Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Voice Media Group Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Voice Media Group Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Voice Media Group Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Voice Media Group Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule as defined in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and

Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Voice Media Group Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

VOICE MEDIA GROUP RETIREMENT SAVINGS PLAN

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Voice Media Group Retirement Savings Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company, who are at least 21 years of age and have completed six (6) months of service. Participants are eligible for matching and discretionary contributions after completing one year of service and attaining age 21. A year of service consists of working a 12-consecutive month period and accreditation of at least 1,000 hours of service. After meeting eligibility requirements, the individual may participate beginning the first day of the month following eligibility, as defined in the Plan agreement. Subsequent to year-end, the Plan was restated and eligibility requirements changed. See Note 12 for additional information.

Contributions

Eligible employees may withhold 1% to 100% of their compensation (Elective Deferrals), but not to exceed the dollar limitations established under the Internal Revenue Code, to deposit in the Plan Trust Fund, as defined in the Plan documents. The Plan calls for automatic enrollment with 3% of pay deferral for all employees as of the date the employee entered the Plan, unless the employee elects a different amount or elects not to participate.

The Company may elect a discretionary match of employee contributions at the end of the Plan year for the Voice Media Group Retirement Savings Plan. There have been no discretionary matches into the plan for the year ending December 31, 2021.

Participant Accounts

Each participant account is credited with the participant's elected compensation deferral and an allocation of (a) the employer's contribution and (b) plan earnings. In addition, the participant's account is charged with an allocation of the Plan's administrative expenses. These allocations are based on participant's earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

Investment Options

On December 31, 2020, Empower Retirement (“Empower”) acquired the retirement plan and group insurance business of Massachusetts Mutual Life Insurance Company (“MassMutual”). Following an initial transition period, Empower Retirement will become the sole administrator of the retirement business acquired from MassMutual. The Plan is still in the midst of the transition.

VOICE MEDIA GROUP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN (continued)

Investment Options (continued)

Upon election of compensation deferral, the participant directs the deferred amount to be invested based on percentages into investments options sponsored by Empower. The participants direct their contributions to a variety of pooled separate accounts and mutual funds offered by Empower. These funds offer a range of cash, corporate debt and equity funds. The participants can change their allocations and transfer between funds by telephone, the Internet or by written request at any time.

Vesting

Participants are immediately vested in their elective deferrals. Participants become fully vested in the discretionary profit sharing and the account attributable to matching contributions after five years of employment. Subsequent to year-end, the Plan was restated and the vesting schedule changed. See Note 12 for additional information.

Participant Loans

The Plan document allows participants to borrow money from the Plan by taking up to one loan. Participants are allowed to borrow up to 50% of their vested balance, not to exceed \$50,000. Loans are amortized over a maximum of five years, unless the purpose of the loan is for the purchase of the principal residence of the participant, in which case the maximum period may be 10 years. Repayment is made through payroll deductions with equal installments made each pay period. The loans are secured by the remaining balance in the participant's account and bear interest at the prime rate plus 1%.

Payment of Benefits

Generally, upon termination of service, a participant may receive their accrued benefit as a lump sum distribution or by making regular withdrawals annually (in approximately equal amounts) based on life expectancy tables or until the participant reaches the normal retirement age of 65 or may take early retirement at 55; however, the participant must cease employment to receive this benefit. If the vested account balance at the time of termination exceeds \$5,000, the individual may defer payment of benefits until April 1 of the calendar year following the calendar year the participant reaches age 70-1/2. Other withdrawals may be subject to a penalty tax.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The process of preparing financial statements in conformity with U.S. generally accepted accounting principles ("U.S. GAAP") requires the use of estimates regarding certain types of assets, liabilities, revenues, and expenses.

VOICE MEDIA GROUP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates (continued)

Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit loss has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions.

The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Investments Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation technique maximizes the use of relevant observable inputs and minimize the use of unobservable inputs.

Reclassifications

Certain accounts in the prior-year statements have been reclassified for comparative purposes to conform to the presentation in the current-year financial statements.

