Independent Auditors' Report

To the Trustees of
Kettle Cuisine, LLC 401(k) Savings Plan
Lynn, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of the Kettle Cuisine, LLC 401(k) Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, (1) Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and (2) Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

KETTLE CUISINE, LLC 401(k) SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of Plan

The following description of the Kettle Cuisine, LLC 401(k) Savings Plan (the "Plan") is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan established for the benefit of the employees of Kettle Cuisine, LLC (the Employer). Employees become eligible to participate upon age eighteen or older and have completed three months of service. Employees covered by collective bargaining agreements, leased employees, part-time seasonal employees who have not completed a year of service, and residents of Puerto Rico as defined, are not eligible to participate. Employees can enter the Plan on the first day of the month after meeting the three months of service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Substantially all of the investments are participant directed.

Participant Contributions

Participants may defer up to 100% of their eligible annual compensation as defined by the Plan, subject to dollar limits set by Federal law. Newly hired employees are auto enrolled at an initial deferral rate of 2% unless an alternative election is made. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may rollover amounts representing distributions from other qualified benefit or contribution plans ("Participant rollovers").

Employer Contributions

Safe Harbor Matching Contributions

The Plan is a safe harbor plan and the Employer matches 100% of the first 3% and 50% of the next 2% of each participant's pretax contributions that do not exceed 5% of the participant's compensation, subject to limits imposed by Federal law. The Employer elected to suspend the safe harbor matching contribution effective January 1, 2021 and reinstate the contribution subsequent to year-end effective January 1, 2022.

Discretionary Matching and Profit Sharing Contributions

The Employer may contribute additional discretionary matching or profit sharing contributions equal to a percentage of each eligible participant's contribution. To be eligible to receive an additional discretionary Employer contribution, an employee must have worked 1,000 hours during the Plan year and be employed on the last day of the Plan year unless not employed due to disability, death or retirement. For the year ended December 31, 2021, there were no discretionary Employer contributions made.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's contributions and Plan investment earnings, and reduced by direct loan fees, when applicable. Allocations are based on participants' compensation, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit provided from the participant's vested account.

KETTLE CUISINE, LLC 401(k) SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Vesting

Participants are always fully vested in their voluntary contributions, safe harbor matching contributions, and rollover accounts plus actual earnings thereon. A participant begins vesting in Employer discretionary contributions after 2 years of service and is 100% vested after 6 years of service plus earnings thereon. A participant also becomes fully vested upon reaching normal retirement age or due to death or disability.

Modifications to the above relate to amounts merged into the Plan from the CulinArte Marketing Group, LLC 401(k) Plan, Savory Creations International, Inc. 401(k) Profit Sharing & Trust, Harris Soup Company 401(k) Plan and Fresh Foods of Washington, Inc. 401(k) Plan which are all 100% vested.

Payment of Benefits

In-service withdrawals from all participant account balances are permitted upon reaching age 59½. Upon termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of his or her account. Upon termination, if a participant's account balance exceeds \$1,000 but does not exceed \$5,000, and the participant does not elect to take a distribution, the Plan administrator may make a lump-sum distribution to a direct rollover individual retirement account. If a participant's balance is less than \$1,000, and the participant does not elect to receive the distribution, the Plan administrator may distribute the account directly to the participant. Hardship withdrawals may be taken from a participant's elective deferral account without respect to earnings and their rollover account.

Discretionary matching and profit sharing contributions merged into the Plan from the Del Monaco, Inc. 401(k) Plan may be withdrawn, regardless of age, provided that either (1) the participant is 100% vested and has at least 5 years of participation, or (2) the participant is 100% vested and the amounts to be withdrawn have accumulated for at least two years.

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was passed by the U.S. Senate on March 26, 2020. Section 2202 of the CARES Act permits eligible Plan participants to request special penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons include the participant, spouse or dependent diagnosed with COVID-19, adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. The special coronavirus-related distributions waive the 10% early withdrawal penalty and were allowed to be made between January 1, 2020 and December 31, 2020.

Notes Receivable from Participants

Participants may borrow from their account up to a maximum equal to the lesser of \$50,000 or 50% of the vested value of their accounts. Note terms range from one to five years or up to fifteen years for the purchase of a primary residence. The notes are secured by the participant's vested balance and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

KETTLE CUISINE, LLC 401(k) SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Notes Receivable from Participants (Continued)

Under the CARES Act, the available loan limit was increased to \$100,000 or 100% of the participant's vested account balance. The CARES Act also delayed loan payments for a COVID-19 qualified individual for any loan outstanding on or after March 27, 2020 through December 31, 2020 and, if applicable, extends the loan for up to one year. This increased loan limit was allowed to be taken from March 27, 2020 through September 22, 2020.

