REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Teamsters Union Local
No. 142 Annuity Fund

Opinion

We have audited the financial statements of Teamsters Union Local No. 142 Annuity Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Teamsters Union Local No. 142 Annuity Fund as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information that appears on page 15 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

TEAMSTERS UNION LOCAL NO. 142 ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements of Teamsters Union Local No. 142 Annuity Fund (the Plan) have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex. dividend date. Interest income is recorded on the accrual basis.

Contributions Receivable - Employer and participant contributions due at year end and not paid are recorded as contributions receivable. Employer contribution deficiencies which are established through payroll compliance audits are recognized when the deficient amounts are determined to be collectible. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Revenue Recognition - Revenue derived from employer and participant contributions is recognized in the period in which covered work is performed, based on the contribution rate set forth in the collective bargaining agreement or elective deferrals made by participants. Employers are required to remit both employer and participant contributions monthly. The Plan carries out its purpose described in Note 2 within a jurisdiction primarily located in Northwest Indiana and its collar counties.

Property and Equipment - Property and equipment are recorded at cost. Major additions are capitalized while replacements, maintenance and repairs which do not improve or extend the lives of the respective assets are expensed currently. Depreciation is computed by the straight-line method over estimated useful lives of five years.

Depreciation expense was \$5,705 and \$5,699 for the years ended December 31, 2021 and 2020, respectively.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2021 and 2020.

Expenses - Certain investment related expenses are included in net appreciation in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through August 8, 2022, which is the date the financial statements were available to be issued.

NOTE 2. DESCRIPTION OF THE PLAN

The Plan was established to provide benefits to participants upon death, disability or retirement. The Plan is primarily funded by contributions from contributing employers as specified in the collective bargaining agreements. The Plan allows participant contributions. The Plan is a multiemployer defined contribution retirement plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Plan benefits are not insured by the Pension Benefit Guaranty Corporation.

Participants may elect to voluntarily defer a percentage of their pre-tax annual base compensation, as defined by the Plan and subject to certain limitations. Effective January 1, 2020, the Plan was amended to allow rollovers from other qualified retirement plans.

Contributions to the Plan are invested as directed by the participants in various investment options. In the absence of participant direction, contributions are invested in a qualified default investment alternative account. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their account balance to be lower than contributions made to the Plan.

Participants' accounts are credited with participant and employer contributions made on their behalf, as well as earnings on investments, and charged with a monthly fee for administrative expenses. Employer contributions credited to participants' accounts are net of contingency reserve assessments as described in Note 4. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Under current provisions of the Plan, each participant is immediately vested in all contributions and the earnings thereon. Upon death, disability, retirement, termination of employment or hardship, participants are entitled to receive their account balance, subject to the payment provisions of the Plan.

NOTE 2. DESCRIPTION OF THE PLAN (CONTINUED)

Participants are entitled to apply for their benefit upon the following events:

- Receipt of a monthly pension from Teamsters Union No. 142 Pension Fund and no contributions to the participant's individual account for at least three consecutive calendar months;
- Attainment of age 55 and no contributions to the participant's individual account for at least three consecutive calendar months;
- Total and permanent disability, as evidenced by either the award of Social Security disability benefits or the award of a disability pension from Teamsters Union No. 142 Pension Fund; or
- Regardless of age, no contributions paid to the participant's individual account for a period of at least 24 consecutive months;
- A participant who is not otherwise eligible for a distribution suffers a serious financial hardship.

A participant previously satisfying the conditions of retirement who subsequently returns to work in covered employment prior to receiving a distribution of his or her individual account, is not considered to have retired until the participant again meets the requirements of the Plan.

Participants should refer to the summary plan description for more complete information.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect. The Trustees reserve the right to terminate the Plan subject to the provisions of ERISA. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries, except that provision may be made for the payments of necessary expense resulting from termination of the Plan. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits. If the Plan were terminated, the participants would remain 100% vested in their benefits.

