## **INDEPENDENT AUDITORS' REPORT**

Plan Administrator  
General Tool 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of General Tool 401(k) Employee Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section -

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

## **INDEPENDENT AUDITORS' REPORT (CONTINUED)**

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

## **INDEPENDENT AUDITORS' REPORT (CONTINUED)**

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

## **INDEPENDENT AUDITORS' REPORT (CONTINUED)**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) and Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

### *Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the financial statements of the Plan as of and for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the investment information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified investment information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## GENERAL TOOL 401(k) PLAN

### Notes to Financial Statements December 31, 2021 and 2020

#### (1) Plan Description

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

##### *General*

The General Tool 401(k) Plan (the "Plan") is a defined contribution plan that was established effective November 1, 1998 and is administered by General Tool ("Plan Administrator" or "Company") and has been amended and restated effective March 1, 2019. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Reliance Trust Company is the asset custodian and trustee of the Plan's investment assets and ADP, Inc., the third-party administrator, serves as the recordkeeper of the Plan.

##### *Eligibility*

The Plan covers all the employees of the Company who have completed at least 1,000 hours within twelve months of service.

##### *Contributions*

Participants may contribute up to 90 percent of eligible compensation up to the statutory limit (\$19,500 for 2021). All employees who were eligible to make pretax deferrals under the Plan and had attained age 50 before the close of the Plan year were eligible to make catch-up contributions in accordance with, and subject to, the limitations set by the Internal Revenue Service ("IRS") (\$6,500 per participant for 2021). Participants may rollover contributions from other qualified retirement plans.

The Company may make discretionary employer matching contribution equal to 100% of salary deferrals up to the first 2% of a participant's eligible compensation. Discretionary cash matching contributions were \$121,236, and \$111,130 for the years ended December 31, 2021 and 2020, respectively.

See accompanying independent auditors' report.

## GENERAL TOOL 401(k) PLAN

### Notes to Financial Statements (continued) December 31, 2021 and 2020

#### (1) Plan Description (continued)

##### *Participant Accounts*

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's pretax contributions and allocations of (a) Company matching contributions, when applicable, (b) investment earnings or losses, and (c) charged with withdrawals and an allocation of Plan transaction fees. Allocations are based on participant investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

##### *Vesting*

Eligible participants are immediately 100% vested with respect to their voluntary and Company discretionary matching contributions, plus actual earnings thereon.

##### *Investments*

Participants direct the investment of their contributions into various investment options offered by the Plan. As of December 31, 2021, the Plan offered various mutual funds as investment options for participants.

##### *Notes Receivable from Participants*

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Such loans bear interest at prevailing interest rates and are repaid to the participant's account over no more than five years, except in the case of loans used to acquire a primary residence. Participant loans are secured by the balance in the participant's account. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan Agreement.

Notes receivable from participants are payable through payroll deductions in installments of principal plus interest of prime rate plus 1 percentage point (4.25% as of December 31, 2021 and 2020) with final payments due between November 2022 and August 2025.

See accompanying independent auditors' report.

## **GENERAL TOOL 401(k) PLAN**

### **Notes to Financial Statements (continued) December 31, 2021 and 2020**

#### **(1) Plan Description (continued)**

##### *Payment of Benefits*

Upon termination of service, a participant may elect to receive either a single lump sum payment in cash equal to the value of the vested interest in his or her account, or a series of substantially equal annual or more frequent installments over a period not to exceed the participant's life expectancy. Benefits are recorded when paid. Account withdrawals are permitted by participants who suffer certain financial hardships and meet criteria established by the IRS.

##### *Administrative Expenses*

Administrative, audit, and recordkeeping fees are paid by the Company. Investment management fees are paid from the Plan's assets.

##### *Forfeited Accounts*

Forfeited, non-vested amounts are to be applied to reduce employer contributions. As of December 31, 2021 and 2020, there were no forfeited, non-vested amounts.

##### *Plan Termination*

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions set forth by ERISA. In the event of Plan termination, participants would be entitled to receive the accumulated balance in their individual account.

#### **(2) Summary of Significant Accounting Policies**

##### *Basis of Accounting*

The accompanying financial statements of the Plan have been prepared under the accrual method of accounting and in accordance with accounting principles generally accepted in the United States of America ("GAAP").

##### *Use of Estimates*

In preparing financial statements in conformity with GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

See accompanying independent auditors' report.

## GENERAL TOOL 401(k) PLAN

### Notes to Financial Statements (continued) December 31, 2021 and 2020

#### (2) Summary of Significant Accounting Policies (continued)

##### *Investment Valuation and Income*

The Plan's investments are stated at fair value. The Plan's investments are governed by a trust agreement with the trustee. Investments in mutual funds are valued daily at quoted market prices and investments in common/collective trust are valued at the net unit value determined by the related fund manager. Investment income consists of interest and dividends earned and realized and unrealized gains or losses in the fair value of investments, less investment expenses. Investment income is allocated to participants' accounts based on their respective interest in the Plan's assets on the date it is earned. Purchases and sales of securities are reflected on the settlement date. Dividends are recorded on the ex-dividend date.

##### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan Agreement.

##### *Payment of Benefits*

Benefit payments to participants are recorded upon distribution.

##### *Subsequent Events*

The Plan's management evaluated subsequent events through September 12, 2022, the date the financial statements were ready to be issued.

#### (3) Investments

In accordance with GAAP, the Plan uses a hierarchy for measuring the fair value of all financial assets and liabilities that are being measured and reported at fair value on a recurring and non-recurring basis. Fair value is measured in levels, which are described in more detail below, and are determined based on the observability and reliability of the assumptions used to determine fair value.

See accompanying independent auditors' report.

### Notes to Financial Statements (continued) December 31, 2021 and 2020

#### (3) Investments (continued)

Level 1: Valuation for assets and liabilities traded in active exchange markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2: Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or comparable assets or liabilities.

Level 3: Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models, and similar techniques, and not based on market exchange, dealer or broker traded transactions. These valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission (“SEC”). These funds are required to publish their daily net asset value (“NAV”) and to transact at that price.

Management may also be required, from time to time, to measure certain other financial assets at fair value on a non-recurring basis. During the years ended December 31, 2021 and 2020, no other financial assets were measured at fair value on a non-recurring basis.

The following tables show the balances of these assets based on their GAAP designated levels:

| December 31, 2021 |              |         |         |              |

## **GENERAL TOOL 401(k) PLAN**

### **Notes to Financial Statements (continued) December 31, 2021 and 2020**

#### **(4) Investments and Information Certified by Reliance Trust Company**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to investment information certified as complete and accurate by Reliance Trust Company, except for comparing such information certified by the trustee to the information included in the Plan's financial statements and supplemental schedule.

#### **(5) Risks and Uncertainties**

The Plan is exposed to market and credit risk due to the various investment securities that may be selected by the participant in any combination. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

#### **(6) Tax Status**

Effective November 1, 1998, the Plan adopted a non-standardized form of a prototype plan sponsored by Automatic Data Processing. The prototype plan has received an opinion letter from the Internal Revenue Service, dated July 16, 2014, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has since been amended; however, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code ("IRC").

GAAP requires management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

See accompanying independent auditors' report.
