Independent Auditors' Report

To the Plan Administrator
Porven, Ltd. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Porven, Ltd. 401(k) Retirement Savings Plan, (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Porven, Ltd. 401(k) Retirement Savings Plan

Notes to Financial Statements
December 31, 2021 and 2020

1. Plan Description

The following description of the Porven, Ltd. 401(k) Retirement Savings Plan (the "Plan") is provided for general purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees (as defined in the plan document) of Porven, Ltd. and its Subsidiaries (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On March 27, 2020, the President signed into law the U.S. Coronavirus Aid, Relief and Economic Security Act (the "CARES Act"). The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to Plan participants under the CARES Act and has implemented the following provisions:

- Eligible coronavirus distributions up to \$100,000 for Plan participants;
- Extend the period for loan repayments, if applicable, up to one year;
- Increase the limit of loans up to the lessor of \$100,000 or 100% of a participant's vested account balance; and
- Suspend required minimum distributions for 2020.

Eligibility

An employee of the Company becomes an eligible participant in the Plan following 6 months of service. Participants can enter into the Plan on any date on or after satisfaction of the eligibility requirement.

Contributions

Each year, a participant may contribute up to 100% of their eligible compensation to the Plan on a pre-tax basis. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Additionally, participants age fifty or older are allowed to make catch-up contributions as defined in the Plan. The Company may, at its discretion, make matching contributions and profit sharing contributions for the plan year.

The Plan has an automatic enrollment provision whereby newly eligible employees of the Company are automatically enrolled in the Plan at a pre-tax deferral contribution rate of 4%.

The Company matched an amount equal to 100% of the first 4% of compensation for the years ended December 31, 2021 and 2020. Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

Porven, Ltd. 401(k) Retirement Savings Plan

Notes to Financial Statements
December 31, 2021 and 2020

1. Plan Description (*continued*)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The participant's account is reduced by withdrawals and losses on investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

A participant is 100% vested in their contributions plus allocated earnings thereon. Vesting in the Company's matching contributions is based on years of continuous service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

A participant's vested interest in the Company's matching contribution will be 100% in the event of the following:

- a) Death or disability of a participant while employed by the Company
- b) Attainment by a participant of his/her normal retirement age
- c) Plan termination

Investment Options

Upon enrollment in the Plan, participants may direct their elective contribution and Company contribution into the various investment options offered by the Plan. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with market rates as determined by the plan administrator. Loans must be repaid over a period not to exceed 5 years, except in the case of loans incurred for the purchase of a primary residence, which can be repaid over a period of up to 25 years. Principal and interest are paid ratably through payroll deductions.

1. Plan Description (*continued*)

Payment of Benefits

On termination of service for any reason, a participant is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the participant's vested interest is less than \$5,000 and greater than \$1,000, and the participant has not elected a single sum payment, the plan will automatically roll the vested account to an IRA in a direct rollover. If his vested account is \$1,000 or less, and the participant has not elected a single sum payment, the participant's entire vested account shall be paid directly to him. Hardship distributions are allowed under the Plan.

Forfeitures

Forfeitures can be used to restore any participant's account balance, reduce the Company's contributions, or pay administrative expenses. Unallocated forfeited non-vested accounts totaled \$94,407 and \$105,669 at December 31, 2021 and 2020. During 2021 and 2020, \$79,180 and \$18,921 of forfeitures were used to reduce Employer contributions and \$4,927 and \$11,953 were used to reduce Plan expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based on the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

2. Summary of Significant Accounting Policies *(continued)*

Investment Valuation and Income Recognition

All investments of the Plan are stated at fair value, except for the Principal Fixed Income Guaranteed Option, which is stated at contract value, as reported by the funds. Registered investment companies held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price, and are deemed to be actively traded. The Pooled Separate account is reported at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. The Principal Fixed Income Guaranteed Option is reported at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 9, 2022.

3. Information Certified (*Unaudited*)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company, the trustee of the Plan.

4. Investments

The following major categories of investments measured at fair value on a recurring basis as December 31, grouped by fair value hierarchy:

	2021		
	Level 1	Level 2	Total
Registered investment companies	\$ 13,789,277	\$ -	\$ 13,789,277
Pooled separate accounts	-	2,671,243	2,671,243
	<u>\$ 13,789,277</u>	<u>\$ 2,671,243</u>	<u>\$ 16,460,520</u>
	2020		
	Level 1	Level 2	Total
Registered investment companies	\$ 11,304,063	\$ -	\$ 11,304,063
Pooled separate accounts	-	1,812,543	1,812,543
	<u>\$ 11,304,063</u>	<u>\$ 1,812,543</u>	<u>\$ 13,116,606</u>

Investments recorded at contract value on the statements of net assets available for benefits totaled \$5,428,068 and \$5,114,678 at December 31, 2021 and 2020.

5. Principal Fixed Income Guaranteed Option

The Principal Fixed Income Guaranteed Option (the "PFIGO") is a benefit-responsive general account backed group annuity contract issued by Principal Life Insurance Company. Because the PFIGO is benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. A rate of interest is contractually guaranteed by Principal Life Insurance Company. The rate is reset semiannually.

5. Principal Fixed Income Guaranteed Option (*continued*)

Certain events (i.e. plan termination, merger, layoffs, etc.) may limit the ability of the Plan to transact at contract value with the issuer. The plan administrator believes that any events which would limit the Plan's ability to transact at contract value with participants are probable of not occurring. An employer-level liquidation or employer initiated transfer of the Plan's interest in the PFIGO will be subject to either a 12-month advance notice or a 5% surrender charge, whichever an employer chooses. Notification of a Plan's intent to terminate its interest may be revoked within 90 days of the receipt of such notice, after which time, notice becomes irrevocable.

The PFIGO also has a surrender charge of 5% that may be charged if the cumulative percentage of participant transfers from the PFIGO exceeds 20% of the Plan's interest in the contract during the 12-month period immediately preceding the employer-level surrender of the Plan's interest in the contract.

The credit risk of the issuer, Principal Life Insurance Company, was evaluated by nationally recognized statistical rating agencies as follows: Moody's Investors Service (A1 as of January 2022), Standard and Poor's (A+ as of June 2021), A.M. Best Company (A+ as of February 2021), and Fitch Ratings (AA- as of June 2021).

The PFIGO represents approximately 25% and 28% of the Plan's investments at December 31, 2021 and 2020.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. Tax Status

The Company has adopted a volume submitter prototype plan document which received an Internal Revenue Service ("IRS") opinion letter dated March 31, 2014, which indicated that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the letter; however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examination for any tax periods in progress.

8. Party-In-Interest Transactions

Certain Plan investments are managed by Principal. Principal is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees of the Plan may borrow from their accounts and such loans qualify as party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants on the statements of net assets available for benefits.

9. Prohibited Transactions

For the 2018, 2019 and 2021 plan year, the Employer failed to remit to the Plan certain participants' contributions within the period described by the Department of Labor regulations. Delays in remitting these amounts to the Plan were due to an administrative oversight. In 2021, the Employer has processed the necessary corrections for the 2018 and 2019 plan years to satisfy both the Department of Labor and IRS guidance for this matter. In 2022, the Employer has processed the necessary corrections for the 2021 plan year to satisfy both the Department of Labor and IRS guidance for this matter.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported herein the statements of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
