## **INDEPENDENT AUDITOR'S REPORT**

Saticoy Lemon Association Board of Directors  
Saticoy Lemon Association 401(k) / Profit Sharing Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed audits of the financial statements of Saticoy Lemon Association 401(k) / Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, the related Statement of Changes in Net Assets Available for Benefits for the Year Ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Principal Trust Company as of December 31, 2021, and for the period from July 1 to December 31, 2021, and Wells Fargo Bank N.A. for the period from January 1, 2021 to June 30, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to benefits provided under the plan and certified to by a qualified institution or assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter—2021 Supplemental Schedules Required by ERISA***

The supplemental schedules of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, and Schedule H, line 4a – Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2021, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to benefits provided under the plan and certified to by a qualified institution or assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter – Auditor's Report on the 2020 Financial Statements***

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 8, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure.

## Saticoy Lemon Association 401(k) / Profit Sharing Plan

Notes to Financial Statements  
For the Year Ended December 31, 2021

### 1. Plan Description

The following description of Saticoy Lemon Association 401(k) / Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### a. General

The Plan, originally effective January 1, 2005, and restated January 1, 2016, is a defined contribution plan covering employees of Saticoy Lemon Association (the Association or Company) who have attained age 18 and completed 6 months of service, excluding certain classes of employees as set forth in the plan document. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

#### b. Contributions

Participants may contribute up to 100 percent of annual compensation in pre-tax deferrals, as defined in the plan document and allowed by law. The Plan permits catch-up contributions for participants who have attained age 50 by the end of the plan year. Participants may also contribute amounts representing distributions from other qualified plans. The Plan provides for automatic election of deferrals at a rate of 2 percent of compensation for all new participants. Unless elected otherwise by the participant, deferrals are automatically increased annually by 2 percent, up to a maximum deferral percentage of 6 percent. Participants may affirmatively elect a different deferral percentage or elect not to defer into the Plan.

The Association may elect to make discretionary matching and profit sharing contributions to the Plan. In 2021, the Association elected to match one-third of employee contributions on the first 6% of eligible compensation, up to 2% of eligible compensation deferred to the Plan. Profit sharing contributions are allocated to participants in the same proportion as a participant's compensation bears to the total of all participants' compensation. There were no profit sharing contributions for the year ended December 31, 2021. The Association also makes safe harbor contributions equal to 3% of the participant's eligible compensation, regardless of the employee's months of service or employment on the last day of the plan year. During 2021, the Association contributed a total of \$637,945 to the Plan.

#### c. Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Association's contribution, if applicable, and the Plan's earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their accounts into various investment options offered by the Plan.

## Saticoy Lemon Association 401(k) / Profit Sharing Plan

Notes to Financial Statements  
For the Year Ended December 31, 2021

d. Vesting

Participants are immediately vested in their contributions and safe harbor contributions plus actual earnings thereon. Vesting in the Association contributions portion of their accounts plus actual earnings thereon is based on years of credited service as follows:

| Credited Service | Percent Vested |
|------------------|----------------|
| 2 years          | 20%            |
| 3 years          | 40%            |
| 4 years          | 60%            |
| 5 years          | 80%            |
| 6 years or more  | 100%           |

e. Distribution of Benefits

Upon termination of employment due to termination of service, death, disability, or retirement, participants may elect to receive the value of their vested account balance in installments, or a lump-sum distribution. In-service withdrawal options are available to participants under certain circumstances.

f. Forfeited Accounts

Forfeitures are used to reduce future company contributions and pay plan expenses. Forfeitures of \$0 and \$126 were included in net assets available for benefits as of December 31, 2021 and 2020, respectively. During 2021, forfeited non-vested accounts were used to pay for \$5,040 of plan expenses.

2. Summary of Significant Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## **Saticoy Lemon Association 401(k) / Profit Sharing Plan**

Notes to Financial Statements  
For the Year Ended December 31, 2021

### **c. Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **d. Payment of Benefits**

Benefits are recorded when paid.

### **e. Plan Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Association. Expenses that are paid by the Association are excluded from these financial statements. Plan expenses include fees for certain participant-initiated transactions that are charged directly to the account of the participant who incurred them. Investment related expenses are included in net realized and unrealized appreciation in fair value of investments.

### **f. Subsequent Events**

The Plan has evaluated the subsequent events through September 7, 2022 the date the financial statements were available to be issued.

## **3. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

### 4. Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASU) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets, that the Plan has the ability to access.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/Collective trusts:* Carried at fair value using NAV as a practical expedient. Valued at the NAV of units held by the Plan at year-end as posted by the fund, which is considered by plan management to be the best approximation of fair value. There are no notable restrictions on the redemption of investments held in the fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

### 5. Tax Exempt Status

The Association has adopted a volume submitter plan document subject to a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014. The Association routinely self-reviews the administration of the Plan and self-corrects any compliance issues in accordance with the Employee Plan Compliance Resolution System. Accordingly, the plan administrator believes that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code and, accordingly, are exempt from income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **6. Certified Investment Information**

Management has elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company and Wells Fargo Bank N.A., the Trustees of the Plan, have certified that the following investment information is complete and accurate:

- Investment information as reflected in Note 4 to these financial statements.
- Investment information reflected in the Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021.

As permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to the certified investment information.

### **7. Party-in-Interest Transactions**

Principal Trust Company and Wells Fargo Bank N.A. are the Trustees of the Plan and hold and manage investments. Transactions with Principal Trust Company and Wells Fargo Bank N.A. are exempt party-in-interest transactions, as defined by ERISA.

### **8. Plan Termination**

The Association has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

### **9. Change in Trustee**

Effective June 30, 2021, the Plan appointed Principal Trust Company and released Wells Fargo Bank N.A. as Trustee of the Plan. Pursuant to the change, new investment options were made available to the participants.

### **10. Non-Exempt Transactions**

Certain of the participant contributions were not remitted within the maximum period of time permitted by the Department of Labor's Rules and Regulations and, therefore, constitute the lending of monies from the Plan to the Association. These non-exempt transactions are detailed in the attached supplemental schedule, Schedule H, line 4a – Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2021.
