McCabe, Hamilton & Renny Company, Limited 401(k) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of McCabe, Hamilton & Renny Company, Limited 401(k) Retirement (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a period of one year from the date of issuance of the auditor's report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule - Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters (Continued)

2021 Supplemental Schedule Required by ERISA (continued)

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**MCCABE, HAMILTON & RENNY COMPANY, LIMITED
401(k) RETIREMENT SAVINGS PLAN**

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN

The McCabe, Hamilton & Renny Company, Limited 401(k) Retirement Savings Plan (Plan) was established to provide retirement benefits for the employees of McCabe, Hamilton & Renny Company, Limited (Company). The following is a description of the Plan, which provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General

The Plan is a profit sharing and salary deferral plan, also known as a 401(k) plan, covering all employees (except casual employees) of the Company who are at least 21 years of age and have one year of employment of at least 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Participants may make employee salary deferral contributions to the Plan up to the lesser of their eligible compensation or \$19,500 in 2021 and 2020, adjusted annually for the cost of living, plus an additional \$6,500 in 2021 and 2020, for employees age 50 and over. The Company may elect on a year-to-year basis to make matching contributions to the Plan that are allocated to participants based on a percentage of the salary deferral contributions of each participant who has completed a year of service and is still employed by the Company on the last day of the plan year. The Company also may elect on a year-to-year basis to make discretionary contributions to the Plan that are allocated to participants based on their compensation. The Company's matching and discretionary contributions are only available to non-bargaining employees, with the exception of negotiated bargaining unit benefits. Total contributions to each participant's account may not exceed the lesser of \$58,000 (\$64,500 if age 50 and older) in 2021 and \$57,000 (\$63,500 if age 50 and older) in 2020, or 100% of annual compensation, as defined.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's contribution (if applicable); plus an allocation based on participant earnings or account balances of the Plan's net earnings, less an allocation of Plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are under a three-year cliff vesting schedule. Under this vesting schedule, participants become 100% vested in employer matching and discretionary contributions once three years of vesting service are completed. Prior to the completion of three years of vesting service, participants have no ownership interest in their employer matching or discretionary amount. Discretionary and matching contributions become 100% vested upon death, permanent disability, or attaining the normal retirement age of 65 or upon completion of three years of participation. Participants are always fully vested in their elective and rollover contributions, and earnings thereon.

401(k) RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN (Continued)

Payment of Benefits

The vested amount in each participant's account is payable upon normal retirement, disability, death, or termination of employment. Participants who have vested account balances in excess of \$5,000 may receive their accounts in a single lump-sum payment or in periodic payments over their life expectancy. Participants who have vested account balances that do not exceed \$5,000 may receive their accounts in a single lump-sum payment only. Participants with account balances of \$1,000 or less at the time of separation are automatically disbursed to the participant.

Withdrawals

Active participants may withdraw all or a portion of their vested account balances as in-service distributions after attaining age 59-1/2, or as hardship withdrawals, by submitting a written application that is approved by the plan administrator. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the IRS and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

The federal Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which was enacted on March 27, 2020, provided for expanded distribution options of up to an aggregate limit of \$100,000 of coronavirus-related distributions from all eligible retirement plans to qualified individuals from May 2020 to December 2020, as well as special rollover rules with respect to such distributions. Such distributions (included in benefits paid to participants) amounted to \$2,247,069 for the year ended December 31, 2020.

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the nonvested portion of the participant's account balance. Forfeitures can be used to reduce the Plan's administrative expenses or the amount of the Company matching contributions to the Plan. At December 31, 2021 and 2020, forfeited non-vested accounts amounted to \$0 and \$6,478, respectively. During the years ended December 31, 2021 and 2020, forfeitures totaling \$6,478 and \$0, respectively, were used to pay administrative expenses. No forfeitures were used to reduce employer contributions for the years ended December 31, 2021 and 2020.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change in the near term, and such differences could be material to the financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the investment date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. The fair value of the investments and the related net appreciation in the fair value of investments are determined by the qualified institutions of the Plan, Great-West Life & Annuity Insurance Company (Great-West) and Transamerica Retirement Solutions, LLC (Transamerica). See Note D for discussion of the fair value measurements.

Purchases and sales of the securities are recorded on the trade date basis. Interest and dividend income are recognized when earned.

Contributions Receivable

Contributions receivable are recognized for amounts due from the Company and participants remitted to the qualified institution after year-end.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the plan document. Administrative expenses are recognized when the related liability is incurred. Certain investment expenses are included in the net appreciation in the fair value of the investments.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE C – CERTIFICATIONS FROM QUALIFIED INSTITUTIONS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in the fair value of investments, interest, and dividends for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West and Transamerica, the qualified institutions of the Plan.

