who are members of collective bargaining units, nonresident aliens, or part-time employees are eligible for both matching and the non-elective employer contributions. Once the eligibility requirements have been met, employees are enrolled quarterly, the first day of the Plan year and the fourth, seventh, and tenth months of the Plan year.

Contributions: Each year, participants may contribute up to 92% of pretax annual compensation not to exceed the maximum annual limitations allowed by the Internal Revenue Service (IRS) regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company will make matching contributions in an amount equal to 50% of an employee's contributions subject to a maximum of 6% of the employee's eligible compensation contributed to the Plan.

The Company may make non-elective contributions to eligible participants' accounts based on the percentage of the participant's compensation to total compensation of all eligible participants. There were no non-elective contributions made for the years ended December 31, 2021 and 2020.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately fully vested in their contributions plus earnings thereon. Vesting in the Company's matching and non-elective contribution portion of their accounts is based on years of continuous service. Participants are 20% vested after completion of two years of service and increase their vesting by 20% each year thereafter until they are 100% vested after six years of service.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 95% of one-half the vested account balance or 95% of the total vested account balance excluding the Roth Elective Deferral balance. Under no event will the loan amount exceed \$50,000. The loans are secured by the balance in the participant's account and interest is computed based on the prime rate plus 1%. Principal and interest is paid ratably through payroll deductions.

During 2020, the Plan adopted changes to delay loan provisions in response to the passing of the CARES Act by the United States Congress. The CARES Act amendment enabled participants impacted by the coronavirus to delay outstanding loan payments for up to 12 months. Loan payments resumed in January 2021 and the loans were re-amortized to account for the suspension. Additionally, for loans issued from March 27, 2020 through September 23, 2020, the maximum was increased to \$100,000 or 100% of their vested account balance.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Retirement Benefits: The normal retirement date is the date a participant attains age 65. The retirement benefit shall be in the form of a lump-sum payment unless the participant elects one of the optional payment forms as provided for by the Plan. An option exists for late retirement which shall be the date established with the Company for the participants late retirement. During 2020, the Plan also adopted CARES Act provisions to allow Coronavirus Related Distributions (CRDs) to individuals affected by COVID-19 for up to \$100,000.

Death and Disability Benefits: If an active employee should die or become totally disabled, a lump-sum distribution is made to the employee's beneficiary, or the employee, respectively. The benefit amount is the total value of the employee's account at the time of death or becoming totally disabled. The Plan also allows hardship distributions under certain circumstances.

Forfeitures: Forfeitures of employer contributions that are not vested in participants' account balances because of participant termination are used to reduce qualified administrative expenses of the Plan or reduce future non-elective contributions. At December 31, 2021, forfeited nonvested accounts totaled \$97. There were no forfeited non-vested accounts at December 31, 2020. The Company utilized \$687 of forfeitures to reduce qualified administrative expenses of the Plan for the year ended December 31, 2021 (\$15,636 - 2020).

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The Plan prepares its financial statements on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by investment advisers and the trustee of the Plan. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation on investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation on investments.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

Subsequent Events: These financial statements have not been updated for subsequent events occurring after September 12, 2022, which is the date these financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standard Board (FASB) *Accounting Standards Codification* (ASC) 820: *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market fund: A money market fund is a public investment vehicle valued using \$1 for the Net Asset Value (NAV).

Shares of registered investment companies: These investments are valued at the NAV of shares held by the registered investment companies at year-end. The investments are measured at fair value using quoted prices for identical assets, which are readily available Level 1 inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

NOTE 4. FINANCIAL CERTIFICATION

The following financial information as of December 31, 2021 and 2020 as well as income and transactions for the years then ended, has been furnished by the Plan Administrator and was derived from information provided by Mid Atlantic Trust Company, the trustee of the Plan, and has been certified by them as complete and accurate. The incorporation of this financial information in the accompanying financial statements is based solely on their certification and has not been audited by independent accountants.

Interest and dividend income	\$ 367,789	\$ 205,737

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6. TAX STATUS

The Plan has adopted a non-standardized form of a prototype plan sponsored by Paychex Inc. The prototype plan has received an opinion letter dated April 10, 2014 from the Internal Revenue Service (IRS) regarding the Plan's qualified status. The Plan itself has not received a determination letter from the IRS; however, the Plan's management and counsel, believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 6. TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Mid Atlantic Trust Company. Mid Atlantic Trust Company is the trustee of the Plan and Paychex Inc. is the third-party administrator of the Plan. Fees paid by the Plan to the third-party administrator for administrative and other services qualify as party-in-interest transactions. The Plan also holds notes receivables representing participant loans.

NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020:

NOTE 9. PROHIBITED TRANSACTIONS

The Plan sponsor inadvertently failed to deposit approximately \$17,601 of participant elective deferral contributions and loan repayments for the year ended December 31, 2020, within the required time frame as stated by United States Department of Labor (DOL) regulations. For the year ended December 31, 2020, the Plan sponsor corrected the errors involving delinquent contributions by contributing the amounts to the Plan (with additional earnings), filed a form 5330, and paid the applicable excise tax to the Internal Revenue Service during 2021.

Independent Auditor's Report

To the Participants and Administrator of the
Lamb Farms, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Lamb Farms, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of schedule H, line 4i – schedule of assets (held at end of year) and schedule H, line 4a – schedule of delinquent participant contributions as of December 31, 2021 and for the year ended, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LAMB FARMS, INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF PLAN

The following is a brief description of the Lamb Farms, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan with salary reduction features as permitted under Section 401(k) of the Internal Revenue Code (IRC). The Plan is funded by employee and employer contributions and covers all eligible employees of Lamb Farms, Inc., Lakeshore Dairy, LLC and Convoy Dairy, LLC, (collectively "the Company"). The Administrative Committee is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, monitoring investment performance and reports to the management of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was most recently amended effective December 1, 2019.