NOTE 4. CONTINGENCY RESERVE

The Plan has established a contingency reserve to pay administrative expenses. The contingency reserve is funded by a fee deducted from employer contributions received. The fee was equal to 4.00% through May 31, 2020 and 3.50% thereafter. The reserve is also funded by a monthly fee charged to each participant of \$4. The reserve is used primarily for the payment of administrative expenses, the crediting of employer contributions required to be paid on behalf of a participant but not paid, or the crediting of employer contributions upon a participant's re-employment following military service. As permitted by the Plan, the Trustees may elect to suspend the contingency reserve fee deducted from employer contributions. If suspended, the fee will resume when the estimated value of the reserve falls below \$250,000. The contingency reserve assessment was suspended at certain times during the years ended December 31, 2021 and 2020. Net assets available for benefits at December 31, 2021 and 2020 include a contingency reserve balance of approximately \$352,000 and \$382,000 respectively.

NOTE 5. TAX STATUS

The Plan obtained its latest determination letter dated October 2, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's investment assets at fair value as of December 31, 2021 and 2020. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

		<u>Fair Value Measurements at 12/31/21 Using</u>		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	<u>Total</u>

Investments measured at net asset value:				
Stable value fund	574,100			
Total	<u>\$ 37,726,630</u>			

NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)

		Fair Value Measurements at 12/31/20 Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Total			
Mutual funds	\$ 30,057,936	\$ 30,057,936	\$ -	\$ -
Investments measured at net asset value:				
Stable value fund	650,398			
Total	\$ 30,708,334			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

The Plan's investment in the stable value fund is valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The fair value of the stable value fund is based on the net asset value per share by reference to the underlying asset, which consists solely of the Wells Fargo Stable Return Fund C. The stable value fund is a direct filing entity (DFE) and files a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFE investments. Redemptions are available on a daily basis.

NOTE 7. RELATED ORGANIZATIONS

The Plan shares common governance with four related entities: Teamsters Union No. 142 Pension Trust Fund (the Pension Fund), Teamsters Union No. 142 Health and Welfare Trust Fund (the Welfare Fund), Teamsters Union Local No. 142 Training and Apprenticeship Trust Fund (the Training Fund), and Teamsters Union Local No. 142 (the Union).

NOTE 7. RELATED ORGANIZATIONS (CONTINUED)

The Plan and the related Pension Fund, Welfare Fund, and Training Fund share facilities rented from the Union. Expenses for shared equipment, facilities and staff are paid initially by the Pension Fund or paid directly to the Union. Expenses are allocated based on estimates of time spent, space utilized, and costs incurred. Common administrative expenses allocated to the Plan totaled \$66,326 and \$60,733 for the years ended December 31, 2021 and 2020, respectively.

NOTE 8. FUNDING POLICY

Participating employers contribute amounts determined by collective bargaining agreements. The predominate hourly contribution rates for the years ended December 31, 2021 and 2020 were as follows:

January 1, 2020 through May 31, 2021	\$6.00
Effective June 1, 2021	\$6.16

As described in Note 2, elective participant contributions are also allowed by the Plan.

NOTE 9. PARTICIPATION IN MULTIEMPLOYER PLANS

The Plan's shared full-time employees participate in various multiemployer benefit plans. Contributions to these plans are initially paid by the related Pension Fund and are allocated to the Plan based on estimates of employee time. The Plan's share of contributions is included in the common administrative expenses described in Note 7.

Defined Benefit Pension Plan

The risk of participating in multiemployer pension plans is different from single employer plans. Assets contributed to a multiemployer plan by one employer may be used to provide benefits to employees of other participating employers. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.

The Plan's shared participation in a multiemployer defined benefit pension plan for the years ended December 31, 2021 and 2020 is outlined in the table below. The "EIN/PN" column provides the employer identification number (EIN) and the three-digit plan number (PN). The most recent Pension Protection Act (PPA) zone status provides an indication of the financial health of the plan. Among other factors, plans in the red zone are below 65 percent funded, plans in the yellow zone are between 65 percent and 80 percent funded, and plans in the green zone are at least 80 percent funded. The "FIP/RP Status Pending/Implemented" column indicates plans for which a funding improvement plan (FIP) or a rehabilitation plan (RP) is either pending or has been implemented. The last column specifies the year end date of the plan to which the annual report (Form 5500) relates.

