Independent Auditor's Report

Participants and the 401k Plan Committee
PAAMCO Prisma 401k Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the PAAMCO Prisma 401k Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 23, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PAAMCO Prisma 401k Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of the PAAMCO Prisma 401k Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and eligibility: Adopted December 1, 2000, the Plan is a defined contribution plan with a 401(k) arrangement covering substantially all employees of PAAMCO Prisma, LLC and Prisma Capital Holdings LLC (collectively, the Company), who have attained the age of 21 years, except for employees who are nonresident aliens, employees solely compensated under a collective bargaining agreement, leased employees and any employees whose official written offer of employment is for a period of less than four months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). During 2020, the Plan implemented certain Coronavirus Aid, Relief, and Economic Security Act provisions to allow for special coronavirus-related distributions and waiver of 2020 required minimum distributions. Written amendments to the Plan to reflect these changes will be adopted in accordance with applicable law and Internal Revenue Service (IRS) guidance by December 31, 2022. Additionally, the Plan is in the process of implementing provisions of the Setting Every Community Up for Retirement Enhancement Act. Written amendments to the Plan to reflect these changes will be adopted in accordance with applicable law and IRS guidance by December 31, 2025.

Effective January 22, 2021, the Plan was amended and restated, whereby substantially all the provisions remained the same.

Effective March 15, 2019, as part of a corporate global restructuring, PAAMCO changed its name to PAAMCO Prisma, LLC. The name change was formally amended to be effective on May 18, 2020.

Contributions: Participants may contribute up to 60% of their eligible compensation for the year up to the statutory limit. Participants may also elect to contribute up to 100% of their bonus compensation, subject to the statutory limit, pursuant to a separate administrative policy established by the Plan Sponsor to provide participants with flexibility with separate deferral contributions on bonus compensation, as allowed by the volume submitter document discussed in Note 6. Under the safe harbor matching contribution formula, the Company matches all contributions at the rate of 100% of the first 3% of an active participant's compensation contributed to the Plan and at 50% of the next 2% of the active participant's compensation contributed to the Plan. The Company may also contribute an additional amount annually, subject to certain statutory limits, which the Company's Board of Directors determines at its discretion. No discretionary contributions were made to the Plan for the year ended December 31, 2021.

Participant accounts: Each participant's account is credited with the participant's contributions, gains and losses on investments included in the participant's account balance, and allocations of: (a) the Company's contribution, and (b) participant loan administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes receivable from participants: The Plan provides that participants may borrow from their accounts in amounts ranging from \$1,000 to \$50,000, but not in excess of 50% of the vested account balance. Loans are repaid at a reasonable rate of interest through payroll deductions within five years or, in the event the loan is used to acquire a principal residence, at a term not to exceed 10 years from the date of the loan. In the event the scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due, the loan is considered to be in default and considered a deemed distribution.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon and Company safe harbor matching contributions. Participants do not vest in the employer's discretionary contributions during the first two years of participation in the Plan but become 100% vested upon completion of the second year.

PAAMCO Prisma 401k Plan

Notes to Financial Statements

Note 1. Plan Description (Continued)

Payment of benefits: Upon termination of service due to death, disability or retirement from the Plan Sponsor, a participant may elect to receive benefits equal to the value of his or her vested account balance through a single lump-sum payment only.

If a participant's vested account balance exceeds \$1,000 but is equal to or less than \$5,000, and no election is made to distribute the vested account balance either: (1) directly to the participant, or (2) to another qualified retirement plan, the vested account balance will be rolled over to an individual retirement account selected by the Plan Administrator.

Forfeitures: The Plan provides for forfeitures of terminating participants' nonvested accounts to pay administrative expenses or reduce future employer contributions under the Plan provisions. As of December 31, 2021, there were no unallocated forfeitures. As of December 31, 2020, there were \$10,952 of forfeitures and subsequently, this balance was used to reduce employer contributions related to the 2020 Plan year.

