Independent Auditor's Report

To the Fiduciaries and Plan Administrator
La Clínica del Pueblo, Inc. 403(b) Plan
Washington, D.C.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of La Clínica del Pueblo, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of La Clínica del Pueblo, Inc. 403(b) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of La Clínica del Pueblo, Inc. 403(b) Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

The La Clínica del Pueblo, Inc. 403(b) Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 1 to the accompanying financial statements, the La Clínica del Pueblo, Inc. 403(b) Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees

Basis for Disclaimer of Opinion on the 2021 Financial Statements (Continued)

prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about La Clínica del Pueblo, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of La Clínica del Pueblo, Inc. 403(b) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of La Clínica del Pueblo, Inc. 403(b) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2021 Supplementary Schedules Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived

from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on the supplementary schedules.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of La Clínica del Pueblo, Inc. 403(b) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Further, La Clínica del Pueblo, Inc. 403(b) Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, they were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

La Clínica del Pueblo, Inc. 403(b) Plan has excluded from the 2020 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the 2020 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the 2020 financial statements.

In our report dated July 27, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements.

LA CLÍNICA DEL PUEBLO, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of the La Clínica del Pueblo, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan pursuant to the provisions of Section 403(b) of the Internal Revenue Code (the Code) established for the benefit of all employees in the Plan. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). A complete description of the Plan is contained in the Plan Document and Adoption Agreement, which governs the operation of the Plan.

Eligibility

An employee is eligible to participate in the Plan upon date of hire provided that they normally complete more than 20 hours of work per week and have attained a minimum age of 21.

Contributions

Each year participants may contribute pre-tax compensation subject to the limits established by the Code. As a result of the Economic Growth and Tax Relief Reconciliation Act of 2001 participants expected to reach age 50 or older during the calendar year may make an additional "catch up" contribution. La Clínica del Pueblo, Inc. (the Company), may make a matching contribution to all eligible compensation for all participants. For the year ended December 31, 2021, no matching contributions were made. Participants entering the Plan may roll over contributions from other plans. In addition, the Plan allows employees with at least 15 years of service to make additional elective deferrals in accordance with the plan documents.

During 2019, the Plan provided for discretionary employer contributions calculated per pay period, using a prorated formula for all employees working more than 20 hours but under 40 hours per week, with a maximum of \$25 per pay period for all employees working 40 or more hours per week. Effective January 1, 2020, the Plan was amended for discretionary employer contributions to be paid to employees working more than 20 but less than 30 hours per week at a rate of \$12.50 per pay period and employees working more than 30 hours per week at a rate of \$25.00 per pay period.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (i) the Company's matching and discretionary contributions and (ii) Plan earnings and charged with an allocation of administrative expenses. The investment options available to participants include mutual funds, money market funds, or an insurance company general account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50% of their vested account balance. Participants may only have two loans outstanding at a time and all loans must be repaid within five years. The loans are secured by 50% of the participant's vested account balance and bear interest at the prime interest rate, as published in the *Wall Street Journal*, plus 2%.

LA CLÍNICA DEL PUEBLO, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN (CONTINUED)

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum, partial lump-sum, installment distributions equal to the value of the participant's vested interest in the account, or distribution via a monthly annuity option. A participant whose vested balance is \$5,000 or less will receive a lump-sum distribution. A participant experiencing serious financial hardship may, with sufficient evidence, withdraw the portion of their vested account balance. The amount of the withdrawal may not be greater than the immediate financial need.

Vesting

Participants are fully vested in their participant salary deferral accounts at all times. The Company's matching and discretionary contributions are 100% vested after one year of service.

Forfeited Accounts

As of December 31, 2021 and 2020, the forfeited non-vested account totaled \$1 and \$-0-, respectively. Forfeited accounts will be used to reduce future employer contributions. During the year ended December 31, 2021, \$4,295 forfeitures were used to reduce employer contributions.

Administrative Expenses

A portion of the administrative expenses and other fees are paid out of the Plan's assets. The Company pays the remaining expenses of the Plan.

Field Assistance Bulletin (FAB) 2009-02

On July 20, 2009, the Employee Benefits Security Administration issued Field Assistance Bulletin (FAB) 2009-02, addressing the application of certain Form 5500 and Form 5500-SF annual reporting requirements to tax-sheltered annuity programs described in Section 403(b) of the Internal Revenue Code [403(b) plans]. FAB stated that, for purposes of the Plan's annual reporting and related audit requirements, an annuity contract or custodial account does not need to be treated as part of the Plan or as plan assets if it meets the certain conditions. Accordingly, there are certain accounts excluded in the La Clínica del Pueblo, Inc. 403(b) Plan. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and the disclosures. Accordingly, actual results may differ from those estimates.

