Trustees and Administrative Committee
Color-Art Palette, Inc. Employees Profit Sharing Plan
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements

We have performed an audit of the financial statements of Color-Art Palette, Inc. Employees Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report On The 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report, dated August 25, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 And 2020

1. Description Of The Plan

The following description of the Color-Art Palette, Inc. Employees Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Document for more complete information.

General

The Plan is a defined contribution plan with a 401(k) provision covering all eligible employees of Color-Art Palette, Inc. and subsidiaries (collectively, the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Principal Trust Company and Principal Life Insurance Company (collectively, Principal) were the Plan's trustee and recordkeeper, respectively, from January 1, 2020 through October 31, 2021. Effective November 1, 2021, the Plan changed trustee and recordkeeper to Charles Schwab Trust Bank and Schwab Retirement Plan Services, Inc. (collectively, Charles Schwab), respectively.

Eligibility

The Plan covers substantially all employees of the Company who have completed 60 days of service and are age 21 or older. The Plan provides for automatic enrollment with contributions of 4% of eligible compensation unless the participant elects to opt out of participation or elect a different deferral percentage. In addition, the Plan provides for an automatic escalation provision. Unless elected otherwise, participant deferral contributions will automatically increase 1% every January 1 until the participant's deferral contribution rate reaches 10%.

Participants are eligible to share in the Company discretionary matching contributions upon completing 1,000 hours of service during the first year of employment or 1,000 hours of service during any subsequent Plan year.

Entry dates are the first of each month following the month in which the employee has satisfied the eligibility requirements.

COLOR-ART PALETTE, INC.
EMPLOYEES PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

Contributions

Participants may contribute up to 50% of pretax annual compensation, not to exceed Internal Revenue Service (IRS) limits, consisting of pre-tax deferrals, Roth contributions, or a combination of pre-tax and Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions.

Effective May 1, 2021, participants may contribute up to 100% of annual compensation, not to exceed IRS limits. In addition, the Plan also added an after-tax contribution option.

The Company may elect to make discretionary matching and profit sharing contributions to the Plan. During 2021 and 2020, the Company's matching contribution was equal to 30% of the participants' deferral contributions, up to 7% of the participants' eligible compensation. There were no profit sharing contributions made in 2021 or 2020.

Participants direct the investment of all contributions into various investment options offered by the Plan.

Notes Receivable From Participants

A participant may borrow from their account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. A participant may not have more than one note outstanding at any given time. Notes receivable are for a period not exceeding five years, but not to exceed 15 years for the purchase of a primary residence. Interest rates on the notes are set at the prime rate plus 1%. The notes are repaid ratably through payroll withholdings and are secured by the participants' vested account balances.

Pursuant to the Coronavirus Aid, Relief, and Economic Security (CARES) Act enacted in March 2020, Plan participants could request a delay of note repayments for repayments that occurred between March 27, 2020 and December 31, 2020. If a delay was granted, the participant's note was reamortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020.

COLOR-ART PALETTE, INC.
EMPLOYEES PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. A participant is 20% vested after two years of credited service, increasing 20% each year to 100% after six years of credited service.

Forfeitures

Forfeited nonvested accounts can be used to reduce future Company contributions or to pay expenses of the Plan. At December 31, 2021, forfeitures of \$3,979 were available for future use. At December 31, 2020, there were no forfeitures available for future use. During 2021 and 2020, forfeitures of \$51,720 and \$6,002, respectively, were used to reduce Company matching contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment Of Benefits

Upon termination of service, death, disability or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in their account.

In-Service Withdrawals

Active participants who experience a qualifying financial hardship may withdraw all or part of their vested accounts. Hardship withdrawals will be approved only if they conform to the Plan and IRS provisions. The Plan also allows withdrawals upon reaching age 62. Participants may make one withdrawal each Plan year from their vested account balance.

Effective November 1, 2021, participants can withdraw all of part of their vested accounts upon reaching age 59 ½.