Forfeitures

A participant who leaves the employ of the Employer forfeits any non-vested balance upon the earlier of five consecutive one-year breaks in service or the distribution of the entire vested portion of the participant's account. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$46,500 and \$47,980, respectively. Forfeitures are retained in the Plan and may be used to reduce Employer contributions or to pay Plan expenses. Forfeitures in the amount of \$84,768 were used to pay Plan expenses during the year ended December 31, 2021.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest and are secured by the balance in the respective participant's account. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

KETTLE CUISINE, LLC 401(k) SAVINGS PLAN

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses incurred in the administration of the Plan are paid by the Employer unless the Employer directs that such expenses shall be paid by the Plan. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account. Investment management and recordkeeping fees, if applicable, are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Subsequent Events

The Plan administrator has evaluated subsequent events through August 1, 2022, the date that the financial statements were available to be issued. No significant matters were identified for disclosure in that evaluation.

Note 3 - Information Certified by Trustee and Custodian

Plan investments are held by the Plan's trustee and custodian, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (collectively "Great-West"), in mutual fund accounts, common collective trusts, and a guaranteed income fund. The fair and contract values of investments as of December 31, 2021 and 2020 and all investment transactions for the year ended December 31, 2021, including net appreciation in fair values and interest and dividends are reported to the Plan and certified as complete and accurate by Great-West. Notes receivable from participants and information included in the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) has also been derived from information certified by Great-West.

The Plan offers investment choices to allow participants to create a diversified portfolio of assets based on a participant's risk tolerance. Participants may direct contributions to any of the investment options that consist of shares of mutual fund accounts, common collective trusts, and a guaranteed income fund sponsored by Great-West.

KETTLE CUISINE, LLC 401(k) SAVINGS PLAN

Notes to Financial Statements

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net assets value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust

Valued at the NAV of units of a collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

(a) In accordance with ASC subtopic 820-10, "Fair Value Measurements," certain investments that are not measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy amounts to amounts presented in the Statements of Net Assets Available for Benefits.

Total	\$ 7,621,728	\$ 5,712,172	\$ -		

(b) See above for the description of the common collective trusts.

Note 5 - Investment Contract with Insurance Company

The Plan invests in Great-West Life & Annuity Insurance Company's (Great-West) Guaranteed Income Fund which is a fully benefit-responsive investment. Great-West maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The Guaranteed Income Fund is reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount Participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less benefits paid and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendment to the Plan document (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events, which would limit the Plan's ability to transact at contract value with the contract issuer, are probable of occurring.

Notes to Financial Statements

Note 5 - Investment Contract with Insurance Company (Continued)

The contract value of the funds allocated to the general account with the insurance carrier at December 31, 2021 and 2020 was \$664,745 and \$489,897, respectively. Great-West is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The crediting interest rate at December 31, 2021 and 2020 was 0.90% and 1.00%, respectively. The average yield for the year ended December 31, 2021 was 1.04%.

Note 6 - Related-Party and Exempt Party-in-Interest Transactions

Plan investments are held and managed by Great-West, the custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payment to Great-West and other service providers in the amount of \$123,265 for the year ended December 31, 2021. Notes receivable from participants also qualify as party-in-interest transactions.

During the Plan year ended December 31, 2021, the Plan received \$74,299 of revenue credits which are reported as other income on the Statement of Changes in Net Assets Available for Benefits. The revenue credits are utilized on Plan expenses.

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events such as a pandemic or international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

Note 9 - Tax Status

The Internal Revenue Service has determined that the prototype 401(k) profit sharing plan is designed in accordance with applicable sections of the Internal Revenue Code (the "IRC") and informed the trustee of such in a letter dated March 31, 2014. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been recorded in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	2021	2020
Net assets available for benefits per the financial statements	\$ 24,298,983	\$ 20,091,468
Deemed, distributed loans reported on the financial statements, not reported on Form 5500	<u>(26,686)</u>	<u>(84,814)</u>
Net assets per Form 5500	<u>\$ 24,272,297</u>	<u>\$ 20,006,654</u>

The following is a reconciliation of the net increase in net assets available for benefits before transfers per the financial statements to net income per Form 5500 for the year ended December 31, 2021:

Net increase in net assets available for benefits before transfers per the financial statements	\$ 4,207,515
2021 deemed distributions	(26,686)
2020 deemed distributions	<u>84,814</u>
Net income per Form 5500	<u>\$ 4,265,643</u>

In addition, there are differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements, which are a result of different classifications between line items.

Note 11 - Delinquent Contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the Employer's general assets. While the Employer remitted the participant contributions to the Plan, contributions of \$2,904 were not remitted within the required time period during the year ended December 31, 2020. The Employer funded the lost earnings to the Plan during 2021.
