Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Structural Iron Workers
Local No. 1 Annuity Fund

Opinion

We have audited the financial statements of Structural Iron Workers Local No. 1 Annuity Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Structural Iron Workers Local No. 1 Annuity Fund as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

STRUCTURAL IRON WORKERS LOCAL NO. 1 ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements of Structural Iron Workers Local No. 1 Annuity Fund (the Plan) have been prepared using the accrual basis of accounting.

Investments - The investments of the Plan are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. For all other investments, the fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Contributions Receivable - Employer contributions due but not received at year end are recorded as contributions receivable. Employer contributions owed as a result of payroll compliance audits are recorded when deemed collectible. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked and contribution rates set forth in the applicable collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 2 in the iron working industry within a jurisdiction primarily located in the Greater Chicagoland area.

Reciprocal Contributions - The Plan is signatory to various reciprocity agreements with various other retirement plans outside its territorial jurisdiction that are affiliated with the International Association of Bridge, Structural, Ornamental and Reinforcing Iron Workers. Employees who are normally employed within the territory of one local union (home local) may be temporarily employed within the territory of another local union (reciprocating local). When an employee of the home local works in the territory of a reciprocating local, the latter is to make contributions to the former's fringe benefit funds on the employee's behalf. Monies received by the Plan on behalf of persons from outside participating local unions are forwarded to their home local fringe benefit trust funds. The Plan uses the same recognition and measurement criteria for contributions received on behalf of its participants under the terms of reciprocity agreements, as for all other employer contribution revenue.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Reciprocal Contributions (continued) - Amounts paid to other plans under the terms of reciprocity agreements are not reflected in the statements of changes in net assets available for benefits, as the amounts received are not revenue earned by the Plan, and the corresponding payments are not an expense of the Plan. The Plan recognizes a liability upon receiving reciprocal contributions on behalf of non-participants working within the jurisdiction of the local union, and recognizes a decrease in that liability upon remitting those contributions to the appropriate plan. Employer contributions included reciprocal contributions of \$1,395,789 and \$574,480 for the years ended December 31, 2021 and 2020, respectively, from various other pension plans under the terms of reciprocity agreements. The Plan remitted a total of \$769,988 and \$831,263 in reciprocal contributions to various other pension plans under the terms of reciprocity agreements for the years ended December 31, 2021 and 2020, respectively.

Revenue Sharing - Revenue sharing income represents the portion of investment management fees that the investment manager has agreed to reimburse to help offset the cost of administrative services provided. The income is held by the Plan's custodian in an account maintained in the name of the Plan. Amounts not used to pay administrative costs incurred by the Plan are allocated to participants on a pro-rata basis. No amounts were allocated to participants during the year ended December 31, 2021. Participants received an allocation of \$313,838 on a pro-rata basis during the year ended December 31, 2020. At December 31, 2021 and 2020, a total of \$281,413 and \$281,564 respectively, was held by the custodian on behalf of the Plan. The Plan ended its revenue sharing arrangement during the year ended December 31, 2021 and the balance of the account maintained by the custodian was allocated to participant accounts subsequent to year end.

Participant Distributions - Benefits are recorded when paid. There were no participants for whom distributions were approved for payment but were not yet paid at either December 31, 2021 or 2020.

Expenses - Certain investment related expenses are included in net appreciation in fair value of investments.

Reclassification - Certain reclassifications were made to the prior year presentation to conform to the current year presentation.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through August 5, 2022, which is the date the financial statements were available to be issued.

NOTE 2. DESCRIPTION OF PLAN

The Plan was established in September 1973 by and between Structural Iron Workers Local No. 1 (the Local) and Associated Steel Erectors of Chicago and other employers with whom the Local has a collective bargaining relationship. The Plan is primarily funded by employer contributions as specified in the collective bargaining agreement. Participant contributions are not permitted under the Plan. However, the Plan allows participants to roll over contributions from other qualified pension plans into this Plan. The Plan is a multiemployer defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Under current Plan provisions, each participant's account is immediately vested. Upon death, disability, separation from service for more than three months, or retirement, participants are entitled to receive the amount in their account. In addition, participants may withdraw their benefits under the hardship provisions of the Plan.

Empower (formerly Mass Mutual Financial Group) is the custodian of the Plan. A participant may self-direct the employer contributions in any of the various investment options offered by Empower. In the absence of direction, contributions are invested in a default investment fund. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Participants may change their investment options daily, and the changes will be effective on the next business day. Poor investment performance by the investments selected by the participants may cause their vested balance to be lower than the amounts contributed to the Plan on their behalf.