NOTE D – FAIR VALUE MEASUREMENTS

U.S. GAAP provides a hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the entity has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement. The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The valuation methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Interest-bearing cash, which consists of investments in money market funds, is valued at stated value, a Level 1 input. Investments in registered investment companies are valued using quoted market prices, also a Level 1 input. The Plan values the guaranteed interest account at fair value, which approximates contract value (a Level 3 input). The value of the guaranteed interest account is based on the contributions and transfers into the account, the withdrawals and transfers out of the account, and the income earned by the underlying assets in the account.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$27,228,972</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$27,228,972</u>

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total investments at fair value	<u>\$23,986,741</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$23,986,741</u>

NOTE E – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Transamerica Stable Value Core Account is an unallocated group annuity contract (annuity contract). Amounts invested in this contract are deposited to Transamerica's general account. The contracts are backed by the general accounts of Transamerica, which supports all of Transamerica's policy and contractual obligations, including those that apply to the guaranteed interest account. Transamerica is the owner of the underlying assets in the general account. All guarantees are based on Transamerica's financial claims-paying ability.

Transamerica assigns an interest rate to the annuity contract. Interest is credited daily to amounts the Plan has invested in the annuity contract. The effective credited interest rate is set semi-annually and effective on the first date of the semi-annual period. Contract charges may reduce this return. The annual minimum guaranteed interest rate can be equal to, but will never be less than, the lifetime minimum guaranteed interest rate. Transamerica sets current interest rates for the annuity contract. Current interest rates may be equal to or higher than the annual minimum guaranteed interest rate, but will never be lower.

The annuity option does not provide for a defined maturity date. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value, subject to certain restrictions. Further, withdrawals for participant benefits from the annuity contract are permitted as specified in the contract and are not subject to any market value adjustment.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include amendments to the plan documents including complete or partial plan termination or merger with another plan, bankruptcy of the plan sponsor or other plan sponsor events such as divestiture of a subsidiary that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also limit the ability of the Plan to transact at contract value with the participant.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE E – INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, and a material amendment to the agreement without the consent of the issuer.

NOTE F – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500 as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per financial statements	\$ 28,497,261	\$ 24,087,180
Employer contributions receivable	<u>(100,324)</u>	<u>(100,439)</u>
Net assets available for benefits per Form 5500	<u><u>\$ 28,396,937</u></u>	<u><u>\$ 23,986,741</u></u>

The following is a reconciliation of changes in net assets per the financial statements to changes in net assets available per Form 5500 for the years ended December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Changes in net assets per financial statements	\$ 4,410,081	\$ 1,584,635
Employer contributions receivable, beginning of year	100,439	140,298

Changes in net assets per Form 5500	<u><u>\$ 4,410,196</u></u>	<u><u>\$ 1,624,494</u></u>

NOTE G – ADMINISTRATION OF THE PLAN

The Plan's assets are in a trust fund held by First Hawaiian Bank as the directed trustee of the Plan. Great-West was the custodian of the Plan for the year ended December 31, 2020 and from January 1, 2021 through December 27, 2021. From December 28, 2021 to December 31, 2021, Transamerica became the custodian of the Plan. The determination of the amount, timing, and type of contributions made to the Plan is made by a committee, which also determines the amount and method of benefits paid to participants from the Plan.

Certain administrative functions are performed by officers or employees of the Company, who receive no compensation from the Plan. As provided in the Plan agreement, administrative expenses may be paid either by the Plan or by the Company. Expenses paid by the Company are not reflected in these financial statements.

MCCABE, HAMILTON & RENNY COMPANY, LIMITED
401(k) RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE H – PARTY-IN-INTEREST TRANSACTIONS

First Hawaiian Bank, as trustee of the Plan, has delegated to Great-West and Transamerica, plan custodians, its responsibility for the receipt of contributions, distributions under the Plan, and other financial transactions pertaining to the Plan. As a result, plan investments are managed and transactions are recorded by Great-West and Transamerica, which qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

NOTE I – TAX STATUS

In a letter dated April 26, 2002, the Internal Revenue Service granted the Plan a favorable determination because the Plan met the qualification requirements established by Section 401(a) of the Internal Revenue Code (IRC). The Plan has been amended since the determination letter, and was most recently restated effective December 18, 2015. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, they believe that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires uncertain tax positions to be recognized in the financial statements if they are more likely than not to fail upon regulatory examination. The plan administrator evaluated the Plan's tax positions as of December 31, 2021 and 2020, and for the years then ended, and determined that the Plan had no uncertain tax positions required to be reported in accordance with U.S. GAAP. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.

NOTE J – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan and the Company operate in the State of Hawaii. Local, national, and international events (such as the COVID-19 pandemic and the Russia-Ukraine conflict) can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan was to account for future losses or asset impairments, as the effects on the financial statements of the Plan from such changes in economic conditions, are not presently determinable.

NOTE K – TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE L – SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through September 15, 2022, which is the date the financial statements were available to be issued, and determined that the Plan did not have any subsequent events requiring adjustment to the financial statements or disclosure in the notes to the financial statements.
