INDEPENDENT AUDITOR'S REPORT FOR THE 2021 PLAN YEAR

To the Trustees of the
Atoske 401(k) Plan No. 001
Box Elder, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Atoske 401(k) Plan No. 001 (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT FOR THE 2020 PLAN YEAR

To the Trustees of the
Atoske 401(k) Plan No. 001
Box Elder, Montana

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Atoske 401(k) Plan No. 001 (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Charles Schwab Bank, the custodian of the Plan's investment assets (the Custodian), except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Custodian as of December 31, 2020 that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PLAN NO. 001
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1. PLAN DESCRIPTION

The following description of the Atoske 401(k) Plan No. 001 (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code of 1986. It covers substantially all employees of the Atoske Holding Company, the Plan Sponsor, except union employees, non-resident alien employees, and part-time, temporary, or seasonal employees whose service is less than 1,000 hours. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is a single employer plan. The original effective date of the Plan is January 1, 2017.

Eligibility

Employees must attain age 18 and have three months of service to be eligible to participate in the Plan.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to statutory annual limits. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Annual participant elective deferral limits prescribed by the Internal Revenue Service (IRS) are \$19,500 for the years ended December 31, 2021 and 2020. Participants who have attained age 50 before the end of the plan year are eligible to make additional catch-up contributions up to \$6,500 for the years ended December 31, 2021 and 2020. The Plan Sponsor provides a safe harbor, non-elective contribution of 3% of a participant's compensation to participants of the Plan annually. The Plan Sponsor may make discretionary additional matching contributions up to 6% of the participant's compensation. No matching contributions were made to the Plan for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions, plan earnings, the Plan Sponsor safe harbor and discretionary additional matching contributions. Participant accounts are charged with an allocation of the administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Vesting

Participants are immediately 100% vested in their elective deferrals, rollover contributions and sponsor safe harbor contributions plus actual earnings thereon. Vesting in the Plan Sponsor's additional discretionary matching contribution is based on a three-year cliff schedule as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	0%
2	0%
3	100%

Each plan year, participants are credited with a year of service after completing 1,000 hours of service to the Plan Sponsor.

Notes Receivable from Participants

Participants may obtain a loan from their vested account balance, subject to approval by the plan administrator. Loans are measured at the outstanding balance plus accrued interest. The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) allowed participants to borrow up to \$100,000 or 100% of their vested account balance between March 27, 2020 and September 22, 2020. For the remainder of the year, and for 2021, the minimum amount of loan allowed is \$1,000 and the maximum is 50% of the participant's vested balance up to a maximum of \$50,000. The interest rate is the prime rate plus one percent.

All loans must be repaid within five years. Exceptions are permitted if the loan is used to acquire the participant's principal residence. Participants are allowed a maximum of one loan outstanding at any one time. Principal and interest are paid ratably through bi-weekly payroll deductions. All loans held at year-end are considered collectible. Delinquent loans are deemed as distributions based on the terms of the plan document.

Payment of Benefits

On termination of service due to death, disability, retirement or termination, participants may elect to receive a lump-sum amount equal to the vested value of their account, may transfer the vested value of their account to another retirement investment vehicle, or may choose to leave vested benefits exceeding \$5,000 in the Plan until April 1st of the year succeeding the year in which age 70½ is attained. Accounts with balances less than \$5,000 will be automatically rolled into an IRA, if an alternative election is not made by the participant. Early in-service withdrawal payments may also be obtained, subject to the provisions imposed by the Internal Revenue Code. There were no amounts allocated to withdrawing participants that had not been paid at December 31, 2021 and 2020.

Distributions permitted under the CARES Act were allowed during the plan year ended December 31, 2020 for participants meeting the specified qualifications in section 2202 of the CARES Act. Minimum required distributions for those age 72 or older were suspended for 2020, except upon participant request.

Forfeitures

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the plan agreement, represents forfeitures. The forfeitures may be used to pay plan expenses, allocated as additional discretionary non-elective contributions, allocated as an additional discretionary matching contribution, used to reduce any non-elective contributions or used to reduce any matching contributions. There were no forfeitures for the years ended December 31, 2021 and 2020.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America (GAAP), as codified by the Financial Accounting Standards Board (FASB).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Income Tax Status

On June 30, 2020 and March 31, 2014, the IRS determined that the prototype plan documents and related trust adopted by the Plan Sponsor for the years ended December 31, 2021, and 2020, respectively, are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the prototype plan document has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Income Tax Status (Continued)

The determination of tax exempt status is considered to be a tax position. The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence. It is the opinion of the plan administrator that the Plan has no uncertain tax positions.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Generally, those expenses include administration, audit, and record-keeping fees. Administrative expenses presented on the financial statements include loan and distribution administration fees charged in accordance with terms of the service agreement.

Expense Offset Arrangements

Fees incurred by the Plan for investment management services are included in net appreciation of fair value of investments, as they are paid through revenue sharing, rather than as a direct payment.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the investment balances and the amounts reported in the statements of net assets available for benefits.

As a result of economic uncertainty and volatility in financial markets, various investment securities held by the Plan have incurred significant declines in fair value since December 31, 2021. The markets continue to evolve rapidly, and Plan management is not able at this time to estimate the full impact on the Plan's financial statements.

Subsequent Events

The plan administrator has evaluated subsequent events through September 14, 2022, the date which the financial statements were available to be issued.

NOTE 3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, partially terminated, or if there is a complete discontinuance of contributions by the Plan Sponsor, all amounts credited to the accounts of participants shall vest and become non-forfeitable.

NOTE 4. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN OF THE PLAN'S INVESTMENT ASSETS

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by Charles Schwab Bank (Charles Schwab), the Custodian of the Plan's investment assets, except for comparing such information certified by Charles Schwab to information included in the Plan's financial statements and supplemental schedule.

During the years ended December 31, 2021 and 2020, the investments were self-directed by participants among a variety of investments. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that had been prepared and certified as complete and accurate by Charles Schwab as of December 31, 2021 and 2020.

NOTE 5. FAIR VALUE MEASUREMENTS OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three input levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access;

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the assets or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability; and

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's policy for determining the timing of significant transfers between Levels 1, 2, and 3 is at the end of the reporting period.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Interest-bearing cash: Valued at cost plus accrued interest.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 5. FAIR VALUE MEASUREMENTS OF INVESTMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2021 and 2020. As required by GAAP, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

Description	Fair Value as of December 31, 2021	Quoted Prices in Active Markets for Identical Assets (Level 1)
Interest-bearing cash	\$ 7,210	\$ 7,210
Mutual Funds	<u>3,312,608</u>	<u>3,312,608</u>
Total investments at fair value	<u>\$ 3,319,818</u>	<u>\$ 3,319,818</u>

Description	Fair Value as of December 31, 2020	Quoted Prices in Active Markets for Identical Assets (Level 1)
Interest-bearing cash	\$ 3,846	\$ 3,846
Mutual Funds	<u>2,511,273</u>	<u>2,511,273</u>
Total investments at fair value	<u>\$ 2,515,119</u>	<u>\$ 2,515,119</u>

For the years ended December 31, 2021 and 2020, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

The Plan trustees and plan administrator are employees of the Plan Sponsor. There are no transactions between these parties other than contributions to the Plan and normal benefit payments.

The Plan paid administrative fees of \$6,447 and \$9,515 to The Retirement Plan Company, the Plan's third-party administrator, for the years ended December 31, 2021 and 2020, respectively. All other fees were paid by the Plan Sponsor and are not reimbursed by the Plan.
