Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Barnes and Thornburg LLP Profit Sharing Plan (f/k/a Barnes & Thornburg LLP Profit Sharing Plan and Trust) (Plan), an employee benefit Plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Barnes and Thornburg LLP Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Barnes and Thornburg LLP Profit Sharing Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Barnes and Thornburg LLP Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Barnes and Thornburg LLP Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Barnes & Thornburg LLP Profit Sharing Plan (f/k/a Barnes & Thornburg LLP Profit Sharing Plan and Trust)

Notes to Financial Statements December 31, 2021 and 2020

Note 1: Description of the Plan

The following description of the Barnes & Thornburg LLP Profit Sharing Plan (f/k/a Barnes & Thornburg LLP Profit Sharing Plan and Trust) (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan is a defined-contribution plan sponsored by Barnes & Thornburg LLP (Employer) for the benefit of its partners and employees. Effective May 1, 2021, partners and employees are eligible to participate in the Plan as of the first day of the month following one month of service. Prior to May 1, 2021, partners and employees were eligible to participate the first of the month after thirty days of service. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). PNC Bank, National Association (PNC Bank) was the trustee of the Plan. PNC Bank and Charles Schwab Bank were the custodians of the self-directed brokerage accounts. PNC Bank sold their retirement plan recordkeeping services to Newport Group, Inc. (Newport) in May 2019.

Effective May 1, 2021, Charles Schwab Trust Bank (Charles Schwab) now serves as the Plan trustee and majority of all assets transferred to Charles Schwab on May 10, 2021. The conversion initiated a blackout period beginning April 16, 2021 and continued through May 20, 2021. During this period, participants were unable to obtain a loan, distribution, or direct or diversify the assets held in their accounts until Charles Schwab had time to accurately complete the conversion. During this period, participant contributions continued to be made through payroll deductions and the contributions were deposited and held in a money market account until the completion of the blackout period. At the end of the blackout period, these funds were transferred to Charles Schwab and invested in funds as requested by each participant. Charles Schwab Bank remains the custodian of the self-directed brokerage accounts.

Contributions

Per the Plan Document, it is at the discretion of the Plan Administrator to set the contribution percentage limits for the Plan year subject to the limits of the Internal Revenue Code. The Plan allows participants to contribute up to 100% of their eligible compensation limited to the maximum amount established by Code Section 402(g) and make elective deferral contributions in excess of the otherwise applicable limits under Code Section 414(v) for those participants who have attained age 50 by the close of the Plan year. Roth elective deferrals are permitted by the Plan.

Non-retired counsel hired on or after December 10, 2009, associates, staff attorneys and non-lawyer lobbyists are not eligible for Employer matching contributions, Employer profit-sharing contributions or Employer integrated contributions.

Barnes & Thornburg LLP Profit Sharing Plan (f/k/a Barnes & Thornburg LLP Profit Sharing Plan and Trust)

Notes to Financial Statements December 31, 2021 and 2020

Effective January 1, 2021, no Employer matching contribution will be made except to participants who, as of January 1, 2021, have at least one year of service but less than two years of service. The Employer matching contribution for these participants remained at 75% of the first 4% of eligible compensation deferred during 2021. Prior to January 1, 2021, as of the January 1st or July 1st entry date following one year of service, the Employer matched participant contributions at 75% of the first 4% of eligible compensation deferred for eligible participants calculated quarterly.

As of the January 1st or July 1st entry date following two years of service, for eligible participants, the Employer will make a profit-sharing contribution. Effective January 1, 2021, the Plan Document was amended to change the quarterly Employer profit-sharing contributions for non-self-employed participants to be 11% of eligible compensation plus an additional contribution of 5.7% of the participant's "excess compensation," which is the amount of compensation in excess of the participant's social security wage base calculated quarterly. Prior to January 1, 2021, the quarterly Employer profit-sharing contributions for non-self-employed participants was 8% of a participant's eligible compensation plus an additional contribution of 5.7% of the participant's "excess compensation," which is the amount of compensation in excess of the participant's social security wage base calculated quarterly.

Effective January 1, 2021, no Employer matching contribution will be made except to self-employed participants who, as of January 1, 2021, have at least one year of service but less than two years of service. The Employer matching contribution for these participants remained at 75% of the first 4% of eligible compensation deferred during 2021. Prior to January 1, 2021, as of the January 1st or July 1st entry date following one year of service, the Employer matched self-employed participant contributions at 75% of the first 4% of eligible compensation deferred for eligible participants calculated quarterly.

