INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Sound Publishing, Inc. 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Sound Publishing, Inc. 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sound Publishing, Inc. 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sound Publishing, Inc. 401(k) Plan and Trust's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sound Publishing, Inc. 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sound Publishing, Inc. 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Sound Publishing, Inc. 401(k) Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated September 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

December 31, 2021 and 2020

NOTE 1 – ORGANIZATION AND DESCRIPTION OF PLAN

The provisions of the Sound Publishing, Inc. 401(k) Plan and Trust (the Plan) were effective May 1, 1994. The Plan has been amended and restated to comply with current legislation. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Sound Publishing, Inc. (the Company). Employees who are 18 or older and have completed 250 hours within a three-month consecutive period are eligible to make deferral contributions and receive matching contributions. Eligible employees may enroll in the Plan on a monthly basis. Employees must work 1,000 hours and be employed on the last day of the Plan year to receive any discretionary non-elective employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's 401(k) Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

The Plan provides for automatic enrollment of newly eligible employees at a salary reduction rate of 2%. Participants may elect to contribute up to 100% of their pre-tax or after-tax eligible compensation, as defined in the Plan document, within statutory limits. Participants may elect to change or stop the payroll deductions at any time. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Company may make discretionary matching contributions. For 2021, the Company elected to make matching contributions equal to 50% of the first 4% of eligible compensation that a participant contributed to the Plan.

Participant deferrals and employer matching contributions are paid to the Plan after each pay period and placed in participant directed investments.

The Company may also make discretionary non-elective contribution. No non-elective contribution was authorized in 2021.

Participant Accounts

Individual participant accounts are maintained by Empower Retirement, the Plan's record keeper. Each account is credited or charged with the participant's contribution, allocations of the Company's contributions, if any, and allocations of investment income and losses on the individual account balances. Loan and distribution fees are deducted from the respective participants' accounts. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – ORGANIZATION AND DESCRIPTION OF PLAN (continued)

Investment Options

Participants may direct their contributions and Company contributions among various mutual funds and a collective trust fund held by Great-West Trust Company, LLC, and a guaranteed investment contract held by Great-West Life & Annuity Insurance Company (collectively referred to as "Great-West").

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and non-elective contributions plus earnings is based on years of credited service, as defined in the Plan document, with 20% vesting each year, and 100% vesting after five years of service. Upon normal retirement, death, or disability, participants become fully invested in all benefits.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000, up to the lesser of \$50,000 or 50% of their vested account balance. Terms of the notes receivable may not exceed five years, except for the purchase of a primary residence. The notes receivable from participants are secured by the balance in the participant's account and bear interest at the prime rate plus 1% at the time of issuance. Interest rates ranged from 4.25% to 6.50% on notes receivables from participants outstanding as of December 31, 2021. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Benefits may be distributed upon retirement, death, disability, or other termination of employment. Benefits equal to the value of the participant's vested account may be paid in a lump-sum or installments depending on certain factors as described in the Plan document and at the participant's election. Under certain hardship circumstances or attainment of age 59 ½, participants may request a distribution of certain vested account balances prior to retirement.

Forfeited Accounts

Upon termination, participants' non-vested account balances are forfeited. Forfeitures may be used to pay administrative expenses or reduce employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$18 and \$0, respectively. During 2021, forfeitures of \$13,241 were used to reduce employer matching contributions.

Subsequent Events

The Plan has evaluated subsequent events through August 24, 2022, the date the financial statements were available to be issued.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies used by the Plan:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value (Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus accrued but unpaid interest, if any. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If an active participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant is taxed as if the benefit payment has been made. When a participant terminates employment and withdraws their account balance, the loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees for individual transactions such as distributions and loans are deducted from the respective participant's account. Investment related expenses, and revenue sharing fees or credits, are included in net appreciation or depreciation in fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Collective trust funds – Valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021:			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,268,469	\$ -	\$ -	\$ 12,268,469
Total assets in the fair value hierarchy	12,268,469	-	-	12,268,469
Investments measured at net asset value (collective trust fund)				316,004
Investments at fair value	\$ 12,268,469	\$ -	\$ -	\$ 12,584,473

	Assets at Fair Value as of December 31, 2020:			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,307,237	\$ -	\$ -	\$ 11,307,237
Total assets in the fair value hierarchy	11,307,237	-	-	11,307,237
Investments measured at net asset value (collective trust fund)				252,428
Investments at fair value	\$ 11,307,237	\$ -	\$ -	\$ 11,559,665

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)**Investments Measured Using the Net Asset Value per Share Practical Expedient**

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

December 31, 2021				
	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Collective trust	\$ 316,004	None	Daily	None
December 31, 2020				
	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Collective trust	\$ 252,428	None	Daily	None

NOTE 4 – GUARANTEED INTEREST FUND WITH INSURANCE COMPANY

The Plan holds a traditional fully benefit-responsive investment contract (key guaranteed portfolio fund) with Great-West Life & Annuity Insurance Company. This investment is reported at contract value. Contract value is the relevant measure for insurance contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the insurance company traditional general account investment contract is \$751,628 and \$844,048 at December 31, 2021 and 2020, respectively.

The contract issuer maintains the contributions in its general account, and is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is established by the contract issuer and may not be less than zero. The crediting rate is reviewed on a quarterly basis for resetting. The contract permits the insurance company or the Plan to terminate the agreement with at least 60 days advance written notice prior to the scheduled maturity date. Premature termination of the entire contract (including Plan termination) may result in a contract termination charge.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 5 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants that is disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company, the custodians of the Plan.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great-West and affiliates. Therefore, transactions with Great-West and affiliates qualify as party-in-interest transactions. Fees are paid by the Plan to these parties for administrative services. Additionally, these affiliates collect revenue sharing from the Plan's investments to pay for administrative services.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participant accounts would become 100% vested.

NOTE 8 – TAX STATUS

The Plan operates under provisions of a Pre-Approved plan sponsored by its third-party administrator, which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which stated that the Pre-Approved plan, as then designed, was acceptable under the applicable sections Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan allows participants to invest in investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.