COLOR-ART PALETTE, INC.
EMPLOYEES PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

The Plan also permitted participants to request up to \$100,000 in coronavirus related distributions, with repayment terms of up to three years, in accordance with the CARES Act. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

Administrative Expenses

All administrative expenses are paid by the Plan, which includes recordkeeping fees, trust fees and professional fees. Investment related expenses are included in net change in fair value of investments.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

Investments, other than fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received in an asset sale or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. The net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

COLOR-ART PALETTE, INC.
EMPLOYEES PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

Investment contracts that are fully benefit-responsive are reported at contract value, rather than fair value, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's investment in the Principal Life Insurance Company guaranteed interest account was a fully benefit-responsive investment contract and was reported at contract value in the statement of net assets available for benefits.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan Document.

Payment Of Benefits

Benefits are recorded when paid.

3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information certified by Principal and Charles Schwab, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Principal and Charles Schwab that the information provided to the Plan Administrator related to the following information is complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2021</u>	<u>2020</u>
Registered investment companies	\$ 24,939,636	\$ 10,182,795
Collective trust funds	1,612,846	14,877,002
Fully Benefit-Responsive Investment Contract - At Contract Value	—	122
Notes receivable from participants	222,717	259,129

COLOR-ART PALETTE, INC.
EMPLOYEES PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

Principal and Charles Schwab also certified to the completeness and accuracy related the following investment income and interest income on notes receivable from participants for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Net change in fair value of investments	\$ 2,402,112	\$ 3,238,534
Interest and dividend income	1,070,456	330,035
Interest income on notes receivable from participants	12,520	15,821

4. Fair Value Measurements

The Plan follows accounting rules, which establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

COLOR-ART PALETTE, INC.
EMPLOYEES PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies

Registered investment companies are valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds

Collective trust funds are valued at the NAV of units of a collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

COLOR-ART PALETTE, INC.
EMPLOYEES PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 24,939,636	\$ —	\$ —	\$ 24,939,636
Investment measured at net asset value per share (a)				1,612,846
Total assets at fair value				\$ 26,552,482

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 10,182,795	\$ —	\$ —	\$ 10,182,795
Investments measured at net asset value per share (a)				14,877,002
Total assets at fair value				\$ 25,059,797

- (a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption
	2021	2020			Notice Period
Collective trust funds	\$ 1,612,846	\$ 14,877,002	None	Daily	None

There have been no changes in the valuation methodologies used at December 31, 2021 or 2020.

5. Investment Contract With Insurance Company

Plan investments included a fully benefit-responsive investment contract with Principal. Principal maintained the contributions in a general account. The investment account issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan.

COLOR-ART PALETTE, INC.
EMPLOYEES PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

As described in Note 2, because the guaranteed interest account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the account. Contract value, as reported to the Plan by Principal, represented contributions plus earnings, less participant withdrawals and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There was no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate was based on an agreed-upon schedule with the issuer and was reset on a semi-annual basis. The average crediting interest rate was 1.75% in 2020.

Certain events could limit the ability of the Plan to transact at contract value. Such events included, but could not be limited to the following: (1) temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business; (5) removal from the Plan of one or more groups or classifications of participants; (6) partial or complete Plan termination; or (7) Plan disqualification.

6. Party In Interest Transactions

During 2021 and 2020, Plan investments consisted of collective trust funds and a guaranteed investment contract managed by Principal. The Plan also pays for substantially all administrative fees, including professional and recordkeeping fees. In addition, certain participants have outstanding loans with the Plan as of December 31, 2021 and 2020. These transactions qualify as party in interest transactions allowable under ERISA.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Income Tax Status

The Plan was amended and restated effective November 1, 2021 through the adoption of a pre-approved plan document sponsored by Schwab Retirement Plan Services, Inc. Schwab Retirement Plan Services, Inc. obtained an opinion letter dated September 21, 2020 in which the IRS stated that the prototype plan document was in compliance with the applicable requirements of the IRC. The Plan itself has not received a determination letter. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan and the related trust are tax-exempt as of the financial statement date.

Prior to November 1, 2021, the Plan obtained its latest determination letter dated September 18, 2013 in which the IRS stated that the Plan, as designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress. The Plan's federal tax returns for tax years 2018 and later remain subject to examination by taxing authorities.

9. Risks And Uncertainties

The Plan invests in various investment securities, which in general are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