Subsequent Events

Subsequent events have been evaluated through September 1, 2022, the date the financial statements were available to be issued. See Note 12 for additional information.

VOICE MEDIA GROUP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 3 - RELATED PARTY TRANSACTIONS

Plan investments include investments managed by Great-West Life & Annuity Insurance Company, the trustee, and Empower Retirement, the record keeper, as defined by the Plan, and therefore those transactions are considered as party-in-interest transactions.

NOTE 4 - INVESTMENTS - INFORMATION CERTIFIED BY CUSTODIAN

Investments, income and net appreciation in fair value of investments included in the accompanying financial statements and supplemental schedule have been certified by Great-West Life & Annuity Insurance Company, the Plan's trustee, to the Plan administrator as being complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 5 - TERMINATION OF PLAN AND RELATED TRUST

Although it has not expressed any interest to do so, the Plan Sponsor has the right under the Plan to terminate or partially terminate the Plan and related trust, subject to the provisions of the Employee Retirement Income Security Act of 1974. Upon termination or partial termination of the Plan and related trust, or upon complete discontinuance of contributions to the related trust, the amount of each participant's or beneficiary's account as of the date of such termination or complete discontinuance of contributions shall be fully vested and non-forfeitable, and shall be paid to the participant, or beneficiary by the Trustee in accordance with the provisions of the Plan.

NOTE 6 – INVESTMENT FAIR VALUE MEASUREMENT

Following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual funds with registered insurance company: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Self-directed brokerage account: Valued using pricing models maximizing the use of observable inputs for a group of similar securities and equities.

NOTE 6 – INVESTMENT FAIR VALUE MEASUREMENT (continued)

The following sets forth within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

	December 31, 2021			
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>

Total investments in the fair value hierarchy	<u>\$ 15,983,158</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,983,158</u>

NOTE 7 - ADMINISTRATIVE EXPENSES

The Plan's sponsor absorbs certain administrative expenses including a portion of the audit fees. Administrative expenses required to be paid by the Plan impact participant fund balance earnings. Administrative expenses paid by the Plan were \$67,692 and \$62,855 for the years ended December 31, 2021 and 2020, respectively.

NOTE 8 - INCOME TAX STATUS

The IRS has determined and informed the Plan by a letter dated January 15, 2015, that the Plan and related trusts are designed in accordance with applicable sections of the Internal Revenue Code ("IRC").

Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

VOICE MEDIA GROUP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 8 - INCOME TAX STATUS (continued)

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE 9 – FORFEITURES

Forfeitures will occur if the participant leaves the Plan before they are fully vested in the discretionary profit sharing plan. These forfeitures may be used by the Plan for several purposes such as the payment of Plan expenses or to reduce any employer contributions. Forfeitures available at December 31, 2021 and 2020 were \$29,427 and \$27,633, respectively.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is the reconciliation of net assets available for benefits between the financial statements and Form 5500 for the year ended December 31, 2021:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits reported on Form 5500	\$ 21,874,147	\$ 18,876,871

Net assets available for benefits as reported on the financial statements	<u>\$ 21,858,186</u>	<u>\$ 18,868,386</u>

The following is the reconciliation of the change in net assets available for benefits between the financial statements and Form 5500 for the year ended December 31, 2021:

Changes in net assets as reported on Form 5500	\$ 2,997,276
Corrective distributions recorded on 2020 financial statements	8,485
Corrective distributions for 2021	<u>(15,961)</u>
Change in net assets available for benefits as reported on the financial statements	<u>\$ 2,989,800</u>

VOICE MEDIA GROUP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 11 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 12 – PLAN RESTATEMENT

The Plan was restated effective April 1, 2022 in order to bring the Plan into compliance with the requirements of the 2017 Cumulative List (Notice 2017-37) and change certain provisions of the Plan. Eligibility for elective and matching deferrals was lowered to three months and the automatic deferral percentage was increased to 4%. Participants become fully vested in the discretionary profit sharing and the account attributable to matching contributions after three years of employment.