NOTE 9. PARTICIPATION IN MULTIEMPLOYER PLANS (CONTINUED)**Defined Benefit Pension Plan (continued)**

<u>Pension Plan</u>	<u>EIN / PN</u>	<u>Pension Protection Act</u>		<u>FIP/RP Status Pending/ Implemented</u>	<u>Contributions</u>		<u>Most Recently Available Annual Report (Form 5500)</u>
		<u>Zone Status</u>			<u>2021</u>	<u>2020</u>	
		<u>2021</u>	<u>2020</u>				
Teamsters Union No. 142 Pension Trust Fund	51-6051034/001	Green as of 7/1/21	Green as of 7/1/20	N/A	\$ 11,761	\$ 11,517	6/30/2021

Contributions to the plan are made under the terms of either a collective bargaining agreement, which expires in June 2024, or a participation agreement, which does not have an expiration date. The Plan's contributions do not represent more than 5% of total contributions to the plan as indicated in the plan's most recently available annual report.

Defined Contribution Retirement Plan

Shared employees are also covered by a multiemployer defined contribution retirement plan. Contributions to the multiemployer defined contribution retirement plan are made monthly under the terms of either a collective bargaining or participation agreement. For the years ended December 31, 2021 and 2020, the Plan's share of contributions was \$5,916 and \$5,453 respectively.

Welfare Plan that Provides Postretirement Benefits

The Plan's shared employees are covered by a multiemployer health and welfare plan that provides medical benefits to retirees and to eligible employees and their dependents. The Plan's share of contributions to this plan for the years ended December 31, 2021 and 2020 was \$13,460 and \$10,367 respectively.

NOTE 10. MAJOR EMPLOYERS

Contributions from one employer accounted for approximately 10% and 13% of total employer contributions received for the years ended December 31, 2021 and 2020, respectively. In the event the employer were to suspend contributions, the Plan would retain the risk of paying current fixed administrative expenses until the appropriate adjustments were made.

NOTE 11. PARTICIPANT CONTRIBUTIONS

Employers withhold participants' contributions from their payroll. During the years ended December 31, 2021 and 2020, instances were noted where an employer remitted contributions to the Plan more than 15 days after the following month, which did not meet the timeliness requirements as prescribed by U.S. Department of Labor (DOL) regulations. These late remittances constitute prohibited transactions with a party-in-interest. During the years ended December 31, 2021 and 2020, contributions that were not timely remitted to the Plan totaled \$13,413 and \$21,489 respectively. The Plan regularly corrects such prohibited transactions by restoring lost earnings to participants.

The Plan has a collection program that pursues legal action against delinquent employers. As part of its collection program, the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers. Upon receipt of late contributions from a delinquent employer, the amount of contributions, plus interest, is credited to the participant's account to compensate the participant for lost earnings resulting from the delay in contributions.

NOTE 12. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 13. IMPACT OF COVID-19 AND NEWLY ENACTED LEGISLATION

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which are likely to impact the Plan, though the potential impact and duration is unknown as of the date the financial statements were available to be issued.

Several major legislative relief packages were enacted in response to the coronavirus outbreak, containing numerous tax, emergency funding and other regulatory provisions affecting retirement plans. The Plan continues to evaluate the impact of the newly enacted legislation on its provisions, operations and cash flows.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
Teamsters Union Local
No. 142 Annuity Fund

We have audited the financial statements of Teamsters Union Local No. 142 Annuity Fund (the Plan) as of and for the years ended December 31, 2021 and 2020, and our report thereon dated August 8, 2022, which expressed an unmodified opinion on those financial statements, appears on pages 1 through 3. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedules 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
