Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Charles Schwab Trust Bank, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020, and for the year then ended, that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Other Matter- Supplemental Schedules

The supplemental schedules, schedule of assets (held at end of year) as of December 31, 2020 and delinquent participant contributions for the year ended December 31, 2020 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

Other Matter- 2019 Financial Statements

The financial statements of the plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the custodian. Their report, dated October 8, 2020, indicated that (*a*) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (*b*) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - Description of the Plan

The following description of the Oregon Healthcare Resources Employee Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Optum Oregon MSO, LLC ("the Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Before November 9, 2020 the Plan was sponsored by OHR Physicians Group, P.C.

Employees who are age eighteen or older and who have completed 30 days of service are eligible to make elective deferrals and receive employer safe harbor matching and employer additional discretionary matching contributions under the Plan.

Effective November 9, 2020, the Company delegated its rights and responsibilities as plan administrator, except with respect to plan investments, to the UnitedHealth Group Employee Benefits Plans Administrative Committee ("Plan Administrator"). The Company delegated its rights and responsibilities for investment authority and oversight of the Plan's assets to the UnitedHealth Group Employee Benefits Plans Investment Committee ("Investment Committee"). The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

CARES Act

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The provisions of the CARES Act affecting employer-sponsored retirement plans were optional. During 2020, the Plan opted into the following provisions of the CARES Act:

- Coronavirus-related distributions – Qualified individuals, as defined in the CARES Act, were permitted to take a coronavirus-related distribution of up to the lesser of $100,000 or 100% of their vested account from the Plan, without incurring a 10% early withdrawal penalty. Eligible distributions were permitted to be taken until December 30, 2020. Distributions may be repaid to an eligible retirement plan within three years or a participant may elect to include these distributions in taxable income on a pro rata basis over three years.

- Participant loans – Qualified individuals with loans outstanding were permitted to suspend 2020 loan repayments through December 31, 2020. Additionally, qualified individuals were eligible to borrow up to a maximum equal to the lesser of $100,000 or 100% of their vested account balance during 2020 (an increase from $50,000 and from 50% of their vested account balance previously permitted), with repayments suspended until 2021.

NOTE 1 - Description of the Plan (cont.)

Contributions

Each year, participants may contribute an amount up to the maximum dollar amount permissible under the Internal Revenue Code (“the Code"). The Plan allows participants to contribute up to 100% of their eligible pay. Elective deferrals include pre-tax deferrals and Roth deferrals. In addition, the Plan allows participants to make rollover contributions. Eligible employees are automatically enrolled in the Plan as soon as administratively feasible following thirty days after the participant’s entry date under the Plan at an employee pre-tax contribution rate of 3% of their eligible pay, unless they decline to participate within a prescribed time limit or they elect a different pre-tax and/or Roth contribution rate. Participants who have attained age 50 before the end of the plan year may make additional catch-up contributions, subject to limitations imposed by the Code.

The Company makes a safe harbor matching contribution equal to 100% of deferral contributions made by the participant up to 3% of eligible compensation, plus an additional 50% on the next 2% of eligible compensation for a maximum contribution of 4% as defined in the Plan document. Participants become eligible for the company safe harbor matching contribution at the same time they are eligible for elective deferrals.

The Company may make an additional discretionary matching contribution or a discretionary profit-sharing contribution for each plan year, in an amount determined by the Company. Employees who have completed 12 months of service, completed at least 1,000 hours of service, are age eighteen or older, and are employed on the last of the plan year are eligible for profit-sharing contributions. The Company made discretionary profit-sharing contributions of $2,600,000 for the year end December 31, 2020.

Participant Accounts

Each participant’s account is credited with the participant’s deferral contributions, rollover contributions, the Company’s safe harbor matching contributions, discretionary matching and profit-sharing contributions, if any, and Plan earnings (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments Classification

All investments are participant directed. The Plan is intended to comply with ERISA section 404(c). Participants have the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them.

Vesting

Participants are immediately vested in their salary deferral contributions, rollover contributions, employer safe harbor matching contributions, and earnings thereon. Employer discretionary matching and profit-sharing contributions, if any, vest in accordance with provisions of the Plan as follows:

Years of Service	Vesting
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

NOTE 1 - Description of the Plan (cont.)

Notwithstanding the vesting schedule above, employer discretionary matching and profit-sharing contributions, if any, will become fully vested (100%) upon the occurrence of any of the following events while the participant is employed by the Company: death, attainment of normal retirement age (age 62), disability, partial plan termination with respect to the participant, or complete discontinuance of contributions or termination of the Plan.

