INDEPENDENT AUDITORS' REPORT

The Administrative Committee
Crescent River Port Pilots' Association
401(k) Retirement Plan

Opinion

We have audited the accompanying financial statements of Crescent River Port Pilots' Association 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Crescent River Port Pilots' Association 401(k) Retirement Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism through the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CRESCENT RIVER PORT PILOTS' ASSOCIATION
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Crescent River Port Pilots' Association (the Association) 401(k) Retirement Plan (the Plan) have been prepared on the accrual method of accounting; however, benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments in mutual funds and money market funds are stated at fair value based on the closing net asset value of shares held by the Plan at year-end. Certain collective investment trust funds are stated at fair value based on a published price provided by the trust sponsor. The investment in the Fidelity Managed Income Portfolio (MIP) Class 2 is stated at fair value using the calculated net asset value per share as a practical expedient. Investments in common stocks/ETFs are valued at the last reported sales price on the last business day of the year. U.S. government and agency securities are valued at the mean of the bid and ask prices on the last business day of the year.

Investment transactions, including participant revenue credits, are recorded on a trade-date basis. Interest income is recorded on the accrual basis and is recognized when earned. Dividend income is accrued on the ex-dividend date. Realized gains and losses from investment transactions are reported on the average cost method. Net appreciation or depreciation in fair value of investments includes realized gains and losses and unrealized appreciation and depreciation of investments.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. Actual results may differ from these estimates.

Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair Value Measurements (Continued)

The fair value measurement accounting literature establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The three levels of the hierarchy are described below:

Level 1 - Quoted prices in active markets for identical securities.

Level 2 - Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.).

Level 3 - Significant unobservable inputs.

The asset's or liability's fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Cash and cash equivalents: Interest bearing money market accounts.

U. S. Government and agency issues: Quoted price in active market.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common stocks / ETFs: Quoted closing price from a national securities exchange.

Collective investment trusts: The primary objective of a collective investment trust (CIT) is to utilize economics of scale, to lower costs with a combination of profit-sharing pools. The Plan's CITs are investment vehicles that bear many similarities to a mutual fund, but are not subject to the Investment Company Act of 1940 as they are unregistered investment vehicles and are sponsored by banks or trust companies. CITs have fewer trading issues as CITs are only managed for those specific plans and are not available to the general public. While unregistered, collective trusts are not unregulated; in the U.S., collective trusts are supervised by the Office of the Comptroller of the Currency and the applicable state banking authority. The Plan's CITs are valued at fair value based on the published price provided by the CIT's sponsor.

Fair Value Measurements (Continued)

Common Collective Trust Fund (Managed Income Portfolio II): The Plan's common collective trust fund is valued at the NAV of units in the collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. Participant transactions (purchases and sales) may occur daily. In the event that the Plan initiates a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawals from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 2 - DESCRIPTION OF PLAN

Significant provisions of the Plan are described in the following pages. A complete description of the Plan's provisions is provided in the Plan agreement.

General

The Plan sponsor is Crescent River Port Pilots' Association. The Plan is a defined contribution plan covering all full-time employees and elective member pilots of the Association who have completed one year of service and are 18 years or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Effective January 1, 2006, the Plan was amended to remove the participants' ability to borrow against their account balance beginning on January 1, 2007. Effective January 1, 2011, the Plan was amended to comply with the Economic Growth and Tax Relief Reconciliation Act of 2001 as required by the Internal Revenue Service in order for the Plan to retain its tax-qualified status.

Contributions

Each year participants may contribute to the Plan up to 60% of their eligible compensation, as defined in the Plan agreement, subject to certain limitations provided by federal income tax regulations. Effective November 1, 2010, participants are able to make Roth 401(k) contributions. These contributions must be aggregated with a participant's non-Roth 401(k) contributions when applying the IRC limit on the amount of pre-tax contributions that are permitted for a year. The Plan does permit participant rollover contributions.

Effective January 1, 1999, the Plan was amended to provide for a safe harbor contribution to be made by the Association, as employer, on behalf of all non-highly compensated employees who participate in the Plan. This contribution is equal to 5.84% of the participant's eligible compensation and satisfies certain requirements of the Internal Revenue Code of 1986, as amended, (IRC), which eliminates the need for the Plan to perform certain nondiscrimination tests. No allowance is necessary for contributions receivable at December 31, 2021 and 2020, as management considers the entire amount collectible.

