## **INDEPENDENT AUDITOR'S REPORT**

To the Executive Committee of ARAG North America, Inc.  
ARAG North America, Inc. Savings and Investment Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of ARAG North America, Inc. Savings and Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *2021 Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Other Matter - 2020 Financial Statements*

LWBJ, LLP, who merged into UHY LLP as of January 4, 2022, was engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed LWBJ, LLP not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated July 27, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule; and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the information certified by a qualified institution, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**ARAG NORTH AMERICA, INC.  
SAVINGS AND INVESTMENT PLAN**

Notes to Financial Statements

December 31, 2021

**1. Description of the Plan**

The following description of ARAG North America, Inc. Savings and Investment Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan, which permits all ARAG North America, Inc. ("Company") employees to participate in the Plan after commencing employment and meeting Plan eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

**Contributions**

The Plan allows for employee contributions up to 100% of pay, subject to Internal Revenue Service ("IRS") limitations, in addition, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan is also funded by matching contributions from the Company equal to 100% of employee pre-tax contributions, up to 9% of compensation.

**Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, and (b) Plan earnings, and charged with an allocation of contract charges. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately 100% vested in their elective deferrals and certain other contributions as described in the Plan plus earnings thereon. Vesting in the Company contribution portions of their accounts plus earnings thereon is based on years of continuous service. A participant vests at a rate of 33 1/3% per year and is 100% vested after three (3) years of continuous service.

**Notes Receivable, Participants**

Participants are permitted to borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their account balance or \$50,000, whichever is less. The loans are secured by the balances in the participant's account.

SAVINGS AND INVESTMENT PLAN**

Notes to Financial Statements (continued)

**1. Description of the Plan (continued)**

**Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant (or participant's beneficiary in the event of death) will receive a lump-sum distribution of the vested account balances not exceeding \$5,000. Participants with vested account balances exceeding \$5,000 have various options for distribution as described in the Plan agreement. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or roll over the vested balance to another plan. In addition, hardship distributions are permitted if certain criteria are met.

**Forfeited Accounts**

At December 31, 2021 and 2020, forfeited non-vested accounts were \$27,509 and \$66, respectively. These accounts are used to pay Plan expenses and offset the future Company matching contributions. During 2021 and 2020, employer contributions and Plan expenses were reduced by \$9,360 and \$23,410, respectively, with forfeited non-vested accounts.

**Plan Termination**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, the accrued benefits of all participants shall be distributed to participants as provided in the Plan.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from these estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

**ARAG NORTH AMERICA, INC.  
SAVINGS AND INVESTMENT PLAN**

Notes to Financial Statements (continued)

**2. Summary of Significant Accounting Policies (continued)**

**Investment Valuation and Income Recognition (continued)**

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Notes Receivable, Participants**

Notes receivable, participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants in 2021.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statements of changes in net assets available for benefits as administrative fees. Additional expenses incurred by the Plan are paid by the Company.

**3. Certified Investment Information**

Certain information related to investments and notes receivable, participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable, participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends, interest income, and interest income on notes receivable, participants for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by qualified institutions. Prudential Retirement Insurance and Annuity Company and Prudential Bank and Trust, F.S.B (collectively referred to as "Prudential") was the trustee and custodian of the Plan as of and for the year ended December 31, 2020. As of February 1, 2021, Principal Trust Company ("Principal") was engaged as the new trustee and custodian of the Plan. Prudential certified such information as of January 31, 2021 and December 31, 2020, for the year ended December 31, 2020, and for the period January 1, 2021 through January 31, 2021. Principal certified such information as of December 31, 2021 and for the period February 1, 2021 through December 31, 2021.

**ARAG NORTH AMERICA, INC.  
SAVINGS AND INVESTMENT PLAN**

Notes to Financial Statements (continued)

**4. Fair Value Measurements**

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, establishes a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority):

Level 1, defined as unadjusted quoted prices in active markets accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2, defined as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and

Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued based on quoted prices of identical assets in active markets.

*Collective investment trusts and stable value fund:* Valued at the net asset value ("NAV") of units of the fund held by the Plan. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

The following table shows assets measured at fair value as of December 31, 2021 and 2020 on the Plan's statements of net assets available for benefits and the input categories associated with those assets:

| Description                      | Investments at Fair Value as of December 31, |                      |               |                      |

**4. Fair Value Measurements (continued)**

**Fair Value of Investments that Calculate NAV**

The following table summarizes the investments measured at NAV per share as of December 31, 2021:

|                                  | <u>2021</u>          | <u>Unfunded<br/>Commitments</u> | <u>Redemption<br/>Frequency</u> | <u>Notice<br/>Period</u> |
|----------------------------------|----------------------|---------------------------------|---------------------------------|--------------------------|
| Stable value fund                | \$ 663,197           | None                            | Daily                           | (a)                      |
| Collective investment trusts (b) | <u>24,599,470</u>    | None                            | Daily                           | None                     |
|                                  | <u>\$ 25,262,667</u> |                                 |                                 |                          |

(a) Redemptions of participant units are made on each business day at NAV. The Plan is required to give twelve (12) months' notice of intent to redeem all of its units.

(b) The collective investment trusts are strategic asset allocation funds that invest in a diversified portfolio through the use of mutual funds, ETFs, individual securities and other pooled funds. Each fund has its own objective of either capital appreciation and income or stability of investment principal and income. The information in the table above is the same for each collective investment trust the Plan invests in and has been condensed into a single line.

**5. Guaranteed Income Contract with Prudential**

Until the conversion to Principal, the Plan offered a fully-benefit responsive contract with Prudential as an investment option to Plan participants. Prudential maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The repayment of principal and interest credited to participants is a financial obligation of Prudential. The contract is included in the financial statements at contract value as reported to the Plan by Prudential. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. There is no market value adjustment upon discontinuance of a contract and no specific securities in the general account that back the liabilities of these contracts. As there are no known cash flows that could be discounted, the fair value for these contracts is equal to the contract value.

There are no reserves against the contract value for credit risk of the contract issuer and otherwise. Interest is credited on a daily basis (including weekends and holidays) based on the daily equivalent of the annual effective crediting rate (daily factor), which is applicable on such balances.

Generally, there are no events that could limit the ability of the Plan to transact at the contract value paid within 90 days or contract value paid over time. There are no events that allow Prudential to terminate the contract and require the Company to settle at an amount other than the contract value paid either within 90 days or over time.

**ARAG NORTH AMERICA, INC.  
SAVINGS AND INVESTMENT PLAN**

Notes to Financial Statements (continued)

**6. Party-In-Interest Transactions**

Plan investments include shares of a mutual fund managed by Principal, the trustee of the Plan. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. The Plan also contains participant loans. Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services for the Plan at no cost to the Plan. These investments and transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules under ERISA.

**7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**8. Tax Status**

The Plan was amended as of February 1, 2021 to a prototype plan developed by Principal. The IRS has determined and informed Principal, by a letter dated August 8, 2014, that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC") and therefore, is acceptable for use by employers for the benefit of their employees.

The letter also states that the IRS is not making a determination as to whether plans created from the prototype, such as this one, are designed in accordance with applicable sections of the IRC, but that such plans would be considered qualified provided all the terms of the prototype plan are followed and plan provisions are not more favorable to certain individuals. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The prototype has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan's management believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the State of Iowa. Plan management has not identified any uncertain tax positions.
