Independent Auditor's Report

Plan Administrator and Participants
John S. James Co. Profit Sharing Plan
Garden City, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of John S. James Co. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's *Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 27, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

John S. James Co. Profit Sharing Plan

Notes to Financial Statements

1. Description of the Plan

The following brief description of the John S. James Co. Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan and was adopted by John S. James Co. (the Company) to provide deferred tax benefits, savings, and Company contributions to eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

All employees, excluding non-resident aliens, part-time, temporary, and seasonal employees, who attain the age of 18 and complete 6 months of service are eligible to participate in the Plan as of the first day of the month on or subsequent to the above conditions being met.

Participant Contributions

Participants may elect to contribute, on a pre-tax basis or after-tax basis (Roth contributions), up to 100% of their eligible compensation, as defined by the Plan, through payroll deductions, not to exceed the limit under the Internal Revenue Code (IRC). In addition, eligible participants are permitted to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan or elect a different percentage. Automatically enrolled participants have their deferral rate set at 3% with annual increases effective January 1 of each Plan year of 1% up to the maximum of 5%. A participant may prospectively change the percentage of his/her contribution at any time. The change will generally be effective the next pay period.

Company Contributions

The Company may make a discretionary matching contribution (Company matching contributions) determined and contributed on a per pay period basis. The Company may also make discretionary profit-sharing contributions on an annual basis (Company profit-sharing contributions). To receive an allocation of such contributions, a participant generally must be employed on the last day of the Plan year. No Company profit-sharing contributions were made for the 2021 Plan year.

Participant Accounts

Each participant's account is credited with the participant's salary deferral contributions, allocations of any Company matching contributions and any Company profit-sharing contributions, and his/her share of the Plan's income (loss). The Plan's income, with respect to each investment fund, is allocated based on the proportion that each participant's account balance invested in such fund compared to the total of all participants' account balances invested in such fund.

John S. James Co. Profit Sharing Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his/her vested account balance. Participants may not borrow from their Roth contribution accounts. The notes are secured by the balance of the participant's account and bear interest at the Wall Street Journal prime rate plus 1% over the life of the note. Principal and interest are repaid ratably through regular payroll deductions over a period not to exceed five years, unless the notes receivable were used to purchase a primary residence in which case the note receivable terms may exceed five years. Spousal consent is required upon inception and revision, if applicable.

Vesting

Participants are immediately vested in the value of their salary deferral and rollover contributions and related investment earnings. Company matching contributions and any Company profit-sharing contributions vest according to the following schedule:

Years of Service	Vested Percentage
Less than two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six or more	100%

Participants must be credited with a minimum of 1,000 hours of service during the Plan year to complete a year of vesting service.

A participant will become fully vested in Company matching contributions and any Company profit-sharing contributions, regardless of length of service, in the event of death or disability.

Benefit Payments

Participant accounts may be withdrawn upon retirement, death, disability, or termination of employment. Account balances between \$1,000 and \$5,000, excluding rollover accounts, are distributed through a rollover into an individual retirement account. Account balances less than \$1,000, excluding rollover accounts, are distributed as a lump-sum payment. All other distributions will be made in lump-sum or installment payments and are either paid directly to the participant or rolled over to another qualified retirement plan. The Plan also allows for in-service withdrawals at age 59½, along with withdrawals in the event of a financial hardship.

Forfeitures

The Plan allows forfeitures to be used to pay reasonable Plan expenses and to reduce Company contributions. During the year ended December 31, 2021, the Company utilized forfeitures of \$5,165 to pay Plan expenses. Unused forfeitures available for use at December 31, 2021 and 2020, were \$904 and \$240, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) require the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value with the exception of the life insurance policies, which are reported at their cash surrender value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for information on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Plan Expenses

Certain administrative expenses related to distributions and other participant-initiated transactions are charged to the account of the Plan participant. Other administrative expenses and investment management fees are paid from the Plan's forfeitures and through reductions of investment returns under the Plan's investment options. The Plan participates in a revenue credit program. Income from the program can be used to pay Plan expenses. The fee credit account balance was \$0 and \$108 at December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, Plan expenses were offset by \$95 of revenue credits.

Payment Benefits

Benefit payments to participants are recorded upon distribution.

Life Insurance Policies

The Company maintains several life insurance policies for select senior executives. Life insurance policies are recorded at their cash surrender value. As of December 31, 2021 and 2020, \$64,694 relating to life insurance policies held by the Plan were classified as investments at cash surrender value. The change in cash surrender value is included in net appreciation (depreciation) of investments.

