INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Hebron Savings Bank 401(k) Profit Sharing Plan
Hebron, MD

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Hebron Savings Bank 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hebron Savings Bank 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hebron Savings Bank 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hebron Savings Bank 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hebron Savings Bank 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Hebron Savings Bank 401(k) Profit Sharing Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated August 17, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HEBRON SAVINGS BANK 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Hebron Savings Bank 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Hebron Savings Bank (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Nationwide Financial Services, Inc. served as the recordkeeper and third-party administrator of the Plan. Nationwide Trust Company, FSB and Nationwide Life Insurance Company (collectively Nationwide), served as the custodian and insurance company, respectively of the Plan.

In 2020, the Plan adopted all relevant provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The plan was formally amended subsequent to December 31, 2021. Some of the more notable provisions under the CARES Act allow qualified individuals to take coronavirus-related distributions and loans, as defined in the CARES Act, of up to \$100,000 during 2020; provide relief of loan repayment by allowing a one-year deferral of loan repayments due between March 27, 2020 and December 31, 2020; provide a temporary suspension for 2020 required minimum distributions and delay the commencement date for required minimum distributions. Additionally, participants could receive up to \$100,000 in aggregate for in-service withdrawals before December 31, 2020 and the 10% penalty tax for early withdrawal was waived. The related taxes can be included in the impacted participant's taxable income over a three-year period. There were no limits to the number of such withdrawals each impacted participant could take and the repayment of the withdrawal amount is permitted if repayment occurs within three years of the distributions. These provisions were extended through June 25, 2021 under the Consolidated Appropriations Act of 2021, which was signed into law on December 27, 2020.

Eligibility

All employees, except for union employees and non-resident aliens, who are at least 21 years of age and have completed one year of service are eligible to participate in the Plan. Eligible employees may enter the Plan on January 1st and July 1st coinciding with or next following the date they have met the eligibility requirements.

Contributions

Each year participants may contribute up to 100% of annual compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a guaranteed investment contract as investment options for participants.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

The Company provides a safe harbor matching contribution for all eligible employees, equal to 100% of participants' salary deferrals up to 4% of their compensation, plus 50% of deferrals between 4% and 6% of their compensation. The Company can also make a discretionary matching and profit-sharing contributions, determined annually. During 2021 the Company made safe harbor matching contribution to the Plan in the amount of \$266,993 and made no discretionary matching or profit-sharing contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, if any, plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals, rollovers, safe harbor contributions and all earnings thereon. Vesting in the employer discretionary matching and profit-sharing contributions is based on years of continuous service. After two years of service, a participant becomes 20 percent vested in the employer profit sharing and matching contributions in the Plan; the vesting percentage increases by 20 percent each year until the participant becomes fully vested in his or her account after six years of service. A participant will also become fully vested upon attainment of normal retirement age, early retirement age with at least five years of service for vesting purposes, upon retirement due to disability, upon death, or upon termination of the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 (reduced by the balance of any prior loans from the Plan) or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the commercially reasonable rate. The maximum duration of a loan is not to exceed five years, except in cases where funds are used to purchase a principal residence. Plan participants may have up to six loans outstanding at any one time. Principal and interest are paid ratably through payroll deductions. Interest rates on the outstanding loans as of December 31, 2021 and 2020 ranged from 3.25% to 7.50%.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reasons, participants may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan or a combination of the two. In-service withdrawals at age 59 1/2 are also permitted, subject to the provisions described in the Plan document. Partial withdrawals or installments are only permitted for required minimum distributions. The employer may authorize certain withdrawals from a participant's account in the event of a proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts

Forfeitures resulting from terminated participants may be used to pay plan administrative expenses or reduce employer matching contributions. At December 31, 2021 and 2020 forfeited nonvested accounts totaled \$-0-. No forfeitures were available for use during 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recognized as of December 31, 2021 and 2020. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on the Plan's behalf. Investment-related expenses are included in net appreciation in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates. In particular, the novel coronavirus ("COVID-19") pandemic and the resulting adverse impacts to global economic conditions, as well as the Plan's operations, may affect future estimates including, but not limited to, fair value measurements, downward adjustments to investments in equity securities, or asset impairment charges.

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2021, disclosed in the accompanying financial statements, and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2021, is derived from statements which have been certified by Nationwide Trust Company, FSB and Nationwide Life Insurance Company (collectively Nationwide), the custodian and insurance company, respectively of the Plan, as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

HEBRON SAVINGS BANK 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Registered Investment Company Shares

The registered investment company shares are invested in mutual funds held by Nationwide Trust Company and are offered outside of an annuity contract. Nationwide uses unit values to perform daily account valuations. The unit value is Nationwide's method for valuing accounts and is not the same as the net asset value (NAV) reported by the fund house, although the financial trend should be the same. After the close of the stock market, Nationwide receives a daily price from each fund house. This figure includes the NAV and any dividends and capital gains declared and is adjusted by Nationwide with the addition of a daily admin charge to arrive at the unit value available daily to plan participants on the plan website. Due to the valuation process used, these investments are within Level 2 of the fair value hierarchy.