Effective January 1, 2021, the Plan Document was amended to change the self-employed participants Employer profit-sharing contributions to 10.4% of the lesser of earned income or the IRS limit plus an additional contribution of 5.7% of the self-employed participant's "excess compensation," which is the amount of earned income, not to exceed the IRS limit, in excess of the participant's social security wage base calculated quarterly. Prior to January 1, 2021, the rate was 7.4% of the lesser of earned income or the IRS limit plus an additional contribution of 5.7% of the self-employed participant's "excess compensation," which is the amount of earned income, not to exceed the IRS limit, in excess of the participant's social security wage base calculated quarterly.

December 31, 2021 and 2020**

Participant Investment Account Options

Each participant may direct their contributions into any of the investment options available under the Plan, including self-directed brokerage accounts.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of the Employer's contributions plus Plan earnings and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Vesting

Participants are immediately vested in their voluntary and Employer contributions plus earnings thereon.

Payment of Benefits

Upon retirement, disability, death or other termination of employment, a participant's payment options include a lump sum distribution, periodic installment payments, or continued investment in the Plan until the participant elects, or is required, to withdraw from the Plan.

In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. A participant shall commence receiving distributions under this Plan no later than April 1 following the calendar year in which a participant attains age 70-1/2 or, if later, April 1 following the calendar year in which a participant retires. Effective January 1, 2020, the required minimum distribution age changed to age 72. In-service withdrawals are available to all active participants who have attained age 59-1/2 from the participant portion of account. Age 59-1/2 in-service withdrawals are available from all vested balance of participants' accounts. There are other available in-service withdrawals as provided by the Plan Document.

In March 2020, the Employer adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for coronavirus-related distributions (CRD). Through December 31, 2020, qualified participants were permitted to take a CRD of up to \$100,000 from the Plan. Participants who take a CRD had the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Barnes & Thornburg LLP Profit Sharing Plan (f/k/a Barnes & Thornburg LLP Profit Sharing Plan and Trust)

Notes to Financial Statements December 31, 2021 and 2020

Notes Receivable From Participants

Effective May 1, 2021, participant loan provisions were amended to allow participants up to three outstanding loans at a time; borrow from their account a maximum equal to the lesser of \$50,000 or 50% of their vested account balance and loan repayments are no longer limited to 25% of the participant's take-home pay. Prior to May 1, 2021, participants could borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 25% of their vested account balance, and loan repayments, when aggregated, and limited to 25% of the participant's net take-home pay.

All loans are to be repaid over a period not to exceed five years, although an extension of the repayment period may be granted if the loan proceeds are used to purchase a participant's principal residence. Interest is charged at a rate of prime rate plus 1% as determined by the Plan Administrator. Any loans shall reduce the participant's balance in his or her individual account and will be restored as the principal balance on such loan is repaid. All interest paid by the participant shall be credited to his or her own individual account.

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

In March 2020, the Employer adopted the CARES Act provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued through September 22, 2020. The one-year suspension of loan repayments applied to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans were re-amortized over the remaining period of the loans, plus the suspension period.

In addition to adopting the CARES Act loan provisions, the Employer also made changes to the Plan's loan policy starting in March 2020. During this period, participants could request up to three Plan loans, borrow from their account a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, and are no longer limited to 25% of the participant's net take home pay for total loan repayments. As described above, these provisions became effective with the Plan Document amendment effective May 1, 2021.

Plan Termination

Although it has not expressed any intention to do so, the Employer has the right, at any time, to terminate the Plan subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual and Money Market Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Stable Value Fund: The fair value of participation units in the stable value common collective trust are based upon the net asset value of such fund, as reported in the audited financial statements of the fund and recent transactions. The fund invests in short-term investments with the objective of providing stability and liquidity. Investments are primarily conventional and synthetic investment contracts. Benefit withdrawals are permitted daily for its retirement Plan investors at reported net asset value per share, with no advance notice requirement.

Barnes & Thornburg LLP Profit Sharing Plan (f/k/a Barnes & Thornburg LLP Profit Sharing Plan and Trust)

Notes to Financial Statements December 31, 2021 and 2020

Self-Directed Brokerage Accounts: Accounts consist of mutual funds, common and preferred stocks (Level 1), corporate bonds and municipal bonds (Level 2), unit investment trusts (Level 2), life insurance policies and limited partnerships (Level 3).

Common and Preferred stock: The fair values of investments in common stock and preferred stock are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Corporate Bonds: Certain corporate bonds are valued based on yields currently available on comparable securities of issuers with similar credit ratings (Level 2 inputs). When quoted prices are not available for identical or similar bonds, the bond is valued using matrix pricing, a mathematical technique widely used in the industry to value debt securities without relying exclusively on quoted prices for the specific securities but rather by relying on the securities' relationship to other benchmark quoted securities (Level 2 inputs).