John S. James Co. Profit Sharing Plan

Notes to Financial Statements

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company (Ascensus) provided a certification that the financial information included in the financial statements as of December 31, 2021, and for the period from March 1, 2021 through December 31, 2021, and Branch Banking and Trust Company (BB&T) provided a certification that the financial information included in the financial statements as of December 31, 2020, and for the period from January 1, 2021 through February 28, 2021, provided to the Plan is complete and accurate. These certifications excluded the life insurance policies described in Note 2. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021, is covered by such certifications.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

The Plan follows Accounting Standards Codification (ASC) topic 820, Fair Value Measurement, which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below.

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Valued at the quoted market prices of shares held by the Plan at year-end. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value (NAV) as of December 31, 2021 and 2020. It is not probable that the mutual funds will be sold at amounts that differ materially from the NAV of shares held.

4. Fair Value Measurements (cont.)

Basis of Fair Value Measurement (cont.)

Common Collective Trust Fund - Valued at the NAV based on the last reported sales price of the underlying investments held. The NAV is used as a practical expedient to estimate fair value. The Plan's interest in the common/collective trust fund is based on unit values reported by the Plan's trustee using audited financial statements of the fund at year-end and is not classified within the valuation hierarchy.

Furthermore, while management believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

<i>December 31, 2021</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>10,541,908</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>10,541,908</u>
	\$ <u>10,541,908</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>10,541,908</u>
Common collective trust fund measured at NAV*				<u>1,486,775</u>
Total investments at fair value			\$ <u>12,028,683</u>	
<i>December 31, 2020</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>11,722,667</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>11,722,667</u>
	\$ <u>11,722,667</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>11,722,667</u>
Common collective trust fund measured at NAV*				<u>1,047,269</u>
Total investments at fair value			\$ <u>12,769,936</u>	

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Fair value of investments in certain entities that calculate net asset value per share (or its equivalent) is as follows:

Investment	Fair value at December 31, 2021	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust fund	\$ <u>1,486,775</u>	<u>None</u>	<u>Daily</u>	<u>Immediately</u>
Investment	Fair value at December 31, 2020	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust fund	\$ <u>1,047,269</u>	<u>None</u>	<u>Daily</u>	<u>Immediately</u>

Notes to Financial Statements

5. Party-In-Interest Transactions

The recordkeeping and custody functions for the underlying investments held by the Plan are performed by BB&T. Notes receivable from participants are defined by ERISA as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

6. Tax Status

For the period from January 1, 2021, through February 28, 2021, the Plan operated under a Prototype Non-Standardized Profit Sharing Plan with CODA sponsored by BB&T. The Internal Revenue Service (IRS) issued a favorable opinion letter dated March 31, 2014. Although the Plan had been amended since the date of the opinion letter, the Plan administrator believed that the Plan was designed, and had operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified and that the related trust was tax exempt.

For the period from March 1, 2021, through December 31, 2021, the Plan adopted and operated under a Non-Standardized Pre-Approved Profit Sharing Plan with CODA sponsored by Ascensus LLC. The Internal Revenue Service (IRS) has issued a favorable opinion letter dated June 30, 2020, stating the Non-Standardized Pre-Approved Profit Sharing Plan with CODA is designed in accordance with the applicable regulations of the IRC. Therefore, the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not based on the technical merits not to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

8. Risks and Uncertainties

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the Plan's statements of net assets available for benefits.

In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern," which continues to spread throughout the world and has adversely impacted global commercial activity and contributed to volatility in financial markets. The coronavirus outbreak and government responses are creating disruption in global supply chains and adversely impacting many industries and financial market conditions. The outbreak and corresponding government responses and supply chain issues could have a continued impact on economic and market conditions. The rapid development and fluidity of this situation precludes any prediction as to the ultimate impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the Plan, its investment performance, and overall financial results.

Notes to Financial Statements

9. Qualified Non-Elective Contributions

Plan management identified a certain operational issue whereby a participant's contributions were not calculated properly. Plan management took corrective action to make the participant whole in 2022. The correction was calculated and recorded in the Plan's statement of net assets available for benefits as other employer contributions receivable of \$5,737 as of December 31, 2021.

10. Excess Contributions Refundable

The Plan failed the annual non-discrimination test for the year ended December 31, 2021. Excess contributions refundable related to the 2021 Plan year in the amount of \$12,614 are recorded as a liability as of December 31, 2021 in the accompanying statements of net assets available for benefits, and a decrease of \$12,614 in employee contributions for the year ended December 31, 2021 is recorded in the statement of changes in net assets available for benefits. The Plan appropriately refunded the excess contributions to those participants in 2022.

11. Subsequent Events

Management has evaluated subsequent events through September 12, 2022, which is the date the financial statements were available to be issued. Effective May 1, 2022, the Plan was restated and changed its recordkeeper and custodian to Fidelity Management Trust Company. In addition, at the same time, the Plan name changed to John S. James Co. 401(k) Retirement Plan and the automatic annual increases for automatically enrolled participants increased to a maximum of 8%.