Forfeited Accounts

As of December 31, 2020 and 2019, forfeited nonvested accounts totaled $8,240 and $1,882, respectively. Forfeitures can be used to reduce future employer contributions or to pay certain administrative expenses. During the year ended December 31, 2020, $8,320 was used to pay administrative expenses for the Plan.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement, or termination of employment as defined in the Plan document. The total vested portion of a participant's account balance is distributed in the form of a lump-sum payment. Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the Plan document. However, if a participant's account balance is valued at or less than $1,000, it is distributed as soon as administratively practicable, without an application for distribution, in cash as a direct distribution to the participant. If the vested account balance exceeds $1,000 but is less than $5,000, the balance will be rolled over into an Individual Retirement Account (IRA) designated by the Company unless the participant requests that the amount be rolled over into another IRA or retirement plan

There are no amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2020 and 2019.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 (subject to reduction for certain loan balances in the prior 12 months) or 50% of their vested account balances. These loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates at origination as determined by the Company. The maximum term for a loan is 5 years, except if the loan is used to acquire the participant's principal residence, in which case the term of the loan may not exceed 15 years. Principal and interest are paid ratably through payroll deductions. Participants are permitted to have one outstanding loan at a time.

As previously described in the CARES Act footnote above, CARES Act loan provisions allowed qualified individuals to suspend their loan repayments through December 31, 2020, and temporarily increase the maximum amount allowed for borrowing.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2020 or 2019.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through August 19, 2021, the date the financial statements were approved and available to be issued.

NOTE 3 - Information Prepared and Certified by Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2020 and 2019. Accordingly, Charles Schwab Trust Bank ("the Custodian"), has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2020 and 2019 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2020 and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2020.

NOTE 4 - Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs for the asset.

NOTE 4 - Fair Value of Financial Instruments (cont.)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Common collective trusts: Valued at the net asset value ("NAV") of units of a bank collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: The self-directed brokerage account allows participants the opportunity to invest in a wide array of individual securities including stocks, corporate bonds, zero-coupon bonds, U.S. Treasury securities, mortgage securities and U.S. government agency bonds, certificates of deposit, unit investment trusts, foreign securities, exchange-traded funds, and mutual funds, which are primarily valued using the methodologies described above for the Plan's investments in similar securities.

NOTE 4 - Fair Value of Financial Instruments (cont.)

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2020 and 2019, respectively.

	December 31, 2020

NOTE 4 - Fair Value of Financial Instruments (cont.)

Investments Measured Using the NAV Per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2020 and 2019.

Investment	Fair Value [1]	Unfunded Commitment	Redemption Frequency[2]	Redemption Notice Period[3; 4]
December 31, 2020				
Common collective trusts	$ 29,068,128	$ -	Immediate	Various

Investment	Fair Value [1]	Unfunded Commitment	Redemption Frequency[2]	Redemption Notice Period[3; 4]
December 31, 2019				
Common collective trusts	$ 24,387,626	$ -	Immediate	Various

(1) The fair value of investments is based on the fair values of the underlying investments in the funds.

(2) Certain events may cause funds held in the common collective trusts to be deferred, including, but not limited to, the following:

(i) Closing or disruption of the financial markets or exchanges in which a transaction is unable to be settled prudently.
(ii) An emergency situation in which the disposition of assets would be seriously prejudicial to Plan participants.
(iii) Breakdown in the means of communication normally employed to determine fair market value of an investment.
(iv) Investments cannot be effected at normal rates of exchange.

None of these events occurred in 2020 or 2019.

(3) Certain common collective trusts require redemption notice periods for plan withdrawals at the discretion of the investment advisor.

(4) Certain common collective trusts require redemption notice periods for participant withdrawals at the discretion of the investment advisor.

NOTE 5 - Administration of Plan Assets

The Plan's assets are administered under a contract with the Custodian of the Plan. The Custodian invests funds received from contributions, investment sales, interest, and dividend income and makes distribution payments to participants.

NOTE 6 - Related Party and Party-in-interest Transactions

Certain of the Plan's investments are managed by the Custodian and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of investments. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 8 - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by letter dated December 13, 2016 that the Plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2020 and 2019, the Plan had investments of $14,104,455 and $12,727,470, respectively, concentrated in one investment that accounted for more than 10% of plan investments.

NOTE 10 – Delinquent Participant Contributions

For the year ended December 31, 2020, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions totaled $66,623. The Company plans to compensate participants for lost earnings resulting from the delinquent participant contributions in 2021.