Eligibility: Employees of the Company who are at least 21 years of age, after completing 1 year of eligibility service (1,000 hours) are eligible to participate in the Plan. All employees who have met this requirement, with the exception of those who are members of collective bargaining units, nonresident aliens, or part-time employees are eligible for both matching and the non-elective employer contributions. Once the eligibility requirements have been met, employees are enrolled quarterly, the first day of the Plan year and the fourth, seventh, and tenth months of the Plan year.

Contributions: Each year, participants may contribute up to 92% of pretax annual compensation not to exceed the maximum annual limitations allowed by the Internal Revenue Service (IRS) regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company will make matching contributions in an amount equal to 50% of an employee's contributions subject to a maximum of 6% of the employee's eligible compensation contributed to the Plan.

The Company may make non-elective contributions to eligible participants' accounts based on the percentage of the participant's compensation to total compensation of all eligible participants. There were no non-elective contributions made for the years ended December 31, 2021 and 2020.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately fully vested in their contributions plus earnings thereon. Vesting in the Company's matching and non-elective contribution portion of their accounts is based on years of continuous service. Participants are 20% vested after completion of two years of service and increase their vesting by 20% each year thereafter until they are 100% vested after six years of service.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 95% of one-half the vested account balance or 95% of the total vested account balance excluding the Roth Elective Deferral balance. Under no event will the loan amount exceed \$50,000. The loans are secured by the balance in the participant's account and interest is computed based on the prime rate plus 1%. Principal and interest is paid ratably through payroll deductions.

During 2020, the Plan adopted changes to delay loan provisions in response to the passing of the CARES Act by the United States Congress. The CARES Act amendment enabled participants impacted by the coronavirus to delay outstanding loan payments for up to 12 months. Loan payments resumed in January 2021 and the loans were re-amortized to account for the suspension. Additionally, for loans issued from March 27, 2020 through September 23, 2020, the maximum was increased to \$100,000 or 100% of their vested account balance.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Retirement Benefits: The normal retirement date is the date a participant attains age 65. The retirement benefit shall be in the form of a lump-sum payment unless the participant elects one of the optional payment forms as provided for by the Plan. An option exists for late retirement which shall be the date established with the Company for the participants late retirement. During 2020, the Plan also adopted CARES Act provisions to allow Coronavirus Related Distributions (CRDs) to individuals affected by COVID-19 for up to \$100,000.

Death and Disability Benefits: If an active employee should die or become totally disabled, a lump-sum distribution is made to the employee's beneficiary, or the employee, respectively. The benefit amount is the total value of the employee's account at the time of death or becoming totally disabled. The Plan also allows hardship distributions under certain circumstances.

Forfeitures: Forfeitures of employer contributions that are not vested in participants' account balances because of participant termination are used to reduce qualified administrative expenses of the Plan or reduce future non-elective contributions. At December 31, 2021, forfeited nonvested accounts totaled \$97. There were no forfeited non-vested accounts at December 31, 2020. The Company utilized \$687 of forfeitures to reduce qualified administrative expenses of the Plan for the year ended December 31, 2021 (\$15,636 - 2020).

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The Plan prepares its financial statements on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by investment advisers and the trustee of the Plan. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation on investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation on investments.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

Subsequent Events: These financial statements have not been updated for subsequent events occurring after September 12, 2022, which is the date these financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standard Board (FASB) *Accounting Standards Codification* (ASC) 820: *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market fund: A money market fund is a public investment vehicle valued using \$1 for the Net Asset Value (NAV).

Shares of registered investment companies: These investments are valued at the NAV of shares held by the registered investment companies at year-end. The investments are measured at fair value using quoted prices for identical assets, which are readily available Level 1 inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Transactions for the years ended:		
Net appreciation on investments	\$ 440,895	\$ 647,722
Interest and dividend income	\$ 367,789	\$ 205,737

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6. TAX STATUS

The Plan has adopted a non-standardized form of a prototype plan sponsored by Paychex Inc. The prototype plan has received an opinion letter dated April 10, 2014 from the Internal Revenue Service (IRS) regarding the Plan's qualified status. The Plan itself has not received a determination letter from the IRS; however, the Plan's management and counsel, believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 6. TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Mid Atlantic Trust Company. Mid Atlantic Trust Company is the trustee of the Plan and Paychex Inc. is the third-party administrator of the Plan. Fees paid by the Plan to the third-party administrator for administrative and other services qualify as party-in-interest transactions. The Plan also holds notes receivables representing participant loans.

NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits as presented in these financial statements	\$ 6,951,351	\$ 5,844,987
Differences in:		
Investments	119,055	112,171
Notes receivable from participants	<u>(119,055)</u>	<u>(112,171)</u>
Net assets available for benefits as presented in Form 5500	<u>\$ 6,951,351</u>	<u>\$ 5,844,987</u>

NOTE 9. PROHIBITED TRANSACTIONS

The Plan sponsor inadvertently failed to deposit approximately \$17,601 of participant elective deferral contributions and loan repayments for the year ended December 31, 2020, within the required time frame as stated by United States Department of Labor (DOL) regulations. For the year ended December 31, 2020, the Plan sponsor corrected the errors involving delinquent contributions by contributing the amounts to the Plan (with additional earnings), filed a form 5330, and paid the applicable excise tax to the Internal Revenue Service during 2021.
