INDEPENDENT AUDITORS' REPORT

Plan Administrator
Hansen-Mueller Co. 401(k) Retirement Plan
Omaha, Nebraska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Hansen-Mueller Co. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after August 31, 2022.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Information Required by ERISA

The supplementary information as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2021 and 2020

1. Plan Description

The following brief description of the Hansen-Mueller Co. 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established to provide post-retirement benefits for the employees of Hansen-Mueller Co. and Subsidiary (the Company). The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees are eligible to make pre-tax and designated Roth after-tax salary reduction contributions and receive safe harbor matching and discretionary matching and profit-sharing contributions after attaining age 21 and completing six months of service. To receive discretionary profit-sharing contributions, eligible employees must be employed on the last day of the Plan year and complete 1,000 hours of service during the plan year. Eligible employees become participants on the first day of the Plan quarter immediately following the date on which entry requirements were fulfilled for pre-tax salary and designated Roth after-tax contributions and employer contributions.

Contributions

Participants may make voluntary salary deferral and designated Roth after-tax contributions up to the maximum dollar limits allowable by law. Participants may also contribute amounts representing distributions from other qualified plans. The Plan is a "safe harbor 401(k) plan," whereby the Company makes safe harbor contributions of 100% of the participant's elected salary deferral up to 4% of the participant's eligible compensation for the Plan year. The Company also may make discretionary matching contributions (40% of the participant's deferral with a maximum of \$320 in 2021 and 2020), up to 6% of eligible compensation, and discretionary profit sharing contributions (1% and 0% of eligible compensation in 2021 and 2020, respectively). Participants who are eligible to make salary deferral and designated Roth after-tax contributions and who are projected to attain age 50 before the close of the calendar year shall be eligible to make catch-up contributions. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of a) the Company's safe harbor contribution, b) the Company's discretionary matching contribution, c) the Company's discretionary profit-sharing contribution and d) Plan earnings or losses. The Company's safe harbor and discretionary matching contributions are allocated among participants based on each participant's elected salary deferral. The Company's discretionary profit-sharing contributions are allocated among participants based on each participant's eligible compensation. Plan earnings or losses are allocated on the basis of actual results of the investments selected by each participant. Investments are maintained in individual member accounts managed by Reliance Trust Company.

Hansen-Mueller Co. 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2021 and 2020

Vesting

Participants are vested immediately in their contributions, the Company's safe harbor and discretionary matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contributions is based on years of service. A participant is 20% vested after one year of credited service and vesting increases 20% per year until a participant is 100% vested after five years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at the Wall Street Journal prime rate plus 1%. Principal and interest are paid through payroll deductions.

As a result of the Coronavirus Aid, Relief and Economic Security (CARES) Act, signed on March 27, 2020, the Plan allowed participants to borrow from their accounts up to \$100,000 or 100% of their vested account balance through September 2020. Repayments from any new or existing note receivable from participants may be delayed up to one year.

Payment of Benefits

Upon termination, retirement, disability, or death, the participant or beneficiary may elect to receive either a lump sum, installment, or annuity payments equal to the value of the vested funds allocated to the participant's account. The Plan requires distribution payments between \$1,000 and \$5,000 be directly rolled over to an individual retirement account designated by the plan administrator in the event the participant does not elect otherwise. Distributions under \$1,000 will be paid out to the participant in the event the participant does not elect a payout option. If a participant's balance is less than \$1,000 the balance may only be distributed to the participant in a single lump-sum payment. Benefits are recorded when paid.

As a result of the Coronavirus Aid, Relief and Economic Security (CARES) Act, signed on March 27, 2020, the Plan allowed early withdrawals for participants directly impacted by coronavirus. The 10% IRS penalty was waived for up to \$100,000 for early withdrawals by participants directly impacted by coronavirus through December 2020.

Forfeitures

Upon a participant's termination of employment before normal retirement, disability or death, the portion of their Company contributions not then vested shall be forfeited. The forfeited portion of any participant's account will be used to reduce future Company contributions or plan expenses. As of December 31, 2021 and 2020, there were \$813 and \$2,297 forfeited non-vested accounts available, respectively, of which all amounts were used to reduce to calculated employer contribution receivable at December 31, 2021 and 2020.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements is set forth below.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis and in conformity with accounting principles generally accepted in the United States of America.

Presentation of Participant-Directed Funds

The Plan's presentation of participant-directed investments is in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 962, Plan Accounting – Defined Contribution Pension Plans.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an investment in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Hansen-Mueller Co. 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2021 and 2020

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Other

Certain administrative expenses are paid by the Plan and recorded in administrative expenses. Other certain expenses specifically incurred by or attributable to individual participants are paid from the applicable participants' accounts. Investment related expenses are included in net appreciation in fair value of investments. Audit fees are paid by the Company and are excluded from these financial statements.

Subsequent Events

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are available to be issued and may require potential recognition or disclosure in the financial statements. Management has considered such events or transactions through August 31, 2022, noting no items for disclosure.

3. Information Certified by Reliance Trust Company

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplementary information.

The following table presents the value of the participant-directed assets in this Plan that was certified by Reliance Trust Company at December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Investments at Fair Value	\$ 14,822,287	\$ 14,424,440
Notes Receivable from Participants	\$ 126,291	\$ 101,089

Hansen-Mueller Co. 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2021 and 2020

Reliance Trust Company also certified to the completeness and accuracy of the following related to the aforementioned investments for the years ended December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net Appreciation in Fair Value of Investments	\$ 542,774	\$ 1,287,339
Dividend Income from Investments	1,320,214	297,650
Net Investment Income	<u>\$ 1,862,988</u>	<u>\$ 1,584,989</u>
Interest Income on Notes Receivable from Participants	<u>\$ 4,743</u>	<u>\$ 7,007</u>

4. Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as at December 31, 2021 and 2020.

Hansen-Mueller Co. 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2021 and 2020

Mutual Funds: Valued at the daily closing price as reported by the investments. The investments held by this Plan are open-ended investments that are registered with the Securities and Exchange Commission. These investments are required to publish their daily net asset value and to transact at that price. The investments held by the Plan are deemed to be actively traded.

Stable Value Fund: Valued at the NAV based on the market value of its underlying investments, FASB ASC 820, Fair Value Measurement, allows NAV per share to serve as a practical expedient to estimate the fair value as long as certain requirements are met. It is the Plan's assessment that this fund meets those requirements. Since the participants have the ability to redeem the fund at NAV as of the measurement date on a daily basis.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 12,786,353	\$ -	\$ -	\$ 12,786,353
Stable Value Fund*	-	-	-	2,035,934
Total Investments at Fair Value	<u>\$ 12,786,353</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,822,287</u>

The following table presents by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 12,127,868	\$ -	\$ -	\$ 12,127,868
Stable Value Fund*	-	-	-	2,296,572
Total Investments at Fair Value	<u>\$ 12,127,868</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,424,440</u>

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

Hansen-Mueller Co. 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2021 and 2020

The following table summarized investments measured based on the NAV per share as of December 31, 2021 and 2020:

December 31, 2021	Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Fund	\$ 2,035,934	None	Daily	1 Day

December 31, 2020	Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Fund	\$ 2,296,572	None	Daily	1 Day

5. Tax Status

The Plan is qualified as a profit-sharing plan under Section 401(a) of the Internal Revenue Code and is exempt from federal income taxation under Section 501(a) of the Internal Revenue Code of 1986, as amended.

The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authority. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for year prior to 2018.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed as soon as practicable after the termination date.
