# INDEPENDENT AUDITOR'S REPORT

Participants and Trustee
Investment Concepts 401K Plan

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Investment Concepts 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for plan benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Investment Concepts 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amount and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Investment Concepts 401K Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Investment Concepts 401K Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Investment Concepts 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Investment Concepts 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The Supplemental Schedule of Assets Held for Investment Purposes as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally

accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) PLAN

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2021 and 2020

## NOTE 1: DESCRIPTION OF THE PLAN

Effective September 1, 1993, Investment Concepts, Inc. (the "Company") adopted a 401(K) profit sharing plan currently known as the Investment Concepts, Inc. 401(k) Plan (the "Plan"). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### *General*

The Plan is a defined contribution plan covering any employee who has attained age 21 and completed twelve months and 1,000 hours of service. The Company and the Plan trustees administer the Plan. Empower Retirement, LLC acts as the recordkeeper and Great-West Trust Company ("Great-West") acts as the custodian of the Plan. Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company ("Great-West Life") have certified that the information it has provided, including investments, net appreciation in fair value of investments, dividends, interest, and other transactions during 2021 and 2020 is complete and accurate.

The Plan is designed to comply with Section 401(a) of the Internal Revenue Code as a defined contribution Plan and its incorporated Trust is intended to qualify as a tax-exempt trust under Section 501(a) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

### *Contributions*

Each participant in the Plan may contribute a maximum of $19,500 for the year ended December 31, 2021 and 2020 ($26,000 for participants age 50 and over), but not greater than the amount of yearly compensation. Additionally, the Company may make additional discretionary contributions to the plan. Discretionary contributions of $20,362 and $27,933 were made in 2021 and 2020, respectively.

### *Participant Accounts*

Each participant's account is credited with the participant's contribution and allocations of a) the Company contribution and, b) plan earnings, and charged with an allocation of certain expenses. Allocations are based on account balances.

**NOTES TO FINANCIAL STATEMENTS** (Continued)

December 31, 2021 and 2020

## NOTE 1: DESCRIPTION OF THE PLAN (continued)

### *Vesting*

Participants are immediately vested in their contributions and related earnings thereon. Vesting in the Company's matching contributions, and discretionary contributions, when applicable, is based on years of service. A year of service is defined as 1,000 hours worked during the plan year. Participant accounts become 100% vested upon normal retirement, disability, or death of the active participant. The following schedule describes the vesting percentages for participants:

| Years of Service | Vested Benefit Percentage |
|---|---|
| Less than 2 | 0 % |
| 2 | 20 % |
| 3 | 40 % |
| 4 | 60 % |
| 5 | 80 % |
| 6 | 100 % |

### *Notes Receivable from Participants*

Participants may borrow a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is lower. Interest is 1% over the Prime Rate published in the Wall Street Journal. Loans will be for a period not to exceed 5 years unless the loan is used for the purchase of a principal residence in which case it may be repaid over a period deemed reasonable at time of loan approval. At December 31, 2021 there were loans outstanding with interest rates ranging from 4.25% to 5.00% during the year. Participant loans in the amount of $13,103 at December 31, 2021 and $7,973 at December 31, 2020 are included in the accompanying financial statements under the caption "Notes receivable."

Notes receivables from participants are measured at their unpaid principle balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

## NOTE 1: DESCRIPTION OF THE PLAN (continued)

### *Payment of Benefits*

Upon termination of service before the normal retirement age of 65, a participant with benefits of over $5,000 may elect to defer distribution until normal retirement age or receive a lump sum payment equal to the vested share of the participant's account.

Upon termination of service at the normal retirement age, benefits are available based on the vested share of the participant's accounts. Benefits can also be accessed in the event of disability or death.

Additionally, the Plan allows participants to make early withdrawals for certain financial hardships. The Plan allows one withdrawal by participants in any twelve-month period. Participants electing after they reach age 59 ½ to take withdrawals will be required to pay applicable taxes on the withdrawals but will not be subject to penalty taxes for early withdrawals.

### *Forfeitures*

Forfeitures of nonvested Plan assets are used to reduce Company discretionary contributions and/or pay the costs of administering the Plan. For the years ending December 31, 2021 and 2020 forfeitures amounted to $5,763 and $3,121, respectively.

Also, in 2021 and 2020, forfeiture amounts of $3,141 and $1,871, respectively, were applied to employer match contributions. The remaining balance in forfeited nonvested accounts, including earnings, at December 31, 2021 and 2020 was $5,783 and $3,141, respectively.

## NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *CARES Act*

In March 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law. The Plan adopted certain provisions allowed under the CARES Act. The provisions allowed qualified individuals, regardless of age, access to coronavirus-related distributions of up to $100,000 before December 31, 2020, and waived the 10% penalty tax for early withdrawals. In addition, distributions for impacted participants are considered taxable income over a three-year period, unless the participant elects to have it taxed in full in the year of distribution.

