INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees of
The Tire Guys 401(k) Plan, Plan No. 001
Billings, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Tire Guys 401(k) Plan, Plan No. 001 (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Tire Guys 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Tire Guys 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Tire Guys 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Tire Guys 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Tire Guys 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees of
The Tire Guys 401(k) Plan, Plan No. 001
Billings, Montana

We were engaged to audit the accompanying financial statements of The Tire Guys 401(k) Plan, Plan No. 001 (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee hold the Plan's investment assets and execute investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THE TIRE GUYS 401(K) PLAN
PLAN NO. 001
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1. PLAN DESCRIPTION

The following description of The Tire Guys 401(k) Plan, Plan No. 001 (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a voluntary defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code (IRC) of 1986. It covers substantially all full-time employees of the Plan sponsor, The Tire Guys, Inc., who have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may elect to have up to 75% of their compensation contributed to the Plan on a pre-tax or after-tax basis pursuant to IRC Section 401(k), not to exceed the statutory limit of \$19,500 in 2021 and 2020, as defined by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions not to exceed \$6,500 in 2021 and 2020. Participants may also contribute amounts representing rollovers from other qualified sources. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds, a money market fund, and a stable value fund.

After one year of service, the Plan sponsor will make a safe harbor, non-elective employer contribution equal to 3% of eligible compensation for each qualifying participant. Employer non-elective contributions totaled \$433,265 and \$429,027 for the years ended December 31, 2021 and 2020, respectively. Additionally, each year, at the option of the Plan sponsor's Board of Directors, the Plan sponsor may make a discretionary matching contribution to the Plan. For the years ended December 31, 2021 and 2020, the Board of Directors did not authorize a discretionary matching contribution. Sponsor contributions are invested as directed by each participant. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of employer contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations of Plan earnings are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Vesting

Participants are immediately 100% vested in their elective deferrals and safe harbor, non-elective employer contributions, plus actual earnings thereon. Vesting in the Plan sponsor's matching contributions plus actual earnings thereon is based on years of service. A participant is 100% vested after six years of credited service. The vesting schedule is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Notes Receivable from Participants

Participants may borrow from their vested account balance. The amount of the loan permitted by the Plan is a minimum of \$1,000, up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest set at the date the loan is approved. The Plan allows the trustee to accept loan requests by participants as pre-approved by the Plan sponsor, with certain exceptions. Principal and interest are paid ratably through bi-weekly payroll deductions. Additionally, participants cannot have more than one loan outstanding at any given time.

Under the provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) participants were allowed to borrow up to \$100,000 or 100% of their vested account balance between March 27, 2020 and September 22, 2020. Individuals with an outstanding loan from the Plan on or after March 27, 2020, were allowed to defer loan payments between March 27, 2020 and December 31, 2020 for up to one year.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or termination, a participant may elect to receive a lump sum amount equal to the vested value of the participant's account; may transfer the vested value of their account to another retirement investment vehicle; or may choose to leave vested benefits exceeding \$1,000 in the Plan. As of December 31, 2021 and 2020, there were no significant amounts due to participants who had withdrawn from the Plan but had not yet been paid.

Hardship withdrawals, subject to a \$500 minimum amount, are allowed to be withdrawn from participant elective deferrals and earnings, QNECs and earnings thereon, and safe harbor 401(k) contributions to satisfy an immediate and heavy financial need that cannot be satisfied from other financial sources. Participants are not required to take a Plan loan prior to requesting a hardship distribution.

PLAN NO. 001
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021 and 2020

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Payment of Benefits (Continued)

Coronavirus-related distributions permitted under the CARES Act were allowed during the Plan year ended December 31, 2020 for participants meeting the specified qualifications in section 2202 of the CARES Act.

Forfeitures

Forfeitures of the non-vested portion of terminated participants' accounts are retained in the Plan and may be used to pay administrative expenses or reduce employer contributions. During the Plan years ended December 31, 2021 and 2020, forfeitures of \$526 and \$527, respectively, were used to reduce administrative expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$5,422 and \$4,285, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, each participant would become 100% vested in their account.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America (GAAP), as codified by the Financial Accounting Standards Board (FASB) and the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. In the event of default, any remaining balance due on the participant loan will be treated as a taxable distribution from the Plan in accordance with the Plan agreement.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

THE TIRE GUYS 401(K) PLAN
PLAN NO. 001
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021 and 2020

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

The Plan's investments are subject to the risk of value fluctuations that are inherent in the market. As such, the value of the Plan's assets may change frequently. To help manage this risk, the Plan utilizes professional investment managers who oversee the Plan's portfolio and may make changes as they see fit. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The Plan sponsor pays some of the administrative expenses of operating the Plan. Generally, those expenses include audit and miscellaneous administration and trustee fees and are not reimbursed by the Plan. The Plan permits the payment of plan-related expenses to be made from plan assets. These expenses are primarily recordkeeping fees that are allocated proportionately based on the value of the account balances or as an equal dollar amount based on the number of plan participants.

