Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan

Financial Statements and Supplemental Schedule

Years Ended December 31, 2021 and 2020

Independent Auditor's Report

Plan Administrative Committee of
Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan
Burlington, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section (103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan is a participant-directed defined contribution plan sponsored by Lavelle Industries, Inc. (the Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Administration

Principal Trust Company (Principal) is the trustee and custodian of the Plan. The Plan is administered by the Sponsor, with Principal also serving as the Plan's record keeper.

Eligibility

Eligible employees include all regular full-time and part-time employees of the Sponsor who are not leased, temporary or seasonal, and are over the age of 21 for employees not under a collective bargaining agreement (non-union employees) and over the age of 18 for employees covered under a collective bargaining agreement (union employees). Full-time employees are eligible to participate in the Plan on the first day of the month subsequent to completing 90 consecutive days of service. Part-time employees whose normal work schedule is less than 1,000 hours per year are only eligible to participate in the Plan if they work more than 1,000 hours during the Plan year and may enter the Plan on the first day of the month subsequent to satisfying their eligibility requirements. Eligibility requirements are the same for the Sponsor matching contributions. In addition to these requirements, non-union employees are eligible to receive a discretionary Sponsor contribution and union employees are eligible to receive a non-discretionary and discretionary Sponsor contribution if they are employed on the last day of the Plan year.

Contributions

Participants may elect to defer a portion of their pre-tax eligible compensation, as defined in the Plan, up to the annual maximum allowed by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

For non-union employees, the Sponsor makes a safe harbor contribution each year (funded each pay period), equal to 100% of elective deferral contributions up to 3% of eligible compensation, plus 50% of elective deferral contributions that are over 3% but are not over 5% of compensation. Additionally, the Sponsor made a discretionary contribution of 5% in 2021 and 8% in 2020 of non-union participant's eligible compensation to be paid by March 31 of the following year. The Sponsor discretionary contributions for non-union employees in 2021 and 2020 totaled \$496,073 and \$715,642, respectively.

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Contributions (Continued)

For union employees, the Sponsor matched 50% of the first 6% of the participant's deferral percentage, up to a maximum of 3% of the participant's compensation. Additionally, the Sponsor made a non-discretionary contribution of 3% of union participant's eligible compensation to be paid by March 31 of the following year. The Sponsor non-discretionary contributions for union employees in 2021 and 2020 totaled \$193,984 and \$199,444, respectively. The Sponsor also made a discretionary contribution in 2020 of 3% of union participant's eligible compensation to be paid by March 31 of the following year. The Sponsor discretionary contributions for union employees in 2020 totaled \$199,444. There was no discretionary contribution made in 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, Sponsor contributions, and allocations of the Sponsor's discretionary contribution and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance. Participants may have a maximum of two notes outstanding at one time. The note must be repaid within 5 years, unless the note is used for the purchase of a primary residence. Notes to participants are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 7.00%. Principal and interest are paid ratably through payroll deductions. In April 2020, the Plan adopted provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES act) which was signed into law on March 27, 2020. This increased the maximum loan amount from \$50,000 to \$100,000 and implemented suspending participate loan repayments.

Vesting

Participants are immediately vested in their contributions and Sponsor safe harbor contributions plus actual earnings (losses) thereon. Vesting in all other Sponsor contributions are based on the number of years of continuous service.

Sponsor matching contributions for union employees vest according to the following schedule:

<i>Years of Service</i>	<i>Vesting %</i>
Less than 3 years	0 %
3 or more	100 %

Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Vesting (Continued)

All discretionary and non-discretionary Sponsor contributions vest according to the following schedule:

<i>Years of Service</i>	<i>Vesting %</i>
Less than 1 year	0 %
1 year	20 %
2 years	40 %
3 years	60 %
4 years	80 %
5 or more	100 %

Participants are considered to have completed one year of service for purposes of vesting upon the completion of 1,000 hours of service at any time during the plan year.

Participants are automatically fully vested upon attainment of age 65 or upon retirement due to disability, death, or termination of the Plan.

Forfeitures

Forfeitures are portions of participant account balances that participants surrender by terminating employment prior to becoming fully vested. Forfeitures in the Plan are used to reduce future Sponsor contributions or offset administrative expenses. Any remaining forfeitures are allocated back to the participants.

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$6 and \$1, respectively. Forfeitures of \$79,043 in 2021 and \$40,135 in 2020 were applied against Sponsor contributions and plan expenses.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to a lump-sum payment or in an annuity to be paid in monthly installments, equal to the value of the participant's vested account balance. For termination of service for other reasons, a participant may receive the value of the participant's vested account balance as a lump-sum payment. In addition, hardship distributions out of the participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2. Under the CARES act, the Plan allows individuals impacted by the coronavirus to withdraw up to \$100,000 from the Plan, with certain tax exceptions through December 31, 2020.

Plan Expenses

The Plan pays the trustee fees. The Plan and Sponsor share certain administrative expenses, including investment management fees. Expenses that are paid by the Sponsor are excluded from these financial statements.

Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the plan administrator deems the participant to be in default, the participant loan balance is reduced and reclassified as benefit payments based upon the terms of the plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract (FBRIC). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

FBRICs are reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through September 16, 2022, which is the date the financial statements were available to be issued.

Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan

Notes to Financial Statements

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31,			
	Level 1	Level 2	Level 3	Total
Mutual funds - 2021	\$ 35,381,276	\$ -	\$ -	\$ 35,381,276
Mutual funds - 2020	\$ 30,108,235	\$ -	\$ -	\$ 30,108,235

Note 4: Fully Benefit-Responsive Investment Contract (FBRIC)

The Principal offers a stable value fund that the participant may elect to transfer all or part of its funds into. The contract meets the FBRIC criteria and, therefore, is reported at contract value. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Certain events may limit the ability of the Plan to transact at contract value with the issuer. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Lavelle Industries, Inc. Profit Sharing and 401(k) Savings Plan

Notes to Financial Statements

Note 5: Information Prepared and Certified by Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, and interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal, the trustee of the Plan.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at anytime and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Sponsor contributions.

Note 7: Tax Status

The Company adopted a nonstandard prototype document with an Internal Revenue Service notification letter which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Party-In-Interest Transactions

Certain Plan investments are managed by Principal, the trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. These transactions are not considered prohibited transactions under ERISA. Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.
