REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator and Participants
TNW Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of TNW Corporation 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements (collectively, the “2021 Financial Statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained the certification from Ascensus Trust Company, the Trustee of the Plan, as of December 31, 2021 stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 Financial Statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2021 Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the 2021 Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the 2021 Financial Statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the December 31, 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the December 31, 2020 financial statements, and (b) the form and content of the information included in the December 31, 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TNW CORPORATION 401(k) PLAN

Notes to Financial Statements

Note 1 - Description of the Plan

The following description of the TNW Corporation 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan was formed in 2015 and is a defined contribution plan covering all eligible employees of the following companies under common ownership: Texas North Western Railway Company (TXNW), Texas Gonzales & Northern Railway Company (TXGN), Texas Rock Crusher Railway Company (TXR), Southwest Railway Services, Inc. (SRS) and TNW Logistics Corporation (TNWL), TNW Corporation and Murchison Management Corp. (collectively, the Company or Employer).

The Plan is designed to comply with the Employee Retirement Income Security Act of 1974, as amended (ERISA), and the Internal Revenue Code (IRC). In addition, the financial statements have been prepared in compliance with ERISA. The Plan is administered by the Company, and the custodian of the Plan's assets is Ascensus Trust Company (the Trustee). See Note 6.

Eligibility

To participate in the Plan, employees must have completed at least one month of service. Participants may commence salary deferrals on the first day of the month following meeting the service requirements.

Contributions

Participating employees may elect to contribute any amount not less than one percent (1%) and not more than fifty percent (50%) of their eligible compensation to the Plan, subject to a limit on calendar year contributions set forth by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. All eligible employees receive Company safe harbor contributions equal to the participant's elective deferral up to 4 percent of the participant's compensation, and qualified nonelective contributions (QNEC) to satisfy certain compliance testing. The Company may also have discretionary non-matching contributions.

TNW CORPORATION 401(k) PLAN

Notes to Financial Statements

Note 1 - Description of the Plan – (Continued)

Contributions – continued

The Plan document also includes an automatic deferral feature whereby a new participant is treated as electing to defer 4 percent of their eligible compensation unless the participant makes an affirmative election otherwise.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, and an allocation of (a) the Company's discretionary non-matching contributions and QNEC, if any, (b) Plan earnings or losses, and (c) charged with an allocation of certain administrative expenses. Allocations are based on participant's compensation or account balances, as defined by the Plan document. Interest paid on notes receivable is allocated to the account of the borrower.

Vesting

Participants are vested immediately in their voluntary contributions and any safe employer contributions, including safe harbor or QNEC contributions and the Company's discretionary non-matching contributions, plus actual earnings or losses thereon.

Payments of benefits

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Upon death, disability, or retirement, a participant is entitled to receive from the Plan a single lump-sum payment equal to the value of the participant's account balance. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or partial payment. The Employer requires terminated participants with vested account balances less than \$1,000 to take lump-sum distributions unless a rollover is requested by the participant. Account balances between \$1,000 and \$5,000 may be distributed to an Individual Retirement Account (IRA) for the benefit of the participant.

Forfeitures

Forfeitures may be used to pay administrative expenses or to reduce employer matching contributions and nonelective contributions to the Plan.

Investment options

Upon enrollment in the Plan, a participant may direct contributions into the Plan investment options which include mutual funds and a collective trust fund.

TNW CORPORATION 401(k) PLAN

Notes to Financial Statements

Note 1 - Description of the Plan – (Continued)

Notes receivable from participants

Under provisions of the Plan, participants are allowed to borrow from their plan accounts. The maximum amount that a participant may borrow is the lesser of (i) 50 percent of their total vested account balance or (ii) \$50,000. The minimum amount of a note is \$1,000. The notes are secured by the balance in the participant's vested account and bear interest at one percent over the prime rate at the time they are originated. Principal and interest are paid ratably through periodic payroll deductions. Participants may not have more than one loan outstanding from the Plan at a time.

Administrative expenses

Administrative expenses are generally paid by the Employer. However, the Plan may pay transaction fees which are allocated to the specific participants initiating the transaction.

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Note 2 - Summary of Significant Accounting Policies

Use of estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates. See Note 3.

Risks and uncertainties

The Plan and its participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

TNW CORPORATION 401(k) PLAN

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies

Investment valuation and income recognition

Investments held by the plan are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Distribution of benefits

Benefits paid to participants are recorded as a reduction of net assets available for benefits when paid.

Notes receivable from participants

Participant loans are measured at their unpaid principal balance plus any accrued unpaid interest. Management does not consider allowance for credit losses necessary as the loans are collateralized by the participants' account balance. Delinquent loans are reclassified as distributions in accordance with provisions of the Plan document.