Each participant's account is credited with the employer contributions paid on the participant's behalf and investment earnings or losses. In addition, each participant's account is charged a monthly fee of \$1.00 through December 31, 2020. Effective January 1, 2021, the monthly fee was increased to \$16. This fee and the revenue sharing income from Empower described in Note 1 are available to pay administrative costs incurred by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

A participant who has had no contributions made during a calendar year, and whose account balance is \$1,000 or less, will receive a "small account distribution." For the years ended December 31, 2021 and 2020, small account distributions totaled \$33,216 and \$14,042 respectively. In addition, participants, or the beneficiaries of deceased participants, will forfeit their account if all of the following conditions are met: (a) the participant has had no contributions made on their behalf for a period of 60 months, (b) the participant has had no contact with the Plan for a period of 60 months, and (c) the Trustees, after exhausting reasonable search efforts, are unable to locate the participant. If all of these conditions are met, the account will be forfeited. There were no forfeitures during the years ended December 31, 2021 and 2020. Forfeitures are available to pay administrative expenses incurred by the Plan. If the participant is subsequently located, the Plan allows for the account balance to be restored.

NOTE 2. DESCRIPTION OF PLAN (CONTINUED)

Net assets available for benefits include unallocated amounts which are available to pay future administrative expenses. Unallocated accounts totaled approximately \$607,000 and \$677,000 at December 31, 2021, and 2020, respectively.

Participants should refer to the summary plan description for more complete details.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the pensioners, beneficiaries and participants. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at the time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan's latest determination letter is dated August 6, 2015, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Investments measured at net asset value:				
Pooled separate accounts	<u>24,732,392</u>			
Total	<u>\$ 139,415,935</u>			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

Level 2 Measurements

Money market funds are valued at cost, which approximates fair value.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Measurements Using Net Asset Value as a Practical Expedient

The pooled separate accounts are valued using the net asset value per share as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The pooled separate accounts are direct filing entities (DFEs) and file a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFE investments. Redemptions are available upon request.

NOTE 6. GUARANTEED INVESTMENT CONTRACT

The Plan has a traditional fully benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company, who maintains the invested contributions in a general account. The account is credited with earnings from the underlying investments and is charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on agreed-upon formulas with the issuers. The crediting interest rates were 3.16% and 3.30% for the years ended December 31, 2021 and 2020, respectively. The crediting rate is reviewed on a semiannual basis for resetting. The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 6. GUARANTEED INVESTMENT CONTRACT (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or the other Plan sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 7. FUNDING POLICY

The participating employers contribute such amounts as required in their respective collective bargaining agreements. The hourly employer contribution rate for journeymen was \$12.50 through May 31, 2020, \$13.06 through May 31, 2021 and \$13.44 thereafter.

NOTE 8. RELATED ORGANIZATIONS

The Plan is related to several entities, which include a local union, a pension plan, an apprenticeship and training fund, and a health and welfare plan, all of which are tax-exempt.

Common administrative expenses, including salaries and related costs, are shared with the related pension plan. These expenses are initially paid by the pension plan and are subsequently reimbursed pursuant to allocations based on estimates of time spent and costs incurred. Common administrative expenses totaled \$156,625 for 2021 and \$182,386 for 2020. Shared expenses, net of estimated reimbursements, resulted in a net amount due to the pension plan of \$5,716 and \$25,366 as of December 31, 2021 and 2020, respectively.

The Plan also reimburses the pension plan for its share of compliance audit and certain legal fees. A total of \$32,675 and \$43,304 in such costs was reimbursed in 2021 and 2020, respectively.

The Plan leases office space from the pension plan for \$1,869 per month under an agreement which expired on December 31, 2021. Subsequent to year end, the lease was renewed through December 31, 2024, adjusting the required monthly rental payment to \$1,940. Future minimum lease payments total \$23,276 per year, for the next three years for a total of \$69,828.

Rent expense was \$22,428 for each of the years ended December 31, 2021 and 2020.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investments securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments securities it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Due to inherent uncertainties involved in the valuations of investments that are not publicly traded, estimated fair values may differ materially from the values that would have been used had a ready market for the underlying securities existed.

NOTE 10. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are held by Empower (formerly Mass Mutual Financial Group), who provides certain recordkeeping services to the Plan. In addition, certain Plan investments are managed by Empower. Transactions with Empower qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 11. CONCENTRATION OF PLAN INVESTMENTS

In December 31, 2021 and 2020, the Plan held a significant portion of its assets in one investment fund with a contract value of \$246,928,701 and \$256,257,966 respectively, which represented approximately 58% and 64% of net assets available for benefits as of December 31, 2021 and 2020, respectively. The investment is a traditional non-benefit responsive guaranteed investment contract with underlying assets consisting primarily of investment-grade fixed income securities.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant directed fund elections. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.

NOTE 12. IMPACT OF COVID-19 AND NEWLY ENACTED LEGISLATION

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which are likely to negatively impact the Plan, though the potential impact and duration is unknown as of the date the financial statements were available to be issued.

Several major legislative relief packages were enacted in response to the coronavirus outbreak, containing numerous tax, emergency funding and regulatory provisions affecting retirement plans. The Plan continues to evaluate the impact of newly enacted legislation on its provisions, operations and cash flows.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
Structural Iron Workers
Local No. 1 Annuity Fund

We have audited the financial statements of Structural Iron Workers Local No. 1 Annuity Fund (the Plan) as of and for the years ended December 31, 2021 and 2020, and our report thereon dated August 5, 2022, which expressed an unmodified opinion on those financial statements, appears on pages 1 through 3. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedule 1 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