Participants can direct contributions to core mutual funds, money market funds, common/collective trust funds, certificates of deposit, and U.S. Government/Agency issues through the BrokerageLink option.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Participants are also fully vested in the employer's contributions; however, these contributions may only be withdrawn in the event of hardship, death, disability, retirement, direct rollover or termination of employment.

Payment of Benefits

Participants are entitled to distribution of benefits from the Plan in the event of hardship, death, disability, retirement, direct rollover or termination of employment. A participant may elect to receive distributions in either a lump-sum amount or in installments. For participants with account balances less than \$5,000, distributions may only be made in a lump-sum amount.

Amounts allocated to withdrawing participants that have terminated the Plan as of December 31, 2021 and 2020, but have not been paid as of year-end amounted to \$114,530 and \$0, respectively.

Reclassifications

Certain 2020 balances have been reclassified to conform to the 2021 presentation.

NOTE 3 - PARTICIPANT REVENUE CREDITS

Beginning in February 2015, the trustee funded and allocated to eligible participants a participant revenue credit in the amount of \$12,500 quarterly (\$50,000 annually). Effective July 1, 2017, the participant revenue credit was increased to \$17,500 quarterly (\$70,000 annually). Effective October 1, 2018, the participant revenue credit was changed from a flat amount to a calculation based on eligible Fidelity managed funds.

Participant revenue credits are allocated to eligible participant accounts as soon as administratively feasible (generally within 15 business days) after a quarterly recordkeeping invoice reflecting such credit has been issued and sent. Allocations are made pro rata based on eligible participant account balances. Participant revenue credits arise directly or indirectly from the Plan's investment in certain mutual funds and are not treated as contributions to the Plan. In no event do participants have any rights to a participant revenue credit until the credit is allocated and credited to the participant's account. The participants received \$71,682 and \$139,066 in revenue credits during the years ended December 31, 2021 and 2020, respectfully.

NOTE 4 - FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE

The Plan's investment in the Fidelity Managed Income Portfolio (MIP) Class 2 units are valued at the NAV, as a practical expedient. MIP units are issued and redeemed daily at the MIP Fund's (the Fund) constant net asset value of \$1 per unit. The Fund's investment objective is stability of principal, while earning a level of interest income that is consistent with principal preservation. The Fund pursues this investment objective by investing in synthetic guaranteed investment contracts (GICs), fixed income securities, money market mutual funds, and other stable value products that can be carried at contract value. It is the policy of the MIP Fund to use its best efforts to maintain a stable net asset value of \$1 per unit; although there is no guarantee that the MIP Fund will be able to maintain this value. The MIP Fund's trust agreement provides that withdrawals for purposes other than normal benefit payments, direct transfers or paying trustee fees may require advance notice of up to twelve months. In certain circumstances, the amount withdrawn from the MIP Fund would be payable at fair value rather than at contract value. These circumstances may include, but are not limited to, the following: layoffs, early retirement windows, spin-offs, sale of a division, facility closings, plan termination, etc. At December 31, 2021, Plan management does not believe these events are probable.

The following tables set forth additional disclosures of the Plan's investment at fair value estimated using NAV, as a practical expedient:

<u>Investment</u>	<u>Fair Value</u> <u>December 31,</u>		<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
	<u>2021</u>	<u>2020</u>			
Fidelity MIP 2	\$4,897,725	\$3,714,379	N/A	Daily	1

(1) Plan withdrawals made in order to accommodate distribution to participants whether in-service or following termination of employment may be made on any business day.

NOTE 5 - TRUST FUND

Under terms of an agreement between Fidelity Management Trust Company (Fidelity) and the Association, Fidelity serves as trustee of a trust fund on behalf of the Plan. Fidelity was granted authority, subject to appropriate written instructions, to operate the trust fund on a day-to-day basis.

The assets and changes therein of the trust fund have been reported to the Plan by Fidelity as having been determined through the use of quoted market values. The record-keeping services of the Plan are provided by Fidelity Workplace Services, L.L.C. in its capacity as agent for Fidelity, under the terms of the agreement between Fidelity and the Association.

NOTE 6 - INVESTMENTS

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$20,058,223.