Fixed contract - NFBR

The Plan participates in a non-fully benefit-responsive (NFBR) guaranteed investment contract with Nationwide Life Insurance Company (Nationwide). The Nationwide Fixed contract is a group annuity contract supported by the general account of Nationwide. Deposits into the Fixed Contract are guaranteed in both principal and interest, minus any applicable fees and expenses (subject to the claims-paying ability of Nationwide). The contract is credited with earnings on a net daily basis at annual effective rates and charged for participant withdrawals and administrative expenses. The net rate, crediting rate and average yield earned are the same and were 1.65% for 2021 and 1.96% for 2020. The repayment of principal and interest to participants holding the investment is a financial obligation of Nationwide. The provisions do not provide for a distribution at book value at some specified future date. Participants in the Nationwide Fixed Contract can request a lump sum distribution with a market value adjustment, or an installment payout, at book value, over a period of years. Participant withdrawals are subject to a plan-level 20% exchange limit for a rolling 12-month period. Plan level liquidity options include either a two-way market value adjustment or a 5-year contract value out and require a 120-day notice. The Fixed contract is not considered to be fully benefit-responsive investment contract as defined by ASC 962, due to the existing restrictions to participants' "reasonable access" to their contract balances and is as a result reported at fair value in the accompanying financial statements. The fair value is determined by discounting the expected cash flows, i.e., the amount participants would receive upon termination of the Contract, considering the creditworthiness of the issuer. Fixed contract monies represent deposit liabilities, with no defined maturities. The fair value is equal to the contract value less any contingent deferred sales charge (CDSC), if applicable, and Market Value Adjustment. Contract value, as reported to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. This contract currently does not have a CDSC therefore contract value approximates fair value as of the measurement date. In determining the reasonableness of the methodology, a variety of factors are evaluated including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2021</u>				
Registered Investment Company Shares	\$ -	\$ 10,844,933	\$ -	\$ 10,844,933
Fixed Contract	-	-	1,545,831	1,545,831
Total	<u>\$ -</u>	<u>\$ 10,844,933</u>	<u>\$ 1,545,831</u>	<u>\$ 12,390,764</u>
<u>December 31, 2020</u>				
Registered Investment Company Shares	\$ -	\$ 9,197,729	\$ -	\$ 9,197,729

Total	<u>\$ -</u>	<u>\$ 9,197,729</u>	<u>\$ 1,403,567</u>	<u>\$ 10,601,296</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

The following presents changes in net assets classified in Level 3 of the fair value hierarchy during the year ended December 31, 2021 attributed to the following:

Purchases	171,364
Issues	48,549
Transfers into Level 3	-
Transfers out of Level 3	-

The following table represents the Plan's level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, the significant unobservable inputs and the ranges of values for those inputs as of December 31, 2021 and 2020:

<u>Instrument</u>	<u>Fair Value</u>	<u>Valuation Technique</u>	<u>Unobservable Inputs</u>

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments are managed by Nationwide. Nationwide is the custodian of the Plan and, therefore, the transactions in these funds qualify as party-in-interest transactions. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. Notes receivable from participants also qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 7 - TAX STATUS

The Plan has adopted a prototype 401(k) Profit Sharing Plan sponsored by Nationwide Financial Services, Inc. The prototype plan has received an opinion letter from the Internal Revenue Service dated March 31, 2014, which states that the non-standardized prototype plan, as then designed, is in compliance with the applicable requirements of the IRC. The Plan has been amended since the date of the opinion letter. The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On March 11, 2020, the World Health Organization declared a novel strain of coronavirus disease ("COVID-19") a pandemic, which is ongoing as of the date the financial statements. As a result of the COVID-19 pandemic, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, causing substantial fluctuations in the value of the Plan's investments and this may continue for an extended period of time. The extent of COVID-19's effect on the Plan's operational and financial performance will depend on future developments, including the duration, spread, and intensity of the pandemic, all of which are uncertain and difficult considering the rapidly evolving landscape. As a result, the overall impact of COVID-19 on the Plan's investment portfolio, participant account balances and the amounts reported in the Plan's financial statements and related impact on the Plan's liquidity cannot be determined at this time.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of investment income and plan expenses per the financial statements at December 31, 2021 to Schedule H of Form 5500:

	<u>2021</u>

NOTE 11 - SUBSEQUENT EVENTS

Effective August 01, 2022, the plan document was amended and restated to bring a plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle). There were no other changes in the plan provisions.

Subsequent events have been evaluated through September 9, 2022, which is the date the financial statements are available to be issued.
