INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Strong & Hanni 401(k) Profit-Sharing Plan

Opinion

We have audited the accompanying financial statements of the Strong & Hanni 401(k) Profit-Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974(ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Strong & Hanni 401(k) Profit-Sharing Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Strong and Hanni 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about Strong and Hanni 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Strong & Hanni 401(k) Profit Sharing Plan
Page 2
August 24, 2022

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provision's, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Strong and Hanni 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Strong & Hanni 401(k) Profit Sharing Plan

Page 3

August 24, 2022

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Strong and Hanni 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

STRONG AND HANNI 401(K) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE A—DESCRIPTION OF PLAN

The following description of the Strong & Hanni ("Company") 401(k) Profit-Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan.

Contributions. Each year, participants may contribute up to 25% of pretax annual compensation, as defined in the Plan, up to a maximum dollar limit of \$19,500 (for 2021). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of an additional \$6,500, for a total limit of \$26,000. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate. The Plan contains a "Safe Harbor" provision whereby all participating employees receive an automatic employer contribution of 3% of eligible compensation. Contributions are automatically invested in a designated stable asset fund until changed by the participant. The Company does not match employee elective deferrals but provides an additional "Profit Sharing" contribution to all eligible employees who are participating in the Plan. This profit-sharing contribution is discretionary. The profit-sharing contribution for 2021 was 4.5% of eligible individual participant compensation, up to the limit of \$290,000 (for 2021 compensation). This allows for a total employer contribution for 2021 of \$21,750 per participant, which is 7.5% of \$290,000.

Funding Policy. The Company funds its contribution all at year-end, when the totals of both the 3% "Safe Harbor" contribution and 4.5% profit sharing contribution can be calculated.

Participant Accounts. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's safe harbor and profit-sharing contributions and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their own elective contributions plus actual earnings thereon, and the Company's safe harbor contributions. Vesting in the Company's profit-sharing contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service while participating in the Plan.

STRONG AND HANNI 401(K) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED DECEMBER 31, 2021

Notes Receivable from Participants. Participants may borrow from their Plan accounts up to 50% of the vested portion of their account balance. The notes are secured by the balance in the participant's account and bear interest rates ranging from 3.50% to 5.50%, depending on the year the loan originated. Principal and interest is paid ratably through payroll deductions, and the note payoff term cannot exceed five years. There were no participant notes receivable in default at December 31, 2021.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of not more than the participant's assumed life expectancy. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts. At December 31, 2021, forfeited balances in nonvested accounts were not known because former employees have the possibility of returning to employment with the Company within five years of termination, in which case their previous nonvested account balance, which may have been forfeited, may be restored, unadjusted for any gains or losses. When prior employees exceed the five-year cutoff, the non-vested balance in their account is subject to forfeiture at the time of distribution, so balances subject to future forfeiture are not currently calculated. The Plan allows for any amounts forfeited to first be used to pay any administrative expenses, and for any remaining forfeitures to be used to reduce the Company's contributions. Amounts forfeited in 2021 from contributions to former participants amounted to \$12,626, and the administrator plans to use these amounts to pay administrative expenses and then to reduce future contributions.

Plan Amendments. No amendments were made to the Plan during 2021.

NOTE B—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Subsequent Events

Subsequent events were evaluated through August 24, 2022, which is the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

STRONG AND HANNI 401(K) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED DECEMBER 31, 2021

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, no allowance for loan losses has been recorded. If a participant does not make note repayments and the plan administrator considers the participant loan to be in default, both the loan balance and participant's account balance are reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

On January 1, 2017, the Plan adopted Accounting Standards Update (ASU) 2015-07 and ASU 2015-12 relating to how the values of investments are reported. These standards allow for separating investments into categories showing either the fair value or contract value of the underlying investments. See Notes C & D for discussion of the value measurements. Plan Trustees determine the Plan's valuation policies.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net increase in fair value includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company. Expenses that are paid directly by the Company are excluded from these financial statements and include the audit fee. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

NOTE C—FAIR VALUE MEASUREMENTS

The plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of significant other observable inputs, and Level 3 inputs are unobservable and have the lowest priority.

- (b) The Standard Stable Asset A is reported at contract value, which is the amount participants would receive if they were to initiate permitted transactions under the terms of the contract and approximates fair value.
- (c) Unpaid principal balance plus any accrued but unpaid interest on December 31, 2021.

NOTES TO FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE D – INVESTMENTS AT CONTRACT VALUE

The Plan holds a group annuity contract that is a traditional investment contract issued by the Standard Insurance Company. The contract meets the fully benefit-responsive investment contract criteria and is therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the activity in the contract known as Standard Stable Asset A during the year ended December 31, 2021:

	Standard Stable Asset A
Assets at Contract Value	
Balance, beginning of period	\$ 2,882,353
Earnings	52,417
Fees	(1,082)
Fund transactions:	
Contributions	101,469

Transfers into the Fund	743,116
Transfers out of the Fund	<u>(600,587)</u>
Balance, end of year	\$ <u>3,072,779</u>

NOTE E—PARTY-IN-INTEREST TRANSACTIONS AND RELATED PARTIES

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides service to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or a relative of such persons mentioned. Accordingly, loans to participants are considered party-in-interest transactions.

During the Plan year, The Standard Insurance Company ("Standard") provided all recordkeeping and trust services to the Plan. This service provider qualified as a party-in-interest for the year ended December 31, 2021. The Company, as sponsor of the Plan, is also considered a party-in-interest. Charles Schwab Trust Bank serves as custodian of the assets of the Plan, and also qualifies as a party-in-interest. The accounting firm, Terry, Price & Wunderli, LLC, provides auditing service to the Plan, and is also a party-in-interest.

Plan trustees are unaware of any related party relationships between Plan administrators, Plan trustees, and service organizations that would have participated in any transactions carried out for the Plan.

STRONG AND HANNI 401(K) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE F—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G—TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019. The administrative committee believes that the plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

NOTE H—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I—NET ASSETS AVAILABLE FOR BENEFITS OF TERMINATED EMPLOYEES

Net assets available for benefits at December 31, 2021, include \$6,301,218 allocated to the accounts of 37 persons who, as of or prior to that date, had terminated their employment with the Company but who chose to leave their account balance in the Plan, as allowed by the Plan. The \$6,301,218 is payable to the former participants at the time they elect distribution or transfer to other qualified plans, with a small amount of that (not now determinable) which is subject to forfeiture.
