INDEPENDENT AUDITORS' REPORT

To the Advisory Committee of

KITCHELL AFFILIATES EMPLOYEES' TAX DEFERRED SAVINGS PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of ***Kitchell Affiliates Employees' Tax Deferred Savings Plan*** ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets certified by Charles Schwab Trust Bank, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

KITCHELL AFFILIATES EMPLOYEES' TAX DEFERRED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(1) Description of the Plan

The Kitchell Affiliates Employees' Tax Deferred Savings Plan (the "Plan") is administered by an advisory committee appointed by the Board of Directors of Kitchell Corporation (the "Sponsor").

The Sponsor is part of a controlled group. However, the Sponsor has filed IRS Form 5310-A which qualifies the Sponsor as a separate line of business, based upon the continuance of the Sponsor meeting the separate line of business requirements, and as such, operates its own plan. Substantially all employees of the Sponsor and its wholly-owned subsidiaries, except for members of a collective bargaining unit, are eligible to participate in the Plan. Employees of American Refrigeration Supplies, Inc., a wholly-owned subsidiary of the Sponsor, are not eligible to participate in the Plan, but are covered by a separate plan.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description.

A. General - The Plan is a defined contribution plan covering eligible employees who have completed one hour of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions - Participants may contribute pre-tax compensation, as defined in the Plan, up to the maximum amount allowable under the Internal Revenue Code. All eligible participants are automatically enrolled in the Plan at a deferral rate of 4%, which will increase each subsequent year by 1% up to a maximum of 8%, unless the employee declines participation, or elects to contribute to the Plan at a different deferral rate. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The default investment election is the JP Morgan Target Date Funds, however, participants can direct the investment of their contributions into various investment options offered by the Plan.

The Sponsor may make discretionary matching contributions to the Plan. For the year ended December 31, 2021, the Sponsor matched 25% of the first 6% of pre-tax compensation contributed to the Plan by the participant. Additionally, the Sponsor may make contributions to the Plan to satisfy discrimination tests in lieu of making distributions of excess contributions to highly compensated participants. Such contributions would be allocated only to non-highly compensated participants and would not be subject to forfeiture. The Sponsor has not been required to make any contributions to the Plan to satisfy discrimination tests.

C. Participant accounts - Each participant's account is credited with the participant's contributions, Sponsor matching contributions and allocations of Plan earnings and forfeitures. Allocations of Plan earnings are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) Description of the Plan (continued)

D. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon.

Vesting in the Sponsor's discretionary matching contributions, plus actual earnings thereon, are based on years of credited service as follows:

Years of Service	Percent Vested
1	20%
2	40%
3	60%
4	80%
5	100%

The Plan defines a year of credited service to be a Plan year with the participant rendering at least 1,000 hours of service.

E. Notes receivable from participants - Participants may borrow against their vested account balances. Loans are made for a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of the participant's vested account balance. Notes receivable are secured by the vested balance in the participant's account and bear interest at rates commensurate with local prevailing rates at the time of origination as determined by the Plan administrator.

F. Payment of benefits - Distribution of 100% of a participant's vested account may be made due to termination, disability, death, and retirement. Also, the 70½-year minimum distribution requires a specified percentage of an employee's benefits be distributed each year once that age is reached. A participant who is still an employee of the Sponsor may make an in-service withdrawal of up to 50% of the vested interest in the participant's account subject to certain provisions. To be eligible for an in-service distribution, the participant must meet certain eligibility requirements as defined by the Plan document.

G. Forfeitures - Forfeited employer matching contributions may be used to pay administrative expenses incurred by the Plan. The portion of forfeited employer matching contributions that is not used to pay administrative expenses will be used first to restore participant accounts and then to reduce the employer's contribution for the year. At December 31, 2021 and 2020, forfeited non-vested accounts totaled $1,700 and $5,578, respectively. For the year ended December 31, 2021, $59,091 of forfeited non-vested accounts were used to pay administrative expenses.

H. Administrative expenses - In accordance with the Plan agreement, the Sponsor elected to pay certain administrative expenses on behalf of the Plan during 2021. The Plan has no obligation to reimburse the Sponsor for such expenses.

(2) Significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting - The accompanying financial statements are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Accordingly, income is recognized when earned and expenses are recorded when incurred. Purchases and sales of securities are recorded on a trade-date basis and benefits paid to participants are recorded in the period in which they are paid. Dividends are recorded on the ex-dividend date.

(2) Significant accounting policies (continued)

Investments - Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued interest.

Management's use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and the reported amounts of additions to and deductions from net assets. Actual results may differ from those estimates.

Subsequent events - The Plan's management has evaluated subsequent events through September 19, 2022, which is the date the financial statements were available to be issued.

(3) Federal income tax status

The Internal Revenue Service ("IRS") has determined and informed the Sponsor by a letter dated October 6, 2015 that the Plan was designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since that date; however, the Plan administrator believes that the Plan was being operated in accordance with the requirements of the IRC and that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

(4) Fair value measurement

FASB ASC 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The inputs or methodologies used for valuing investments are not necessarily an indication of the risk associated with those investments.

(4) Fair value measurement (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used at December 31, 2021 and 2020.

Mutual funds and money market fund: Valued at the net asset value ("NAV") of shares held by the Plan at year end, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions.

Self-directed brokerage account: The self-directed brokerage account consists of common stocks, mutual funds, and cash. Common stocks are stated at fair value, which is based on the closing price reported on the active market which the common stock is traded. Mutual funds are valued at the NAV of shares held by the Plan at year end, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions.

Common/collective trusts: Valued at the stated unit value, or equivalent of NAV, which is based on the current values of the underlying assets of the fund and is a practical expedient for estimating the fair values of the investment. The common/collective trusts have no unfunded commitments and can be redeemed daily with no redemption notice period or other redemption restrictions.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 72,596,594	$ -	$ -	$ 72,596,594
Money market fund	863,160	-	-	863,160
Self-directed brokerage account	428,104	-	-	428,104
Common/collective trusts*	-	-	-	2,096,034
Total	$ 73,887,858	$ -	$ -	$ 75,983,892

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 64,325,778	$ -	$ -	$ 64,325,778
Money market fund	1,124,355	-	-	1,124,355
Self-directed brokerage account	102,111	-	-	102,111
Common/collective trusts*	-	-	-	1,774,311
Total	$ 65,552,244	$ -	$ -	$ 67,326,555

*In accordance with Subtopic 820-10, certain investments that are measured using net asset value per share (or its equivalent) as a practical expedient for fair value are not required to be, and have not been, classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

(5) Plan termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan agreement to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(6) Information certified by the Plan's trustee

Charles Schwab Trust Bank, trustee of the Plan's assets, managed and executed all investment transactions during 2021.

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends from investments
- Interest income on notes receivable from participants
- Schedule of assets held (at year end)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(7) Party-in-interest transactions

Certain Plan investments are funds held and managed by Charles Schwab Trust Bank, the trustee; therefore, these transactions qualify as party-in-interest transactions. Schwab Retirement Plan Services, Inc. provides recordkeeping and administration services to the Plan for a fee which qualify as party-in-interest transactions.

Party-in-interest fees paid by the Plan for the year ended December 31, 2021 were as follows:

Investment advisory fees	$	35,999
Consulting		35,818
Professional services		94,343
Total administrative expenses	$	166,160

(8) Risks and uncertainties

The Plan provides for various investment fund options, which in turn invest in any combination of stocks, bonds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
