Independent Auditor's Report

The Plan Administrator
First Team FOC 401(k) Plan
Irvine, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of First Team FOC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibility for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes at year end and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 – Description of plan

The following description of the First Team FOC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for more detailed information of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of First Team Real Estate - Orange County (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established October 1, 2016.

Eligibility

Employees that have attained the age of 18 and completed 2 months of service are eligible to participant in the Plan.

Contributions

Participants' contributions are made to the Plan by means of salary deferral by which the participant is entitled to defer up to a fixed amount determined annually by the Internal Revenue Service. The Company may also make discretionary matching contributions. There were no discretionary matching contributions for the year ended December 31, 2021. In addition, the Company, at its option, may make discretionary profit sharing contributions. There were no discretionary profit sharing contributions for the year ended December 31, 2021. Furthermore, rollover contributions from other qualified plans are accepted by the Plan.

Automatic enrollment

The Plan allows automatic enrollment of eligible participants. Automatic Enrollment provides that, in the absence of an employee election to the contrary, the employer automatically withholds a 3% 401(k) deferral from employee's paycheck and invests it in a designated balanced fund until changed by the participant. In addition, on an annual basis, each automatic enrollment participant will have his or her elective deferral rate increased by 1% up to a maximum deemed elective deferral rate of 10%. Participants may elect to opt out of the automatic enrollment feature.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution and allocation of the Company's discretionary profit sharing contribution and Plan earnings. Allocations of discretionary profit sharing contributions are based on participant wages, as defined. Allocations of plan earnings are based on participant balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in their account.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested interest in the Plan. The loans are secured by the vested balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates. Principal and interest is paid ratably through payroll deductions over the repayment term of 5 years except in limited circumstances such as the purchase of a primary residence.

Notes to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes receivable are reclassified as distributions based upon the terms of the plan document. Plan management has evaluated the collectability of notes receivable from participants and, because they are secured by the participants' accounts, an allowance has not been recorded.

Note 1 – Description of plan (continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments. Benefits are recorded when paid.

Forfeitures

Amounts forfeited from a terminating participant's non-vested portion of the participant's employer's contributions and earnings on employer's contributions are used to reduce the future contributions of that employer or to pay administrative expenses of the Plan. The Plan had $19,474 and $16,491 of non-vested forfeitures available to reduce future contributions or to pay administrative expenses of the Plan as of December 31, 2021 and 2020, respectively. No forfeitures were used to reduce Company contributions or pay administrative expenses during the year ended December 31, 2021.

Hardship withdrawals

Participants may withdraw their vested contributions in the event of hardship as defined in the Plan agreement.

Expense budget account

Pursuant to an agreement between the Plan and Transamerica Life Insurance Company, an Expense Budget Account ("EBA") exists to capture monthly deposits of Contract Asset Charges or Investment Choice Fees. The account is used for the payment of authorized expenses. The deposits are included in the accompanying financial statements as other income and expenses paid are included in administrative expenses. At December 31, 2021 and 2020, the EBA totaled $27,506 and $15,766, respectively. During the year ended December 31, 2021, $35,243 of the EBA was used to pay administrative expenses.

Note 2 – Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment valuation and income recognition

The Plan's funds are invested in mutual funds, self-directed brokerage accounts, and guaranteed investment contracts ("GIC"). Investments in mutual funds and self-directed brokerage accounts are reported at fair value. The GICs are fully benefit-responsive and are reported at contract value in the Plan's statement of net assets available for benefits (see Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2 – Summary of accounting policies (continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Administrative expenses

Administrative expenses are paid by the Plan unless absorbed by the Plan sponsor.

Subsequent events

Management evaluates events occurring subsequent to December 31, 2021 in determining the accounting for and disclosure of events that affect the financial statements. The Plan has no subsequent events that required recognition or disclosure in the financial statements for the year ended December 31, 2021. Subsequent events were evaluated through September 12, 2022, which is the date the financial statements were available to be issued.

Note 3 – Fair value measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits (except for the fully benefit-responsive investment contract, which is reported at contract value). The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds and self-directed brokerage account are based on the net asset value of the shares held by the Plan at year end.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of plan assets in the statement of changes in net assets available for benefits.

Note 3 – Fair value measurements (continued)

The following tables set forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Fair Value	Fair Value Measurements Using: Quoted Price in Active Markets (Level 1)
December 31, 2021		
Mutual funds	$ 16,960,294	$ 16,960,294

Self-direct brokerage account	48,122	48,122
Total investments at fair value	$ 14,463,486	$ 14,463,486

Note 4 – Information prepared and certified by Custodian

The following is a summary of the information included in the accompanying financial statements and supplemental information, which was prepared by or derived from information prepared and furnished to the Plan Administrator by the Custodian, Reliance Trust Company, at December 31, 2021 and 2020 and for the year ended December 31, 2021. The Plan Administrator has obtained certification from the Custodian that such information is complete and accurate.

	2021	2020
Cash	$ 27,506	$ -
Investments at fair value:		
Mutual funds	16,960,294	14,415,364

Total investments at fair value	17,040,035	14,463,486
Investments at contract value:

Notes receivable from participants	145,240	154,010
Total investments certified by Custodian	$ 17,802,046	$ 15,536,127

	2021
Investment income:	
Net appreciation in fair value of investments	$ 1,733,894
Interest and dividends on investments	274,497
Interest on notes receivable	7,014
Total investment income	$ 2,015,405

Note 5 – Fully benefit-responsive guaranteed investment contract

The Plan has a fully benefit-responsive investment annuity contract (Guaranteed Interest Fund) with Transamerica Life Insurance Company ("Transamerica"). Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The contract is included in the financial statements at contract value, which approximates fair value, as reported to the Plan by Transamerica. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a semi-annual basis for resetting.

The contract value of Guaranteed Interest Fund at December 31, 2021 and 2020 was $616,771 and $918,631, respectively.

Certain events limit the Plan's ability to transact at contract value with Transamerica. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the Plan participants are probable of occurring.

The guaranteed investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity.

Note 6 – Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate or amend the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contribution accounts.

Note 7 – Income tax status

The Company is using a Volume Submitter Plan provided by Transamerica Retirement Solutions Corporation which received a favorable opinion letter on March 31, 2014. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's annual return/report of employee benefit plan for the past three years are subject to examination by tax authorities, and may change upon examination.

Note 8 – Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 – Related party and party-in-interest transactions

Certain Plan investments were shares of mutual funds managed by Transamerica Life Insurance Company, the recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the recordkeeping services amounted to $45,720 for the year ended December 31, 2021.

Note 10 – Prohibited transactions

Participant contributions of $217 were withheld from participants' pay during 2020, but were not remitted to the Plan's trust within the time required by the Department of Labor. Lost earnings of $8 on participant contributions were based on interest rates determined by the Internal Revenue Code and remitted to the Plan's trust in 2021.
