Independent Auditor's Report

Plan Trustees and Plan Administrator
H. E. Rohrer, Inc. Profit Sharing and 401(k) Plan
Duncannon, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of H. E. Rohrer, Inc. Profit Sharing and 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of, and for the year then ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING AND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2021
(with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies:

The H. E. Rohrer, Inc. Profit Sharing and 401(k) Plan (the Plan) is a defined contribution plan. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The following description provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

During 2020, the novel coronavirus (COVID-19) pandemic sparked a global health and economic crisis. The impact resulting from the COVID-19 pandemic on the Plan is uncertain and will depend on future developments. In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law in March 2020. The CARES Act contains several provisions that temporarily impact retirement savings plans. These provisions were effective and operationalized appropriately, prior to amending the Plan. Written amendments to the Plan are pending and will be executed within the time frame required by law.

Eligibility:

The Plan covers all employees of H. E. Rohrer, Inc. and Rohrer Enterprises, Inc. (the Companies) who have attained the age of 21 years and have worked a minimum of 100 hours during the Plan year.

Contributions:

Each year, participants may contribute up to the maximum amount allowed by law of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans; the Companies may then, at the discretion of their boards of directors, make a matching contribution to each participant's account based on their elective deferrals in a percentage set prior to the end of each Plan year. In addition, the Companies may, at the discretion of their boards of directors, make a profit sharing contribution. The Companies elected to make a \$52,222 and \$46,101 matching contribution in 2021 and 2020, respectively. Participants direct the investment of their contributions into various investment options offered by the Plan through Reliance Trust Company.

Participant accounts:

Each participant's account is credited with the participant's contribution and the allocation of the Companies' contributions, if made, and Plan earnings. Each participant's account is charged with an allocation of Plan losses and certain administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies (continued):

Vesting:

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Companies' contribution portion of their accounts is based on years of continuous service as follows:

<u>Years of service</u>	<u>Vesting percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeitures:

Forfeitures from the nonvested portion of accounts are first to be used to reduce Plan expenses. If there are forfeitures left after reducing Plan expenses, the forfeitures are to be used to reduce discretionary employer matching and profit sharing contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$116 and \$477, respectively.

Notes receivable from participants:

Participants may borrow from their accounts a minimum of \$1,000 and a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate between 4.25% and 6.50%, which is commensurate with local prevailing rates as determined by the Plan administrator. Repayments of the loans are from 12 months to 60 months. A participant may have up to three loans outstanding at any time, but may not initiate more than two loans in one calendar year. Two loans may be for any reason, and the third can be for a principal residence loan amortized for a period greater than five years.

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2021
(with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies (continued):

Payment of benefits:

Upon termination of service, for vested balances exceeding \$5,000, a participant may elect to: (1) receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, (2) be paid in substantially equal installments or (3) partial withdrawals, provided the minimum withdrawal is \$1,000.

The Plan provides that if the participant terminates employment and the vested interest in the Plan does not exceed \$5,000, then a lump-sum distribution will be made to the participant. The participant may elect to roll over the distribution to another retirement plan or IRA. If the participant does not elect either to receive or to roll over the distribution, the distribution must be rolled over to an IRA.

Termination of Plan:

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, all participants would become 100% vested in all amounts credited to their accounts.

Basis of accounting:

The financial statements of the Plan are prepared under the accrual method of accounting.

Benefits to participants:

Benefits are charged to expense when paid.

Investment valuation:

Mutual funds are stated at fair value as determined by quoted market prices.

The Federated Capital Preservation Fund (the Fund), a common collective trust, which is composed primarily of fully benefit-responsive investment contracts, is valued at the net asset value (NAV) of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of its investment in the collective trust, the issuer of the Fund reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2021
(with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies (continued):

Investment valuation:

Investment gains and losses are recognized as they occur. Investment income is recorded on the accrual basis.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in fair value of investments, which consists of realized gains or losses and the unrealized appreciation on those investments.

Estimates:

The preparation of financial statements in accordance with generally accepted accounting principles (GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Reclassifications:

Certain reclassifications were made to the 2020 financial statement presentation to conform to the current year's format. Total net assets available for benefits are unchanged due to these reclassifications.

2. Certification of Plan assets and transactions:

The Plan's investments are held by Reliance Trust Company, the custodian of the Plan. Investment information and notes receivable from participants disclosed in the accompanying financial statements and schedule of assets held at end of year, specifically investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends from investments and interest earned on notes receivable from investments for the year ended December 31, 2021 was obtained or derived from information certified as complete and accurate by the custodian.

YEAR ENDED DECEMBER 31, 2021
(with comparative information at December 31, 2020)

3. Fair value measurement:

The Plan ranks investments required to be reported in the three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset. Inputs may be observable or unobservable and refer broadly to the assumptions that market participants would use in pricing the asset. Observable inputs reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available in the circumstances.

The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices in active markets for identical investment.

Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.). The Plan does not hold any Level 2 investments.

Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments). The Plan does not hold any Level 3 investments.

See Note 1 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

3. Fair value measurement (continued):

Assets reported at fair value and required to be disclosed according to the fair value measurement hierarchy at December 31, 2021 and 2020 were as follows:

2021	Fair value	Fair value measurements using Level 1
Mutual funds	\$ 7,537,363	\$ 7,537,363
Investments measured at NAV, common/collective trust ⁽¹⁾	85,156	
Total	<u>\$ 7,622,519</u>	
2020		
Mutual funds	\$ 6,345,425	\$ 6,345,425
Investments measured at NAV, common/collective trust ⁽¹⁾	77,513	
Total	<u>\$ 6,422,938</u>	

⁽¹⁾ Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

(with comparative information at December 31, 2020)

3. Fair value measurement (continued):

Fair value measurement of investments in a certain investment that calculates net asset value as of December 31, 2021 and 2020 were as follows:

<u>2021</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency</u>	<u>Redemption value</u>
Common collective trust	\$ 85,156	N/A	Daily	NAV*
<u>2020</u>				
Common collective trust	\$ 77,513	N/A	Daily	NAV*

*As of the measurement date

4. Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Companies and are excluded from these financial statements. Fees and expenses associated with the Plan's recordkeeping, compliance and consulting are paid from Plan assets. Revenue sharing amounts paid by mutual funds to the recordkeeper are credited to the Plan to reduce or offset fees. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

5. Tax status:

The Plan sponsor adopted the Standard Retirement Services, Inc. Volume Submitter 401(k) Profit Sharing Plan (Volume Submitter). Standard Retirement Services Inc. received an opinion letter for this Volume Submitter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the Volume Submitter, as then designed, was in accordance with the applicable requirements of the Internal Revenue Code (IRC).

Effective January 1, 2022, the Plan was restated by executing a Non-Standardized Pre-Approved Profit Sharing Plan with CODA through Standard Retirement Services Inc. The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the IRC.

6. Related party and party-in-interest transactions:

Reliance Trust Company (Reliance) is the custodian, as defined by the Plan, and therefore, custodial fees paid to Reliance qualify as party-in-interest transactions. Certain fees paid by the Plan for investment management services are included in net appreciation in fair value of investments. See Note 1 for notes receivable from participants.

7. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Concentrations:

Two investments accounted for approximately 40% and 41% of investments at December 31, 2021 and 2020, respectively.

9. Subsequent events:

During 2022, the Plan sponsor was acquired by an outside venture capitalist group. There currently is no impact to the Plan.

The Plan has evaluated subsequent events through September 13, 2022, the date which the financial statements were available to be issued.
