Harlem Village Academy Charter School 403(b) Plan

Financial Statements

December 31, 2021

Independent Auditors' Report

The Board of Trustees of Harlem Village Academy Charter School 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Harlem Village Academy Charter School 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Board of Trustees of Harlem Village Academy Charter School 403(b) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Harlem Village Academy Charter School 403(b) Plan (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

**Report on Form and Content in Compliance With DOL Rules and Regulations for 2020
Financial Statement**

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Harlem Village Academy Charter School 403(b) Plan

Notes to Financial Statements
December 31, 2021

1. Description of Plan

The following description of the Harlem Village Academy Charter School 403(b) Plan (the "Plan") is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was effective on November 1, 2007, is a defined contribution plan covering substantially all eligible employees of the Harlem Village Academy West Charter School, Village Academies Network, Inc. (d/b/a Harlem Village Academies), and Harlem Village Academy East Charter School (collectively the "School" or "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Employees are eligible to participate in the Plan on the first day of the month on or after they have completed at least 30 days of service. Employees who normally work less than 20 hours per week are not eligible to participate in the Plan. There is no minimum age requirement to participate in the Plan.

Contributions

Each year, participants may elect to have a percentage or specified dollar amount deducted from their eligible compensation as defined by the Plan. Participants may make "pre-tax" deferrals or Roth contributions. The Plan has an automatic 4% elective deferral feature. A participant may elect to increase, decrease or suspend deductions according to procedures established by the School. There is an annual dollar limit as to the amount that can be deducted from compensation that is determined by the Internal Revenue Code ("IRC").

The Plan provides for a discretionary Employer matching contribution to the Plan based on the participant's eligible compensation. During 2021, the School made discretionary matching contributions equal to 100% of a participant's contributions up to 4% of their eligible compensation. The School may also make additional discretionary non-matching contributions to the Plan. During 2021, no additional discretionary non-matching contribution was made to the Plan.

Participants may also contribute amounts representing distributions (rollovers or transfers) from other qualified defined benefit or defined contribution plans; however, these contributions are ineligible for Employer matching contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Harlem Village Academy Charter School 403(b) Plan

Notes to Financial Statements

1. Description of Plan *(continued)*

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the School's contribution and (b) Plan earnings (losses) thereon. Allocations are based on a participant's earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments of the Plan are participant directed.

Vesting

Participants are immediately 100% vested in their contributions plus allocated earnings thereon. A participant vests in Employer matching contributions and Employer non-matching contributions in accordance with the following vesting schedule:

<u>Vesting Service In Years</u>	<u>Vesting %</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Forfeitures

At December 31, 2021 and 2020, balances of forfeited non-vested accounts totaled \$9,824 and \$0. Forfeitures may be used to reduce Plan expenses or future Employer contributions or they may be allocated to participants. During 2021, \$62,278 of forfeitures were used to reduce Plan expenses, \$186,815 of forfeitures was used to reduce Employer contributions, and \$0 of forfeitures was allocated to participants.

Payment of Benefits

Benefits are payable upon retirement, age 59 $\frac{1}{2}$, death, or other termination of employment. Upon termination of service, a participant's balance will be paid in a lump-sum amount equal to the participant's account balance. Benefits can also be distributed in the event of a participant's immediate and heavy financial need. Such hardship distributions, which are considered withdrawals, are subject to restrictions as to use of the proceeds and cause suspension of contributions for at least six months. Upon termination if a participant's vested account is \$5,000 or less, the participant will receive the value of his or her account in a single lump-sum distribution.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2021 and 2020, all of the Plan's investments, that were valued at fair value, were valued using level 1 inputs.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value except for the group annuity contract, which is valued at contract value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds are deemed to be actively traded. The group annuity contract is valued at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan may be paid by the School and are excluded from these financial statements. Certain administration fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in value of investments.

2. Summary of Significant Accounting Policies (*continued*)

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is June 17, 2022.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2021 and 2020, and net appreciation in value of investments, interest and dividends, and other income – revenue credit account for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company, a qualified institution.

4. Group Annuity Contract

The Principal Fixed Income Guaranteed Option (the “PFIGO”) is a benefit-responsive general account backed group annuity contract issued by Principal Life Insurance Company. Because the PFIGO is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the PFIGO. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The PFIGO is backed by the general assets of Principal Life Insurance Company. A rate of interest is contractually guaranteed by Principal Life Insurance Company. The rate is reset semiannually.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. The plan administrator believes that any events which would limit the Plan’s ability to transact at contract value with participants are not probable of occurring. An employer-level liquidation or employer initiated transfer of the Plan’s interest in the PFIGO will be subject to either a 12-month advance notice or a 5% surrender charge, whichever an employer chooses. Notification of a Plan’s intent to terminate its interest may be revoked within 90 days of the receipt of such notice, after which time, notice becomes irrevocable. The PFIGO also has a surrender charge of 5% that may be charged if the cumulative percentage of participant transfers from the PFIGO exceeds 20% of the Plan’s interest in the contract during the 12-month period immediately preceding the employer-level surrender of the Plan’s interest in the contract.

The credit risk of the issuer, Principal Life Insurance Company, was evaluated by nationally recognized statistical rating agencies as follows: Moody’s Investors Service (A1 as of January 2022), Standard and Poor’s (A+ as of June 2021), A.M. Best Company (A+ as of March 2022), and Fitch Ratings (AA- as of June 2021).

Harlem Village Academy Charter School 403(b) Plan

Notes to Financial Statements
December 31, 2021

5. Plan Termination

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, all participants will become fully vested in their accounts.

6. Tax Status

On March 31, 2017, the Internal Revenue Service ("IRS") issued an opinion letter to the prototype document preparer indicating that the Plan, as then designed, qualifies under Section 403(b) of the IRC. Although the Plan has since been amended, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Party-in-Interest Transactions

Certain investments of the Plan are managed by the Principal Life Insurance Company or Principal Trust Company, both of whom are members of Principal Financial Group. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Each month, Principal Life Insurance Company will determine the revenue it expects to receive with respect to the month and with respect to each investment option held in the Plan ("Monthly Expected Revenue") pursuant to a written agreement with the Employer. Under the agreement, Principal Life Insurance Company credits the Monthly Expected Revenue to participant accounts, pro rata based on the fair market value of each investment option in each participant's account as of the date of the credit or the credit may be used to reduce plan expenses. These transactions are considered allowable party-in-interest transactions under ERISA. Revenue in the amount of \$6,637 was used to reduce plan expenses during the year ended December 31, 2021.

Certain administrative functions are performed by employees of the School. No such employees receive compensation from the Plan.

Harlem Village Academy Charter School 403(b) Plan

Notes to Financial Statements
December 31, 2021

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