During 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$27,522,851.

NOTE 7 - ADMINISTRATIVE EXPENSES

The Plan incurred expenses of \$37,235 and \$19,895 in 2021 and 2020, respectively. Expenses related to the record-keeper and trustee services provided by Fidelity are paid by the Plan. Certain administrative expenses incurred are charged to the applicable participant. All other expenses related to the Plan were paid by the Plan sponsor.

NOTE 8 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds, money market funds, and a common/collective trust fund managed by affiliates of Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Association has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 10 - TAX STATUS

The Internal Revenue Service has determined and informed the Association by a letter dated June 22, 2011, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the favorable determination, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements; therefore, the Plan was qualified and the related trust was tax-exempt under IRC Section 401(a) and 501(c), respectively, as of December 31, 2021 and 2020.

The Plan recognizes the tax benefit from uncertain tax positions only if it is "more likely than not" the tax position will be sustained on examination by the taxing authorities. As Plan management's assessment of such tax positions change, the change will be recorded in the period in which the determination is made. No adjustments were required for the year ended December 31, 2021.

NOTE 10 - TAX STATUS – Continued

The Plan's Form 5500 for the years ended December 31, 2018, 2019 and 2020 remain subject to examination by the taxing authorities. The 2021 Form 5500 has not yet been filed.

NOTE 11 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan invests in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by sub-prime mortgage loans. The value, liquidity, and related income of those securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

NOTE 12 - CARES ACT

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act allows retirement plans to provide participants who are impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings. As permitted by the CARES Act, the Plan opted in to implement the following provisions:

Through December 31, 2020, qualified individuals were permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distribution was not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate. Participants who took a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. Required minimum distributions for calendar year 2020 were waived for retired and retirement-aged individuals.

Plans could voluntarily adopt these provisions by placing them in operation without amending the plan as long as the plan management makes the required amendments to plan documents before the last day of the first plan year beginning on or after January 1, 2022. Plan management has not yet amended the plan document as of December 31, 2021.

NOTE 13 – RECONCILIATION TO FORM 5500

Additions per the statement of changes in net assets available for benefits total \$35,252,495, and total revenues per the Form 5500 total \$35,180,813. The difference of \$71,682 is due to participant revenue credits being presented as an addition in the statement versus an expense in the Form 5500. The same variance is present in total deductions per the statement of changes in net assets available for benefits versus the total expenses per the Form 5500. There is no difference in net assets available for benefits at December 31, 2021 per the statement and the Form 5500.

NOTE 14 - SUBSEQUENT EVENTS

The Association has evaluated subsequent events through the date the financial statements were available to be issued, which corresponds with the date of the independent auditors' report. No material subsequent events have occurred since December 31, 2021 that required recognition or disclosure in these financial statements.

Signing the Form 5500

The Department of Labor ("DOL") now requires all Forms 5500 to be filed and signed electronically using filing/signing credentials obtained from the DOL. If you wish to authorize us to sign on your behalf, please sign the authorization below. Alternatively, you may wish to obtain your own signing credentials; if so, skip the following section, and please contact us if you need assistance in obtaining your DOL credentials.

Authorization to Electronically Sign and File Form 5500 Series Annual Return/Report

I, plan administrator for the Crescent River Port Pilots' Association 401(k) Retirement Plan (the "Plan"), hereby authorize Alexander M. Olsen, Esq., of The Wagner Law Group, P.C., to electronically sign and file the Plan's 2021 Form 5500 series annual return/report on my behalf.

I understand the following:

1. Once The Wagner Law Group finalizes the Form 5500 series annual return/report, and prior to filing, Mr. Olsen will send me a complete copy for my review and approval.
2. Once I have reviewed and approved the filing, I will sign and date a paper copy, and will provide a copy of the signed form to Mr. Olsen. My signature and the return of the executed form to Mr. Olsen will constitute my final approval for Mr. Olsen to sign and file the form on my behalf.
3. Mr. Olsen will include an image of my manual signature with the electronically filed form, and this image will be posted by the Department of Labor on the internet for public disclosure.
4. As plan administrator, I am solely responsible for any information contained in the Plan's Form 5500 series return/report.

Signed: 

Printed Name: E. Michael Bopp

Title: President