The provisions also increased the loan limit for coronavirus-related loans to $100,000 and loan repayments impacted by the coronavirus due from March 27, 2020 through December 31, 2020 may be delayed for one year.

**NOTES TO FINANCIAL STATEMENTS** (Continued)

December 31, 2021 and 2020

## NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

### *Payment of Benefits*

Benefits are reported when paid.

### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosures. Accordingly, actual results may differ from those estimates.

### *Investment Valuation and Income Recognition*

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Interest is recorded on the accrual basis and is included in the investment value. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

## NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### *Contributions*

Contributions include all participant elective and employer-matching contributions accrued through year-end. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants.

### *Amounts Due Terminated Participants*

Amounts due to terminated participants, if any, are included in net assets available for plan benefits.

### *Administrative Expenses*

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative and other expenses are recorded as incurred.

### *Notes Receivable from Participants*

Principal and interest payments are made through payroll deductions. Loans that are considered uncollectible are treated as deemed distributions and therefore there is no allowance for uncollectible loans.

### *Subsequent Events*

Subsequent events were evaluated through September 9, 2022, which is the date the financial statements were available to be issued.

## NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

**NOTE 3: FAIR VALUE MEASUREMENTS** (continued)

| | Assets at Fair Value 2021 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | $1,257,251 | - | - | $1,257,251 |
| Total investments at fair value | $1,257,251 | - | - | $1,257,251 |

| | Assets at Fair Value 2020 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | $1,321,283 | - | - | $1,321,283 |
| Total investments at fair value | $1,321,283 | - | - | $1,321,283 |

***Transfers between levels***

For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

**NOTE 4: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**

In 2012, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Great-West Life. Great-West Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

## NOTE 4: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Great-West Life, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020, was $44,146 and $217,986, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The average yield earned by the plan for the years ended December 31, 2021 and 2020 was 0.90% and 1.04%, respectively.

Certain events limit the Plan's ability to transact at contract value with Great-West Life. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

## NOTE 5: PLAN TERMINATION

Although the Company has not expressed an interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

## NOTE 6: TAX STATUS

The trust established under the Plan to hold the Plan's assets is designed to qualify pursuant to Section 501(a) for the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. As a Regional Prototype, the Plan has adopted a standardized 401(k) plan approved by the Internal Revenue Service in its letter dated December 5, 2001, and approval of subsequent Plan amendments on June 30, 2020.

## NOTE 7: RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO FORM 5500

The annual returns (Forms 5500) for 2021 and 2020 were prepared on the modified cash basis. Contributions receivable of $23,505 and $29,804 in 2021 and 2020, respectively, were recognized when deposited rather than when receivable. As a result of the difference in recognition, employer and participant contributions were $6,299 lower in 2021 and $6,521 higher in 2020 on the financial statements than on the Schedule H of Form 5500. The financial statements also list receivables from the Plan Sponsor of $23,505 and $29,804 in 2021 and 2020, respectively, which are not listed on Form 5500. In addition, the net assets presented in these financial statements at the end of the plan years exceeded the net assets presented on the Plan's Form 5500 by $23,505 in 2021 and $29,804 in 2020.

| December 31, 2021 | Form 5500 | Contributions Receivable | Financial Statements |
|---|---|---|---|
| Net Assets | $ 1,308,999 | $ 23,505 | $ 1,332,504 |
| Total | $ 1,308,999 | $ 23,505 | $ 1,332,504 |

| December 31, 2020 | Form 5500 | Contributions Receivable | Financial Statements |
|---|---|---|---|
| Net Assets | $ 1,542,100 | $ 29,804 | $ 1,571,904 |

## NOTE 8: RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Great-West Trust Company. Great-West Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $6,579 and $5,925 for the years ended December 31, 2021 and December 31, 2020. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

## NOTE 9: RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks such as interest rate, market and credit. Due to the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in the various risk factors, in the near term could materially affect investment balances and the amount reported in the financial statements. Additionally, many mutual funds invest in securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S, companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than similar types of securities of comparable U.S. companies.

Beginning early 2020, domestic and international economies began to face uncertainties related to the impact of the COVID-19 pandemic. Investment funds may be adversely affected in their performance by the resulting economic downturn.

## NOTE 10: CORRECTIVE DISTRIBUTIONS

Non-discrimination testing is performed annually to ensure that employee deferrals or employer match contributions made during the plan year do not discriminate in favor of the highly compensated employees. The current year non-highly compensated employees' average deferral rate was compared to the current year highly compensated employees' average deferral rate to determine the test results. During the years ended December 31, 2021 and 2020, the Plan failed this test and returned excess contributions plus any applicable gain/loss to highly compensated employees. For the year ended December 31, 2021, amounts payable to participants totaling $5,441 for contributions in excess of amounts allowed by the IRS are recorded as a liability and are included in corrective distributions in the accompanying financial statements. In addition, excess contributions were paid in the amount of $5,142 paid in 2021 for 2020 excess, and $11,866 paid in 2020 for 2019.