Municipal Bonds: The fair values of certain municipal bonds are reported at fair value as determined by the custodian of the asset not traded on national exchanges and active dealer markets are reported at fair value as determined by the custodian of the asset and classified within Level 2 of the fair value hierarchy (Level 2 inputs).

Unit Investment Trust (UIT): The fair values of UITs are reported at fair value as determined by the custodian of the asset and priced based on IDC pricing sources (Level 2 inputs).

Life Insurance Policies: The fair values of life insurance policies were reported at fair value as determined by the custodian of the asset (Level 3 inputs). As of December 31, 2021, there are no longer life insurance policies held by the Plan.

Limited Partnerships: Limited partnerships are stated at the Plan's capital balance at year end as a practical expedient. The purpose of the limited partnerships are to invest in a partnership to obtain financing to design, develop and construct an upscale hotel in Charlottesville, Virginia and to invest in a collective investment vehicle organized for purpose of seeking capital appreciation and current return by trading financial instruments (Level 3 inputs). As of December 31, 2021, there are no longer limited partnerships held by the Plan.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Barnes & Thornburg LLP Profit Sharing Plan (f/k/a Barnes & Thornburg LLP Profit Sharing Plan and Trust)

Notes to Financial Statements December 31, 2021 and 2020

Plan Tax Status

Effective May 1, 2021, the Plan operates under a non-standardized prototype plan document sponsored by Schwab Retirement Plan Services. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter since December 6, 2017. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

The Plan's recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Certain other investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan. All other expenses related to the Plan are paid by the Employer.

Note 3: Certification of Plan Trustees

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, PNC Bank, a qualified institution, has certified the following information for the period January 1, 2020 to December 31, 2021 and Charles Schwab Trust Bank, a qualified institution, for period April 1, 2021 to December 31, 2021, included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2021 and 2020
- Investment income and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020

Barnes & Thornburg LLP Profit Sharing Plan (f/k/a Barnes & Thornburg LLP Profit Sharing Plan and Trust)

Notes to Financial Statements December 31, 2021 and 2020

- Investment information included in the accompanying schedule of assets (held at year end) as of December 31, 2021
- Certain transactions as of December 31, 2020 were not reflected in the trust report until January 2021. As a result of those transactions, the financial statements reflect approximately \$2,800,000 as of December 31, 2020, of investment value compared to the certified trust report. This also creates a timing difference for the allocation of this income between the financial statements and allocated assets as of December 31, 2020.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Disclosures About Fair Value of Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

Barnes & Thornburg LLP Profit Sharing Plan (f/k/a Barnes & Thornburg LLP Profit Sharing Plan and Trust)

Notes to Financial Statements December 31, 2021 and 2020

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds, money market funds, common and preferred stock. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics or discounted cash flows. Level 2 securities include unit investment trusts and corporate and municipal bonds as described in Note 2. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. Level 3 securities include life insurance policies and limited partnerships.

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

Notes to Financial Statements December 31, 2021 and 2020

Note 5: Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer and certain others. Notes receivable from participants are party-in-interest transactions. The difference between the total amount of fees below and the administrative expenses line item on the statements of changes in net assets available for benefits is due to certain of the investment advisor fees below being netted against net appreciation for the self-directed accounts rather than reflected as administrative expenses. The Employer provides certain administrative services at no cost to the Plan.

During 2021 and 2020, the Plan paid the following fees for services provided by parties-in-interest:

Identity	Relationship	2021	2020

Note 7: Risks and Uncertainties

The Plan provides for various investment options in any combination of mutual funds and collective trust funds as well as self-directed brokerage accounts. The underlying investments are exposed to various risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Barnes & Thornburg LLP Profit Sharing Plan (f/k/a Barnes & Thornburg LLP Profit Sharing Plan and Trust)

Notes to Financial Statements December 31, 2021 and 2020

The outbreak of the novel coronavirus COVID-19, which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of Plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 8: Nonexempt Transactions

Defined-contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions and loan repayments to the Plan, contributions of \$1,650,767 were not remitted within the required time period for the year ended December 31, 2020. The Employer timely submitted all 401(k) employee contributions and loan repayments, but Newport was unable to timely process these contributions and loan repayments. Lost earnings were calculated and corrected to all impacted participants and the IRS Form 5330 has been filed.

Note 9: Subsequent Events

During 2022, the Plan was amended to add adopting employers.

Effective July 1, 2022, the Plan was amended to change the eligibility requirement with respect to the Employer profit-sharing contribution to be one year of service versus two years of service.

Subsequent events have been evaluated through September 9, 2022, which is the date the financial statements were available to be issued.
