Independent Auditor's Report

Plan Administrator
20/20 Communications, Inc. 401(k) Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of 20/20 Communications, Inc. 401(k) Retirement Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2020 Financial Statements

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion on the 2020 Financial Statements paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2020 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company (Reliance), the custodian, in association with Transamerica Life Insurance Company (TLIC), the insurance company, and Wells Fargo Bank, N.A. (Wells Fargo), the former trustee, except for comparing the information with the related information included in the 2020 financial statements. We have been informed by the Plan administrator that Reliance held the Plan's investment assets and executed investment transactions from September 16, 2020, through December 31, 2020, and Wells Fargo held the Plan's investment assets and executed investment transactions for the period from January 1, 2020, through December 31, 2020. The Plan administrator has obtained certifications from Reliance and Wells Fargo as of and for the year ended December 31, 2020, that the information provided to the Plan administrator by Reliance and Wells Fargo is complete and accurate.

Disclaimer of Opinion on 2020 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2020 Financial Statements paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the accompanying 2020 financial statements.

Plan Administrator
20/20 Communications, Inc. 401(k) Retirement Plan

Other Matter – Supplemental Schedule

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2020, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2020 Financial Statements paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the custodian and former trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – 2019 Financial Statement

The statement of net assets available for benefits of the Plan as of December 31, 2019, was audited by a predecessor auditor. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by Wells Fargo. Their report, dated October 7, 2020, indicated that (a) because of the significance of the information they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2019 financial statement and (b) the form and content of the information included in the 2019 financial statement other than that derived from the information certified by the former trustee, was presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2020

1. Description of the Plan

The following description of the 20/20 Communications, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to eligible employees of 20/20 Communications, Inc., 2020 Acquisition Holding Corp. and M2020 LLC (collectively, the Plan Sponsor). Participation in the Plan is strictly voluntary, and employees can elect to participate on the first day of the quarter after attaining age 21 and completing six months of eligible service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Sponsor is responsible for the administration of the Plan and has entrusted the maintenance of records and the day-to-day administration to TAG Resources, LLC (TAG) who processes transactions through Reliance Trust Company (Reliance), the custodian, in association with Transamerica Life Insurance Company (TLIC), the insurance company. Prior to September 16, 2020, the maintenance of records and the day-to-day administration of the Plan was handled by Wells Fargo Bank, N.A. (Wells Fargo), the former trustee. As of December 31, 2020, Wells Fargo still held certain assets of the Plan.

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law in March 2020. The Plan implemented certain provisions of the CARES Act which allow certain eligible participants impacted by COVID-19 (Qualified Individuals) to obtain in-service distributions.

Contributions

Participating employees may defer 401(k) contributions up to 90% of their pre-tax annual compensation, as defined in the Plan. In addition, participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan as listed in the schedule of assets (held at end of year). Participants can change the investment options previously elected at any time.

The Plan Sponsor may make discretionary matching and qualified nonelective contributions to the Plan. For the period from January 1, 2020, to March 27, 2020, the Plan Sponsor elected to make matching contributions equal to 33% of the employee's contributions up to 5% of the employee's compensation. For 2020, the Plan Sponsor did not make any discretionary qualified nonelective contributions to the Plan.

Contributions are subject to certain Internal Revenue Service (IRS) limitations. Receivables from the Plan Sponsor for contributions are unsecured.

1. Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's discretionary matching and qualified nonelective contributions and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and discretionary qualified nonelective contributions, plus actual earnings on these contributions. Vesting in the Plan Sponsor's discretionary matching contribution portion of their accounts plus related earnings thereon is based on years of vesting service in which the participants complete 1,000 hours of service, as follows:

Years of Service	Vesting Percentage
Less than 3	0%
3 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

If the participant's vested benefit in the Plan exceeds $5,000 at the time of termination of employment, the participant may elect to either maintain their account in the Plan, receive a lump-sum distribution or rollover their account balance into another individual retirement account. Participants may also withdraw their vested account balances at any time on or after the age of 59½, or upon retirement, death or disability.

1. Description of the Plan (continued)

Payment of Benefits (continued)

Qualified Individuals were eligible for a CARES Act distribution in 2020 up to a maximum amount of $100,000, with no limit on the number of distributions. CARES Act distributions may be recontributed, in part or in full, to the Plan as rollover contributions within three years of the distribution. The recontribution may occur in multiple transactions within the three-year period. CARES Act distributions were only available for Qualified Individuals by request in 2020, but the Plan will continue to accept recontributions for the three-year period after the distribution, which will be no later than December 31, 2023.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their non-vested benefits under the Plan. Forfeitures may first be used to pay administrative expenses and to reduce future Plan Sponsor contributions. During 2020, forfeitures generated totaled $21,160, forfeitures used to reduce Plan Sponsor contributions totaled $35,441 and forfeitures used to pay administrative expenses totaled $9,587. As of December 31, 2020 and 2019, forfeited non-vested accounts total $4,220 and $28,088, respectively.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value except for its benefit-responsive investment contract, which is valued at contract value (Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by Reliance, Transamerica, and Wells Fargo. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

2. Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. If a participant ceases to make scheduled repayments and the Plan administrator deems the note receivable to be in default, the note receivable balance is reduced and a benefit payment recorded.