Participant investment options: Participants must direct their contributions from salary deferrals and their allocated share of employer contributions into investment options as made available and determined by the Plan Administrator, which are more fully described in the Plan's literature.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Fair value measurements: The Plan's assets are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The authoritative guidance describes a fair value hierarchy based on three levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value, as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds are registered investment companies. Assets in registered investment companies are valued at quoted market prices.

Note 2. Significant Accounting Policies (Continued)

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by Fidelity Management Trust Company (Fidelity), the trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Use of estimates: The preparation of the Plan's financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. As of December 31, 2021, the rates of interest on outstanding loans is 3.25% to 4.75% with various maturities through November 2023.

Contributions: Contributions from the Plan participants are recorded in the year in which participant contributions are withheld from amounts paid, or earned and not yet contributed to the Plan. As of December 31, 2021 and 2020, there were no participant contributions receivable. Safe harbor matching contributions are recorded in the year that the contributions are withheld from amounts paid, or earned but not yet paid, on a quarterly basis. For the year ended December 31, 2021, the Company made matching contributions to the Plan totaling \$474,609. As of December 31, 2021, there were \$202,780 of employer contributions receivable. As of December 31, 2020, there were \$239,949 of employer contributions, of which \$10,952 was applied from forfeitures. Discretionary contributions, if any, are recognized upon the authorization of the Company's Board of Directors. All participant and employer contributions are participant-directed.

Benefits: Benefits are recorded when paid.

Expenses: Certain expenses related to maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account, and certain record-keeping fees paid by the Plan are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Risks and uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As the coronavirus (COVID-19) pandemic continues to evolve, the Plan Sponsor believes that the extent of any impact to the Plan will be primarily derived by the severity and duration of the pandemic's impact on the U.S. and global economies and the investment markets. The continued spread of the virus, or its re-emergence, could have significant impacts on investment values and market volatility.

Notes to Financial Statements

Note 3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in any portion of their accounts not already 100% vested.

Note 4. Information Certified or Provided by Fidelity Management Trust Company, Trustee

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information provided by Fidelity. The Plan Administrator has obtained certifications from Fidelity that information provided to the Plan Administrator by Fidelity related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule, related to the following assets:

	2021	2020
Investments, mutual funds, at fair value	\$ 36,145,507	\$ 33,390,508
Notes receivable from participants	79,830	52,448

Fidelity also certified the completeness and accuracy of interest and dividend investment income of \$2,814,204, net appreciation in fair value of investments of \$2,785,592 and interest from participant notes receivable of \$2,160 for the year ended December 31, 2021.

Note 5. Fair Value Measurements

The following table sets forth, by level in the fair value hierarchy, the Plan's assets at fair value at December 31:

Investment Category	2021			
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 36,145,507	\$ 36,145,507	\$ -	\$ -
	\$ 36,145,507	\$ 36,145,507	\$ -	\$ -
Investment Category	2020			
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 33,390,508	\$ 33,390,508	\$ -	\$ -
	\$ 33,390,508	\$ 33,390,508	\$ -	\$ -

There were no transfers in or out of Levels 1, 2 or 3 during the years ended December 31, 2021 or 2020.

PAAMCO Prisma 401k Plan

Notes to Financial Statements

Note 6. Tax Status

The Plan has adopted a nonstandardized form of a volume submitter plan sponsored by Fidelity Management & Research Company, an affiliate of Fidelity. The volume submitter plan has received an advisory letter dated June 30, 2020, from the Internal Revenue Service as to the volume submitter document's qualified status. The volume submitter document's advisory letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is designed in compliance with the applicable provisions of the Internal Revenue Code (IRC) and will take all reasonable actions necessary to maintain the qualified status of the Plan and operate the Plan in compliance with the provisions of the IRC.

Note 7. Related-Party Activity and Administrative Expenses

Certain Plan investments are mutual funds and money market funds managed by affiliates of Fidelity. Fidelity is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Certain administrative functions are performed by employees of the Company. No such officer or employee receives compensation from the Plan. Administrative expenses for participants are paid directly by the Company.

Note 8. Subsequent Events

The Plan Administrator has evaluated subsequent events through September 9, 2022, the date the financial statements were available to be issued.
