INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Gowan Construction, Inc. Retirement Plan
Oslo, MN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Gowan Construction, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Gowan Construction, Inc. Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gowan Construction, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gowan Construction, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gowan Construction, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Gowan Construction, Inc. Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GOWAN CONSTRUCTION, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 PLAN DESCRIPTION

The following description of the Gowan Construction, Inc. Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a safe harbor defined contribution plan covering substantially all full-time employees of Gowan Construction, Inc. The following related employers participate in the Plan: 4G Farms, LLP and Gowan Farms. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by a committee appointed by the Company. Third Party Administrators serve as the trustee of the plan, maintain the records of the participant data and hold the Plan assets.

SECURE Act

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act") was enacted and was effective beginning on January 1, 2020. The SECURE Act provisions included, among other things, an increase in the age limit for required minimum distributions from 70 ½ to 72.

Coronavirus-Related Distribution ("CRD") and Loan Relief

On March 27, 2020, the Coronavirus Aid Relief and Economic Security Act ("CARES Act") was signed into law. The provisions of the CARES act were optional. The provisions allowed for qualifying participants to:

- Take expanded distribution options to withdraw up to \$100,000 penalty free for qualifying reasons through December 31, 2020 with additional options to repay some or all of their CRD within three years.
- Borrow from their account up to a maximum of the lesser of \$100,000 or 100 percent of their vested account balance.
- Temporarily suspend required minimum distributions for 2020 for participants that turned 70 ½ in 2019 and 72 in 2020.

The Plan has opted into the above-mentioned provisions.

Contributions

Participants may contribute up to 100 percent of their compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company contributes a safe harbor contribution that is equal to 3 percent of each participant's compensation, as defined by the Plan.

GOWAN CONSTRUCTION, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

In addition, the Company will contribute amounts designated in accordance with the Plan document. The contribution is described as a percentage of prevailing wage compensation, a specific flat dollar amount, or an amount per hour worked. Rates may differ for different job classifications and may differ from project to project. Contributions are subject to certain limitations.

The employer may make a discretionary matching contribution equal to a uniform percentage or dollar amount of the participant's elective deferrals each Plan year. The total amount of this discretionary matching contribution will not exceed four percent of each participant's compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's contributions, and an allocation of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The Plan allows for participant-directed investment programs for which separate funds are maintained.

Vesting

Participants are immediately vested in their deferral contributions, rollover contributions, prevailing wage contributions, safe harbor contributions made by the employer, plus actual earnings thereon. Vesting in the remainder of their account is based on years and hours of service. A participant is 100 percent vested after three or more years of credited service, as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less Than 3	0%
3	100%

Payment of Benefits

A participant is eligible to request a distribution of their vested account balance based on any of the following events: death, disability, financial hardship, attainment of normal retirement age, minimum required distributions, and termination of employment. On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of their account, or a series of substantially equal periodic installments. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 72.

For terminated employees who have not elected distribution with vested accounts greater than \$1,000, but less than \$5,000, accounts may be subject to a mandatory distribution through a rollover to an individual retirement account. For terminated employees who have not elected distribution with vested balances of \$1,000 or less, accounts may be subject to a mandatory distribution through a lump sum payment.

GOWAN CONSTRUCTION, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

Notes Receivable From Participants

Participants may borrow from the Plan in any amount greater than \$1,000 but less than 50 percent of the participant's vested account balance. In no event can the participant borrow more than \$50,000 or more than half of their vested account balance. Loans bear interest at a rate determined by the Administrator, which is based on prevailing market rates. Generally, loans are for a period of five years. Only loans used to aid in the purchase of a principal residence may be for a period exceeding five years. Principal and interest are paid ratably during the year through payroll deductions and credited to the participant's account.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Basis of Presentation

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America, ("GAAP"), as codified by the Financial Accounting Standards Board.

Use of Estimates

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade date basis. Income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

GOWAN CONSTRUCTION, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

Administrative Expenses

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance and thus are not separately disclosed in the accompanying financial statements. Certain administrative expenses are paid from Plan assets and are reflected in these financial statements. Other administrative expenses that are paid by the plan sponsor are not reflected in the accompanying financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded at December 31, 2021 and 2020.

Income Taxes

The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence.

NOTE 3 FAIR VALUE MEASUREMENTS

FASB ASC Topic 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under Topic 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

GOWAN CONSTRUCTION, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money Market: Valued at cost plus interest earned.

Mutual Funds (including money market mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at the net asset value (NAV) of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021.

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 9,325,111	\$ -	\$ -	\$ 9,325,111

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 7,887,368	\$ -	\$ -	\$ 7,887,368

Investments Measured at Net Asset Value (a)				<u>6,984,058</u>
Investments at Fair Value				<u>\$ 15,340,943</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	December 31,				
	2021	2020			
Investment Type	Fair Market Value	Fair Market Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective Trust Funds	\$ 8,012,765	\$ 6,984,058	N/A	Daily	-

NOTE 4 AMENDMENT AND TERMINATION OF PLAN

The Board of Directors has the right to amend the Plan if it determines that it is necessary or desirable to do so. Further, although the Company intends to continue the Plan, it reserves the right to terminate it. Any termination of the Plan is subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 5 INCOME TAX STATUS

The Plan is a Volume Submitter Plan sponsored by the trustee and adopted by the Company. The Internal Revenue Service informed the trustee by an advisory letter dated June 30, 2020, that the Volume Submitter Plan is acceptable under section 401 of the Internal Revenue Code. The Company and Plan administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GOWAN CONSTRUCTION, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken a significant uncertain tax position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 6 EXEMPT TRANSACTIONS WITH PARTIES-IN-INTEREST

Alerus Financial N.A. is the trustee of the Plan as defined by the plan document. As such, transactions with the trustee qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$68,672 and \$63,378 for the years ended December 31, 2021 and 2020, respectively.

Alerus Financial N.A. receives revenue from mutual fund service providers for services Alerus Financial N.A. provides to the funds. This revenue is used to offset certain amounts owed to Alerus Financial N.A. as compensation for recordkeeping services Alerus Retirement and Benefits provides. Mutual fund revenue used to offset amounts owed to Alerus Financial totaled \$3,664 and \$2,598 for the years ended December 31, 2021 and 2020, respectively.

NOTE 7 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Alerus Financial, N.A.:

	2021	2020
Collective Trust Funds	\$ 8,012,765	\$ 6,984,058
Mutual Funds	9,325,111	7,887,368
Money Market	642,936	469,517
Notes Receivable from Participants	228,038	274,919
Investment Income	2,375,491	2,192,465
Interest Income on Notes Receivable from Participants	14,307	18,707

NOTE 8 RISKS AND UNCERTAINTIES

Participants direct the investment of their accounts into various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 SUBSEQUENT EVENTS

No significant events occurred subsequent to the Plan's year end. Subsequent events have been evaluated through September 8, 2022, which is the date these financial statements were available to be issued.
