Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Motley Fool Holdings, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section,

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE MOTLEY FOOL HOLDINGS, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF PLAN

The following description of The Motley Fool Holdings, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of The Motley Fool Holdings, Inc. and its subsidiaries (the “Company”). Employees are eligible to participate in the Plan upon employment. The Company is the Plan Sponsor. As of December 31, 2020, and for the period from January 1, 2021 to January 29, 2021, Branch Banking and Trust Company (“BB&T”) served as the Plan trustee. As of December 31, 2021, and for the period from January 30, 2021 to December 31, 2021, Charles Schwab Trust Bank served as the Plan trustee (the “Trustee”), and Schwab Retirement Plan Services, Inc. served as the recordkeeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Contributions

Participants may contribute to the Plan on a pretax and/or after-tax basis, up to the lesser of 70% of annual compensation, as defined in the Plan, or the maximum allowable under the Internal Revenue Code (“IRC”). Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. The Plan also permits participants to make Roth elective deferrals. Participants may roll over amounts from other qualified plans to their accounts at any time during the plan year.

The Plan has an automatic enrollment feature whereby newly hired employees will be automatically enrolled into the Plan when the employee first becomes eligible to participate. The automatic elective deferral contribution is 3% of compensation. The participant may affirmatively elect a different percentage or elect not to make elective deferral contributions. In addition, unless an employee affirmatively elects otherwise, deferral contributions for each active participant with automatic enrollment contributions made on their behalf shall be increased by 3% annually until the contribution percentage reaches 9%.

THE MOTLEY FOOL HOLDINGS, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF PLAN (continued)

The Company may make matching or nonelective discretionary contributions to the Plan in an amount determined annually by the Company. During 2021, the Company's match was 200% up to the first 1% of eligible compensation and 50% of the next 9% of eligible compensation. The Company made no nonelective discretionary contribution to participants for the 2021 plan year.

Participants' Accounts

Each participant's account is credited with the participant's contribution, the Company's matching and nonelective discretionary contributions, and an allocation of the investment earnings and losses. Allocations of investment earnings and losses are based on account balances as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in the employer's matching and nonelective discretionary contributions and the earnings thereon based on years of service as follows:

Years of Service for Vesting Purposes	Percentage Vested
Less than 1 year	0%
1	25%
2	50%
3	75%
4 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the Prime rate on the date of the application plus 1%. Principal and interest are paid ratably through payroll deductions.

NOTE 1: DESCRIPTION OF PLAN (concluded)

Payment of Benefits

Plan benefit payments commence upon the earliest of age 59½, retirement, disability, or death. If a participant's employment is terminated other than by retirement, disability, or death, the participant is entitled to the vested percentage of his or her individual account balance. Participants who are separated from service with a vested account balance at least \$1,000 but less than \$5,000 will have their account balance rolled over into an individual retirement account on the participant's behalf. If the participant's vested balance is \$1,000 or less, it is automatically distributed to the participant. Participants may elect to receive either annual installments or a lump-sum amount.

Upon proof of financial hardship, distributions may be available from the Plan.

A participant hired prior to February 1, 2021, is eligible for an early retirement option if they obtain the later of age 55 or four years of participation in the Plan.

Forfeited Accounts

Forfeitures occur upon termination of employment by a participant who is not fully vested. Forfeiture amounts relating to employer contributions are used to pay the Plan's administrative expenses or to reduce employer contributions.

During 2021, forfeitures of \$21,199 were used to reduce administrative expenses. As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$205,292 and \$31,521.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, distributions, and other investment-related expenses are included in administrative expenses on the accompanying statement of changes in net assets available for benefits. Investment-related expenses are included in net appreciation in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY TRUSTEE AND BB&T

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants as of December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee and BB&T.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. All of the Plan's investments are valued using level 1 measurements.

NOTE 4: FAIR VALUE MEASUREMENTS (concluded)

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Cash and cash equivalents - Consists primarily of money market funds, which are valued at the daily closing price as reported by the fund, and cash, which is valued on the basis of readily determinable market prices. The money market funds are required to publish their daily NAV and to transact at that price. The money market funds held by the Plan are deemed to be actively traded.

Common stock - Valued at the closing price reported on the active market on which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31:

	2021	2020
	Investments at Fair Value	
	Level 1	Level 1
Mutual funds	\$ 97,037,243	\$ 73,768,719
Cash and cash equivalents	783,808	1,070,160
Self-directed brokerage account:		
Mutual funds	3,037,426	564,855
Cash and cash equivalents	1,574,704	1,132,135
Common stock	24,217,253	24,382,723
Total investments at fair value	<u>\$126,650,434</u>	<u>\$100,918,592</u>

NOTE 5: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Charles Schwab Trust Bank is the Trustee of the Plan; therefore, transactions with the Trustee qualify as party in interest transactions that are allowable under ERISA. Fees paid by the Plan to the Trustee totaled \$6,403 for the period from January 30, 2021 to December 31, 2021.

For the period from January 1, 2021 to January 29, 2021, certain Plan investments were shares of registered investment companies managed by BB&T. BB&T was the trustee and recordkeeper for the Plan during this period, and, therefore, these transactions qualify as party in interest transactions. The Plan made direct payments to BB&T totaling \$20,559 for trustee and recordkeeping services. Individual participants were charged fees totaling \$250 related to the administration of notes receivable and distributions, and those amounts are included in administrative expenses on the statement of changes in net assets available for benefits. The Company pays directly any other fees related to the Plan's operations.

Additionally, certain Plan investments are shares of registered investment companies managed by Motley Fool Asset Management LLC, a subsidiary of the Company, and are included as a component of participant self-directed brokerage accounts. Transactions related to these investments qualify as related party transactions.

NOTE 6: INCOME TAX STATUS

The Plan obtained its latest opinion letter dated September 21, 2020, in which the Internal Revenue Service stated that the Schwab Retirement Plan Services, Inc. Prototype Non-Standardized Pre-Approved Profit Sharing Plan with cash or deferred arrangement, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities.

NOTE 7: SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through September 12, 2022, the date these financial statements were available for issuance, and determined that no events have occurred that would require adjustment to or disclosure in these financial statements.