LA CLÍNICA DEL PUEBLO, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Shares of registered investment companies (mutual funds) are valued at quoted market prices which represent the net asset values of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

3. INFORMATION CERTIFIED BY CUSTODIANS

The plan administrator has elected the method of annual reporting compliance by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Act of 1974. The Plan's custodians, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal) and Lincoln National Life Insurance Company (Lincoln), have certified that the following data included in the accompanying financial statements and supplementary schedules are complete and accurate:

	2021	2020
Investments, at Fair Value	\$ 2,477,661	\$ 2,189,183

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the accounting literature are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted for quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the net asset value of shares held by the Plan at year end.

The preceding methods described may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>December 31, 2021</u>	<u>Total</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual Funds	\$ 2,477,661	\$ 2,477,661	\$ -	\$ -
Total Investments, at Fair Value	<u>\$ 2,477,661</u>	<u>\$ 2,477,661</u>	<u>\$ -</u>	<u>\$ -</u>
<u>December 30, 2020</u>	<u>Total</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual Funds	\$ 2,189,183	\$ 2,189,183	\$ -	\$ -
Total Investments, at Fair Value	<u>\$ 2,189,183</u>	<u>\$ 2,189,183</u>	<u>\$ -</u>	<u>\$ -</u>

LA CLÍNICA DEL PUEBLO, INC. 403(b) PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan participates in a fully benefit-responsive investment contract with Principal Life Insurance Company via an investment in a Fixed Income Guaranteed Option. This is a single group annuity contract with a fixed rate of interest. It is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets as would be found in a Stable Value Fund. As a result, the average yield earned by the Plan is the yield earned (i.e. interest credited) on the group annuity contract. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Plan is prohibited from assigning or selling the contract to another party without consent of the issuer. The contract provides assurance the crediting rate will not be less than zero. If an event has occurred such that realization of full contract value will not be realized, the contract shall no longer be considered fully benefit-responsive. Participants transact at book value without limit. Equity wash provisions are allowed and do not disqualify a contract's fully benefit-responsiveness. Events that limit the ability of the fund to transact at contract value with the issuer (i.e., plan termination, merger, layoffs, etc.) and that also limit the ability to transact at contract value with participants are not probable of occurring. Participants have reasonable access to their funds.

The Plan entered into a variable annuity account (Variable Account) with Lincoln National Life Insurance Company (Lincoln). Lincoln maintains the contributions in the Variable Account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Variable Account is subject to some restrictions and is considered fully benefit-responsive by management of the Plan. Therefore, the contract is reported at contract value which approximates fair value.

6. RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Lincoln and Principal. Lincoln and Principal are the custodians of the Plan and, therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services for the year ended December 31, 2021, amounted to \$3,547. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

8. TAX STATUS

The Plan meets the requirements of the Internal Revenue Code (IRC) and ERISA to qualify as exempt from federal income taxes. 403(b) plans currently are not required to submit plans to the Internal Revenue Service for determination. However, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

8. TAX STATUS (CONTINUED)

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the IRC and ERISA. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the year ended December 31, 2021.

The Plan's policy would be to recognize in income tax expense in its financial statements any interest and penalties on uncertain tax positions related to its unrecognized tax benefits. No interest or penalties were incurred or recognized during the year ended December 31, 2021. The Plan's Form 5500, *Annual Return/Report of Employee Benefit Plan*, is open for inspection by the taxing authorities, generally for three years after filing.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

COVID-19 Pandemic and CARES Act

The spread of COVID-19 (coronavirus disease) has had a disruptive impact on the daily life and operations of individuals, businesses, and employee benefit plans around the world. There is uncertainty about financial and economic impacts in all sectors of the economy. The financial markets have experienced significant volatility, and this may continue for an extended period of time. In light of these circumstances, the Plan's management continues to assess how best to adapt to changed circumstances.

In response to the spread of COVID-19, certain provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which was signed into law March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) which was signed into law December 29, 2019, were provided for plan sponsors. Provisions under the CARES Act include, among others, increasing the maximum distribution and loan amounts allowed, relief of loan repayment, temporary suspension for 2020 required minimum distributions, and a delay in the minimum required contribution to a single-employer plan until 2021. Plan management has elected not to implement these provisions. These provisions are at the discretion of the Plan's management. The Plan will be formally amended for any provisions elected in accordance with applicable law and IRS guidance due by December 31, 2022.