Benefits Paid to Participants

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants totaling $35,250 and $133,663 as of December 31, 2020 and 2019, respectively, for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants during 2021 and 2020, respectively.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

The Plan participates in an expense offset arrangement whereby certain third-party expenses are paid with rebates received by the Plan from investment managers. During 2020, the Plan received investment manager rebates of $1,220, which were offset against administrative expenses of $63,957 paid to parties-in-interest. The net administrative expenses are included in the accompanying statement of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through March 8, 2022, the date the financials were available to be issued. Subsequent to December 31, 2020, benefit payments totaling approximately $551,000 have been distributed from the Plan.

3. Certified Information (Unaudited)

Reliance held the Plan's investment assets as of December 31, 2020, and executed investment transactions from September 16, 2020, through December 31, 2020, and Wells Fargo held the Plan's investment assets as of December 31, 2019, and executed investment transactions for the period from January 1, 2020, through December 31, 2020. Financial information relating to those assets, including investments and notes receivable from participants, is included in the accompanying financial statements based on information supplied to the Plan administrator and certified as complete and accurate by Reliance and Wells Fargo. That information, which has not been audited by independent auditors, is summarized below.

The value of investments is as follows as of December 31:

	2020	2019
Investments at fair value	**$4,585,124**	$4,812,799
Non-certified investments at fair value*	**159,768**	–
Investment at contract value	**32,089**	–
Total investments	**$4,776,981**	$4,812,799

* Investments held by Wells Fargo as of December 31, 2020, are not certified.

Notes receivable from participants total $102,983 and $101,020 as of December 31, 2020, and 2019, respectively. Interest earned on notes receivable from participants totaled $7,275 in 2020.

During 2020, net appreciation in fair value of investments totaled $675,888 ($82,674 relates to funds of a party-in-interest), dividend income totaled $50,616 and interest income from the stable value core option of party-in-interest totaled $106.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan can access.

Level 2 Inputs to the methodology include:
- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level of assets and liabilities within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective funds: Valued at the net asset value (NAV) of units of the collective investment fund held by the Plan at year end. NAV is a readily determinable fair value and is the basis for current transactions. The unit value of each of these funds is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the unit value. Were the Plan to initiate a full redemption, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

4. Fair Value Measurements (continued)

Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31:

	Level 1	Level 2	Level 3	Total
2020:				
Mutual funds	**$4,585,124**	**$ –**	**$ –**	**$4,585,124**
Common collective funds	**–**	**159,768**	**–**	**159,768**
Total investments at fair value	**$4,585,124**	**$ 159,768**	**$ –**	**$4,744,892**
2019:				
Mutual funds	$2,478,472	$ –	$ –	$2,478,472
Common collective funds	–	2,334,327	–	2,334,327
Total investments at fair value	$2,478,472	$2,334,327	$ –	$4,812,799

5. Stable Value Core Option

The Plan invests in a fully benefit-responsive traditional investment contract held in the Transamerica Stable Value Core Option (Stable Value Core Option). The contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Transamerica is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The effective rate of interest is established every January 1 and July 1 and is based on the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. There is no stated minimum or maximum interest rate. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

5. Stable Value Core Option (continued)

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include amendments to the Plan documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan, the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or premature termination of the contract. The Plan administrator does not believe any events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation or a material amendment to the agreement without consent of the issuer.

6. Related Party Transactions and Party-in-Interest Transactions

Plan investments are in accounts of Reliance, Transamerica, and Wells Fargo; therefore, these transactions qualify as party-in-interest transactions. TAG is also considered to be a party-in-interest. Notes receivable from participants and participant contributions are considered to be party-in-interest transactions. Plan Sponsor contributions are considered to be both party-in-interest and related party transactions.

7. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Plan Sponsor contributions.

8. Income Tax Status

The Plan adopted a volume submitter plan which had received an advisory letter dated March 31, 2014, from the IRS which stated the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

9. Risks and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

As a result of the coronavirus (COVID-19) pandemic, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of the uncertainties and the ultimate financial effects on the Plan's investments cannot be reasonable estimated as of the date of these financial statements.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Schedule H of the Form 5500 for 2020:

Increase in net assets available for benefits per financial statements	**$ 77,766**
Excess contributions payable at beginning of year	**(133,663)**
