INDEPENDENT AUDITOR'S REPORT

To the Participants of the Thryv Savings Plan
and Plan Administrator

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Thryv Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Thryv Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THRYV SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Thryv Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan’s provisions.

General: Thryv Holdings, Inc. (the “Company”) established the plan effective January 1, 2018. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Trustee and Administration of the Plan: The plan administrator is the Company’s Employee Benefits and Asset Management Committee (“EBAMC”), which consists of employees appointed by the Company’s chief financial officer. The EBAMC has the authority to select, retain, monitor and discharge recordkeepers and is responsible for administering the Plan, including day to day functions, benefit payments, claims, and for effectuating amendments. The EBAMC has authority to remove and/or instruct the trustee, establish and maintain a funding and investment policy and select and monitor funds.

Fidelity Management Trust Company (“Fidelity”) is the trustee and custodian for the Plan. Fidelity Workplace Services LLC, a wholly owned subsidiary of the trustee, is the contractual recordkeeping agent for the Plan and Fidelity Investments Institutional Operations Company, a wholly owned subsidiary of Fidelity Workplace Services LLC, provided recordkeeping services and other administrative services to the Plan.

Contributions: Each year, participants may contribute up to 75%, in whole percent increments, of their eligible compensation, as defined in the Plan document. Participant contributions may be on a pre-tax, Roth, or after-tax basis. Employees are automatically enrolled at a 3% pre-tax deferral rate upon becoming eligible to participate in the Plan, which will automatically increase 1% per year until the participant is deferring 10%, and participants may elect to change or discontinue deferrals at any time. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

Each pay period, the Company makes safe harbor matching contributions to the account of each eligible employee equal to 100% of the first 3% and 60% of the next 3% of eligible compensation that a participant contributes to the Plan. True-up matching contributions shall be made each plan year to ensure that participants receive the full safe harbor matching contribution for the Plan year, as further described in the Plan document. The Company may, at its discretion, make a performance-based matching contribution to eligible employees on an annual basis. The discretionary performance-based matching contribution shall not exceed 50% of the first 6% of eligible compensation that a participant contributes to the Plan. The Company did not make a discretionary performance-based matching contribution in 2021 and 2020. Contributions are subject to certain limitations.

Effective May 5, 2020, the Plan was amended to cease safe harbor matching contributions for pay dates on or after May 15, 2020. Effective January 1, 2021, the safe harbor matching contributions were reinstated.

Effective July 1, 2021, after-tax contributions are not subject to safe harbor company-matching contributions and participants who only make after-tax contributions are not eligible for discretionary matching contributions.

THRYV SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions, (b) Plan earnings, and (c) forfeitures of Company contributions, and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The investment earnings or losses are allocated to each participant's account pro-rata by investment fund.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Investment Options: Participants may direct their contributions into various collective trusts, mutual funds or a brokerage fund offered by the Plan and can change their investment options on a daily basis, subject to the restrictions and procedures as are established by the recordkeeper and the fund prospectus.

Notes Receivable from Participants: Participants may borrow up to the lesser of \$50,000 or one-half of their vested account balance, less the highest outstanding loan balance within the past 12 months. Participants may not have more than two note receivables outstanding at any time. The minimum note receivable amount is \$1,000. The minimum note receivable term is 6 months and the maximum note receivable term is 57 months unless the proceeds are used to acquire a participant's principal residence, in which case the maximum term is 117 months. The note receivable is secured by the balance in the participant's account. The loans bear interest at a rate of prime plus 2%. Principal and interest is paid ratably through payroll deductions. A participant's note receivable shall become due and payable if such participant fails to make a principal and/or interest payment as provided in the note receivable agreement, subject to a grace period.

As allowed under the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, which was enacted on March 27, 2020, the Company allowed loan repayment relief for qualifying loans to 2021.

Expenses: Account maintenance fees, audit expenses, and investment advisory fees are paid from Plan assets. The Company pays for all other expenses incurred in connection with the administration of the Plan. Investment management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, investment management fees and operating expenses are reflected as a reduction of investment return for such investments.

Vesting: Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Participants are generally 100% vested in all safe harbor matching contributions upon completion of two years of service and discretionary performance-based matching contributions upon completion of three years of service.

For purposes of vesting, years of service are computed as the total time period commencing with the employee's first date of employment and ending on the last date of employment. Participants also become 100% vested in their accounts upon reaching normal retirement age (65), death or disability. There are certain other special events which can cause immediate vesting as further described in the Plan document.

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Forfeitures: The amount of any non-vested forfeiture attributed to a participant's break in service as specified by the Plan document may be used to restore the participant's forfeited employer contribution, fund Company contributions, or pay expenses. During 2021, \$577,750 of forfeitures were applied to offset Company safe harbor matching contributions. As of December 31, 2021 and 2020, \$306,826 and \$78,284 of forfeitures were applied to offset the employer contributions receivable. The remaining balance of forfeitures available to offset future Company safe harbor matching contributions and administrative expenses as of December 31, 2021 and 2020 was \$312,603 and \$469,522, respectively.

Payment of Benefits: Upon termination of service, a participant is eligible to receive an amount equal to the value of the participant's vested interest in his or her account. Terminated participants who do not elect a distribution type and have an account balance of less than \$5,000 must take an immediate distribution. If the amount is more than \$1,000 but less than \$5,000, and the participant does not elect to receive the distribution directly in a lump sum and does not elect to have the distribution paid directly to an eligible retirement plan in a direct rollover, then the Plan Administrator will direct payment of the distribution in a direct rollover to an individual retirement plan ("IRA") designated by the EBAMC.

Participants may elect to receive a partial distribution of their vested account balances. Participants (or their beneficiaries upon the death of the participant) may elect to receive their vested account balances as a single lump sum or paid in annual, semiannual, quarterly, monthly, or bi-weekly installments for a period of years, selected by the person exercising the election. Participants may also elect to transfer their benefit to another qualified retirement plan or IRA. In certain circumstances, participants may make voluntary in-service withdrawals and hardship withdrawals if certain criteria are met and subject to certain limitations as outlined in the Plan document.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions and earnings thereon.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through September 8, 2022, which is the date the financial statements were available to be issued.

Effective January 1, 2022 the Plan was amended to increase the automatic enrollment pre-tax deferral rate from 3% to 6%.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

THRYV SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is based on the price that would be received by the Plan to sell an asset or paid to the Plan to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date in the Plan's principal or most advantageous market for the asset or liability. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions: Participant contributions and the related Company matching contributions are recorded in the period payroll deductions are made.

Payments of Benefits: Benefits are recorded when paid.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit loss, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balance.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Market risks include global events such as pandemics. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 - CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements).

(Continued)

THRYV SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Self-directed Brokerage Accounts: Accounts primarily consist of mutual funds and common stocks that are determined by obtaining quoted prices on nationally recognized securities exchange (Level 1).

Investments measured at fair value on a recurring basis are summarized below:

	Fair Value Measurements at December 31, 2021 Using			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. At December 31, 2021 and 2020, certain investments held by the Plan are managed by an affiliate of Fidelity, the trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions. These transactions, however, are exempt from the prohibited transaction rules under ERISA. Certain administrative functions are performed by officers or employees of the Company, and no such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated August 14, 2019 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
