Report on the Financial Statements

We have audited the accompanying Statements of Net Assets Available for Benefits of Kleinberg, Kaplan, Wolff & Cohen, P.C 401(k) Profit Sharing Plan as of December 31, 2021 and 2020 and the related Statements of Changes in Net Assets Available for Benefits for the years ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Kleinberg, Kaplan, Wolff & Cohen, P.C 401(k) Profit Sharing Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

A. Description of Plan

The following description of the Kleinberg, Kaplan, Wolff & Cohen, P.C. 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan is a defined contribution plan covering all full-time employees of Kleinberg, Kaplan, and Wolff & Cohen, P.C (the "Company"), who are age twenty and six months or older and have completed six months of service. The Plan is subject to the provisions of ERISA. An employee becomes a participant effective as of the first day of the plan year or the first day of the 7th month of the plan year coinciding with or next following the date the eligibility requirements were met. The Trustees are responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustees.
2. *Contributions.* Each year, participants of the Plan may elect to reduce their compensation by a specific percentage or dollar amount up to the annual limitation amount, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company contribution to the non-elective component shall be determined from time to time by the Company. Contribution to the non-elective component shall be allocated among all active participants as defined in the Plan. Participants may rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investments of their contributions into various investment options offered by the Plan.
3. *Participant Accounts.* Each participant's account is credited with the elective contribution and/or with the non-elective contribution, and allocation of Plan earnings, and charged with an allocation of expenses as appropriate. Allocations are based on participant earnings, account balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be derived from the participant's vested account.
4. *Vesting.* Participants in the elective deferred component are vested immediately in their contributions plus actual earnings thereon. Vesting in the non-elective contribution portion, plus earnings thereon, is based on six years of credited service. A participant starts vesting after two years of service to the Company and is 100 percent vested after six years of credited service.

5. *Notes Receivables from Participants.* A participant may not borrow more than the participant's vested interest in the Plan. Loans are secured by the balance in the participant's account and shall be charged an interest rate equal to 1% above the prime rate. Principal and interest is generally repaid in full or ratably through payroll deductions.
6. *Payment of Benefits.* On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution.
7. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$ 40,602 and \$30,834 respectively. These accounts will be used to reduce future employer contributions. In 2021, employer contributions were reduced by \$ 40,602 from the forfeited nonvested accounts.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair market value. Published quoted market prices and/or fair market value calculations are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan. For a security or asset that is not listed on an established exchange, the Trustee, the Administrator (if the Trustee is a directed Trustee), may appraise such assets himself (assuming he has the appropriate expertise) or in his discretion, rely on one or more third party appraisers for that purpose and rely on the values established by such appraiser(s). Participant loans are valued at their outstanding balance, which approximate fair value.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

D. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their account balances.

E. Tax Status

The Company has adopted a non-standardized pre-approved plan document that received an Internal Revenue Service ("IRS") opinion letter dated November 30, 2020, in which the IRS stated that this non-standardized pre-approved plan was qualified under the appropriate sections of the IRC. An employer adopting this non-standardized pre-approved plan is considered to have a Plan qualified under Section 401 (a) of the IRC. Once qualified, the plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan Administrator believes that currently the Plan is qualified. No provision for income taxes has been included in the financial statements since the Plan has no unrelated business income tax.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and NYS taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Risks and Uncertainties

The Plan is invested in various mutual funds and other investments. Investments are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

G. Exempt Party-In-Interest

The Plan's investments, including mutual funds and managed funds, are under the custodianship of Fidelity and Elliott International Limited. The Company sponsors the Plan. Sentinel Benefits Group LLC is the third-party administrator as defined by the Plan. Sentinel Pension Advisors, Inc. is the Plan investment advisor.