The Plan also permits the payment of transactional expenses, which are incurred by or attributable to a particular individual based on the use of a particular plan feature to be assessed against an individual participant's account. Examples of these are loan fees, expenses related to qualified domestic relations orders (QDROs), and hardship distributions. Investment transaction related expenses are included in net appreciation in fair value of investments.

Income Tax Status

The Plan sponsor adopted a prototype plan document and is relying on the prototype sponsor's opinion letter from the IRS dated March 31, 2014. The letter states that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Although the prototype plan has been amended since receiving the opinion letter, the prototype sponsor and the Plan administrator believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is exempt from federal and state income taxes. The determination of tax-exempt status is considered to be a tax position. The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the IRC, Revenue Rulings, court decisions, and other evidence. It is the opinion of the Plan administrator that the Plan has no uncertain tax positions.

NOTE 3. CERTIFIED CUSTODIAN INFORMATION (UNAUDITED)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company, except for comparing such information certified by the qualified institution to information included in the Plan's financial statements and supplemental schedule. The trustee is a qualified institution that prepared and certified the information in accordance with 29 CFR 2520.103-5.

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data prepared and certified as complete and accurate by Fidelity Management Trust Company as of and for the years ended December 31, 2021 and 2020.

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are:

Level 1: Inputs to the valuation methodology are unadjusted, quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Money market fund*: Valued based on quoted prices in an active market.
- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Stable value fund*: Valued at the NAV per share as of the close of business on the valuation date. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value, as of December 31, 2021 and 2020. As required by fair value measurement standards, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

Description	Investments at Fair Value as of December 31, 2021	
	Total	Level 1
Money market	\$ 555,239	\$ 555,239
Mutual funds	<u>12,932,351</u>	<u>12,932,351</u>
Total assets in the fair value hierarchy	13,487,590	13,487,590
Investments measured at NAV *	<u>32,885</u>	<u>-</u>
Total investments at fair value	<u>\$ 13,520,475</u>	<u>\$ 13,487,590</u>

Description	Investments at Fair Value as of December 31, 2020	
	Total	Level 1
Money market	\$ 556,347	\$ 556,347
Mutual funds	<u>11,846,314</u>	<u>11,846,314</u>
Total assets in the fair value hierarchy	12,402,661	12,402,661
Investments measured at NAV *	<u>295,650</u>	<u>-</u>
Total investments at fair value	<u>\$ 12,698,311</u>	<u>\$ 12,402,661</u>

* In accordance with FASB's Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share as a practical expedient (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments that Calculate NAV

The following table summarizes investments measured at fair value based on calculated NAV per share as a practical expedient as of December 31, 2021 and 2020.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Stable value fund	<u>\$ 32,885</u>	n/a	Daily	1 day
<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Stable value fund	<u>\$ 295,650</u>	n/a	Daily	1 day

NOTE 5. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan sponsor provides the Plan with certain accounting and administrative services for which no fees are charged to the net assets of the Plan. Fidelity Management Trust Company provides the Plan with investment management, administrative, and record-keeping services. Fees paid to Fidelity Management Trust Company by the Plan for these services amounted to \$60,166 and \$51,331 in 2021 and 2020, respectively.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of economic uncertainty and volatility in financial markets, various investment securities held by the Plan have incurred significant declines in fair value since December 31, 2021. The markets continue to evolve rapidly, and Plan management is not able at this time to estimate the full impact on the Plan's financial statements.

NOTE 7. SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through September 16, 2022, the date which the financial statements were available to be issued.

Effective February 23, 2022, the Plan sponsor adopted Fidelity's pre-approved document for defined contributions plans and restated the Plan's adopted agreement to include legislative requirements the Plan administrator had authorized during the 2020 plan year. The Plan document received a favorable determination letter from the IRS dated June 30, 2020.