Subsequent events

Management of the Plan evaluated events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the notes to the financial statements. The accompanying financial statements consider events through September 6, 2022, the date which the financial statements were available to be issued.

Note 3 - Fair Value Measurements

Fair value is defined as the price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. GAAP also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices in active markets for identical assets or liabilities.

TNW CORPORATION 401(k) PLAN

Notes to Financial Statements

Note 3 - Fair Value Measurements – (Continued)

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the composition and valuation methodologies used for Plan assets measured at fair value:

Mutual funds: Mutual funds consist of publicly traded funds of registered investment companies. Mutual funds are valued at the closing price reported on the active market on which the fund is traded.

Collective trust fund: The collective trust fund invests in guaranteed investment contracts (GICs), security-backed investment contracts (SBICs) and money market instruments. It is valued at the Net Asset Value (NAV) of the units held by the Plan which are based on the quoted market prices of the underlying securities of the funds. The NAV, as provided by the Trustee, is used as a practical expedient to estimating fair value. The NAV is based on the value of the underlying investment assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The collective trust fund has (1) no unfunded commitments, (2) a daily redemption frequency, and (3) a redemption notice period of up to 12 months. The collective trust fund files a U.S. Department of Labor Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity.

Accordingly, certain disclosure requirements under FASB ASU 2015-12 with respect to investment strategies for investments measured using the net asset value practical expedient are not required in this report.

TNW CORPORATION 401(k) PLAN

Notes to Financial Statements

Note 3 - Fair Value Measurements – (Continued)

The Plan's fair value hierarchy for those assets measured at fair value is as follows:

Description	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,471,940	\$ -	\$ -	\$ 5,471,940
Investment assets measured at NAV*				329,516
Total investments				\$ 5,801,456

Description	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,190,486	\$ -	\$ -	\$ 4,190,486
Investment assets measured at NAV*				304,319
Total investments				\$ 4,494,805

*The investment in collective trust fund is measured at fair value using the net asset value per share (or its equivalent) practical expedient and has not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

TNW CORPORATION 401(k) PLAN

Notes to Financial Statements

Note 4 - Nonparticipant-Directed Investments

Forfeitures in the plan relate to historical employer match amounts on ineligible contributions which were returned to the Employer. Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

	December 31,	
	2021	2020
Net assets:		
Forfeiture account	\$ 313	\$ 73
	Year Ended December 31, 2021	
Changes in net assets:		
Forfeitures relating to current year activities	\$	275
Net depreciation of investment		(35)
	\$	240

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions.

TNW CORPORATION 401(k) PLAN

Notes to Financial Statements

Note 6 - Information Certified by Trustee (Unaudited)

The following information included in the accompanying Financial Statements and supplementary schedules was obtained from data that has been prepared and certified by the Trustee.

	December 31,	
	2021	2020
Mutual funds	\$ 5,471,940	\$ 4,190,486
Collective trust fund	329,516	304,319
Notes receivable from participants	169,363	145,147
	<u>\$ 5,970,819</u>	<u>\$ 4,639,952</u>

The Trustee has also certified that the following data included in the financial statements is complete and accurate for the year ended December 31, 2021:

Net appreciation of investments	\$ 610,375
Interest and dividends	95,810
Interest on notes receivable from participants	6,776

Note 7 - Income Tax Status

The Plan obtained its latest determination letter dated January 1, 2018, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The plan has been amended since receiving the determination letter. The management of the Company believes the Plan is currently designed and being operated in compliance with the applicable requirements. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The IRS generally has the ability to examine Plan activity for up to three years.

TNW CORPORATION 401(k) PLAN

Notes to Financial Statements

Note 8 - Parties-in-Interest

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. Certain Plan investments are investments managed by the Trustee, and therefore, those transactions qualify as party-in-interest transactions. The Plan also allows participants to receive loans; therefore, these transactions qualify as party-in-interest transactions. The Company provides certain administrative services at no cost to the Plan.

Note 9 - Reconciliation to Form 5500

The following are reconciliations of net assets available for benefits per Form 5500 to the financial statements, as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per Form 5500	\$ 5,975,443	\$ 4,667,074
Other	<u>(67)</u>	<u>(70)</u>
Net assets available for benefits per financial statements	\$ <u>5,975,376</u>	\$ <u>4,667,004</u>

The following is the reconciliation of changes in net assets available for benefits for the year ended December 31, 2021, per Form 5500 to the financial statements:

Net increase in net assets available for benefits per Form 5500	\$ 1,308,369
Other	<u>3</u>
Net increase in net assets available for benefits per financial statements	\$ <u>1,308,372</u>
