Independent Auditors' Report

The Plan Administrator
DRB Systems, LLC 401(k) Plan
Akron, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of DRB Systems, LLC 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statement

We were engaged to audit the 2020 financial statement of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statement and (b) the form and content of the information included in the 2020 financial statement other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the DRB Systems, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering significantly all employees of DRB Systems, LLC and Affiliates (the "Company", "Plan Sponsor", or "DRB"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility:

Employees are eligible to participate in the Plan following attainment of age 18.

Contributions:

Participants may voluntarily contribute a minimum of 1% to a maximum of 75% of their compensation on a pre-tax or post-tax ("Roth") basis subject to limitations in the Internal Revenue Code ("IRC"). The Company is the Plan's administrator. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The types of employer contributions are as follows:

Discretionary Employer Matching Contribution – The Company annually declares a percentage of the employee salary deferral contribution that it will match and contribute to the Plan for each participant. For the year ended December 31, 2021, the Company matched 50% of each dollar of employee contribution up to 6% of participants' annual compensation. Discretionary employer matching contributions of \$928,111 were made for the year ended December 31, 2021.

Qualified Employer Matching Contribution – The Company may elect to make a qualified matching contribution to comply with non-discrimination requirements of the IRC. A "qualified matching contribution" is allocated as a match of employee salary deferrals subject to Plan limits. No discretionary qualified matching contributions were declared for the year ended December 31, 2021.

Discretionary Non-Elective Contribution – The Company may elect to make a discretionary non-elective contribution. Employees must be employed as of the last day of the Plan year to be eligible for any non-elective contributions that may be made for that Plan year. No discretionary non-elective contributions were declared for the year ended December 31, 2021.

Qualified Non-Elective Contribution – The Company may elect to make a qualified non-elective contribution to comply with non-discrimination requirements of the IRC. A qualified non-elective contribution is allocated to only non-highly compensated participants based on compensation. No qualified non-elective contributions were declared for the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Contributions (Continued)

The Plan also permits certain rollover contributions from other qualified retirement plans.

Participant Accounts:

Each participant's account is credited with the participant's contributions, employer contributions, and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their allocation of contributions or transfer money between investment options any time during the year.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Participants employed prior to November 15, 2019 were also immediately vested in the Company's contributions, plus actual earnings thereon. Participants employed after November 15, 2019 are vested in the Company's contribution portion of their accounts based on years of continuous services. A participant is 100% vested after two years of credited service (0% in year one and 100% in year two), or in the event of death, total and permanent disability, or obtaining normal retirement age as defined by the Plan.

Notes Receivable From Participants:

Participants who had loans in the plans from previous Company acquisitions were permitted to retain existing loans. No other loans are allowed under the Plan.

Payment of Benefits:

Upon termination of service, death, disability, retirement, or other reasons, a participant may elect to receive his or her account balance as a lump-sum payment or in periodic installments, as defined. Participants terminated are entitled to receive their benefits as soon as administratively feasible. The plan administrator may automatically make a lump-sum distribution for account balances less than \$5,000. Distributions from a participant's account may be authorized at any time by the plan administrator under certain hardship conditions.

Forfeited Accounts:

Any forfeited non-vested accounts may be used to pay administrative fees or reduce future employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$27,507 and \$4,108, respectively. There were no forfeitures utilized during the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies

- A. Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.
- B. Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.
- C. Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investments advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.
- D. Payment of Benefits – Benefits are recorded when paid.
- E. Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon terms of the Plan document. The loans are secured by the balance in the participant's account and bear interest at a rate determined at the time the loan was taken. Principal and interest are paid ratably through payroll deductions.
- F. Administrative Expenses – Administrative expenses, including third party administrative expenses and investment management fees, are paid by the Plan or the Company at the option of the Company. Fees attributable to distributions are paid by the affected participants.
- G. Subsequent Events – The Plan has evaluated subsequent events through September 7, 2022, the date the financial statements were available to be issued.

Note 3. Unaudited Information

Fidelity Management Trust Company ("Fidelity"), Trustee of the Plan, holds the Plan's investment assets and executes transactions therein.

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2021 and 2020, the supplemental schedule of assets (held at end of year) at December 31, 2021, the related investment and loan interest activity reflected in the statement of changes in net assets

available for benefits for the year ended December 31, 2021, and the investment related information the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 4. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities.

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 – Unobservable inputs in which little or no market data exists.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used from 2020 to 2021.

- **Mutual Funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1.
- **Common/Collective Trust:** The investments in the common/collective trust, which include fully benefit-responsive contracts, are held and managed by Putnam Investments. The fair value of investments held in these accounts is based on their reported NAV. The NAV is primarily based on observable inputs and the market value of the underlying investments and is classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 27,139,251	\$ -	\$ -	\$ 27,139,251

Note 4. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 21,219,037	\$ -	\$ -	\$ 21,219,037

Total	<u>\$ 21,219,037</u>	<u>\$ 1,468,619</u>	<u>\$ -</u>	<u>\$ 22,687,656</u>

Note 5. Party-in-Interest Transactions

Certain investments held by the Plan are managed by Fidelity, the Trustee. Fidelity also receives administrative fees from the Plan. As such, these investments and the related transactions qualify as party-in-interest transactions.

Note 6. Plan Termination

Although it has not expressed an intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would be fully vested in their accounts and investments would be liquidated and distributed to participants in the amount of their account balances.

Note 7. Income Tax Status

The Plan uses a Volume Submitter Plan Document offered by the Trustee. The Internal Revenue Service has informed the Trustee by letter dated June 30, 2020, that the form of the Plan is acceptable under applicable sections of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Company is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 8. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
