INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Ken Washington Auto Parts, Inc. 401(K) PS Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the **Ken Washington Auto Parts, Inc. 401(K) PS Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (in liquidation) as of **December 31, 2021**, and the related statement of changes in net assets available for benefits (in liquidation) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the liquidation basis of accounting as described in note 2, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the liquidation basis of accounting as described in note 2, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the liquidation basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the liquidation basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter

As described in Note 1 to the financial statements, the Board of Directors of Ken Washington Auto Parts, Inc. affirmatively voted to sell the Company as of November 1, 2021. The Plan will start to liquidate and distribute all net assets during 2022. As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 20, 2021, we indicated that (a) because of the significance of the information that they did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

KEN WASHINGTON AUTO PARTS, INC. 401(K) PS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

General

The Ken Washington Auto Parts, Inc. 401(K) PS Plan (the “Plan”) was formed January 1, 1998. The Plan is a defined contribution plan covering all employees who have met certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) and is administered by Ken Washington Auto Parts, Inc. (the “Company”). The Plan’s assets are held by Ascensus Trust Company, the Custodian of the Plan (the “Custodian”) and the recordkeeper of the Plan is The Vanguard Group (the “Recordkeeper”).

On November 1, 2021, the Company was sold in an asset deal to an unrelated third-party. As a result of the sale of the Company, the Plan Sponsor’s Board of Directors will start to terminate the Plan during 2022. As a result of the termination, the Plan has changed its basis of accounting for the periods subsequent to December 31, 2020 to the liquidation basis. Under the liquidation basis of accounting, assets are measured to reflect the amount of cash expected to be collected in settling or disposing of the assets during the liquidation process and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Eligibility

All employees who have completed 1 year of service and who have attained the age of 21 are eligible to participate in the Plan on the Plan entry semi-annual date (the first day of the Plan year and the first day of the seventh month of the Plan year). Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

Contributions

Participants can contribute up to 100 percent of eligible compensation through pre-tax deferrals and roth deferrals. However, contributions may not exceed limitations established under section 402(g) of the Internal Revenue Code of 1986 (“IRC”), as amended. The Plan permits catch-up elective deferrals for participants over 50 years of age subject to IRC limitations. Participants may also make rollover contributions to the Plan from other qualified plans.

If a participant meets certain Plan criteria, the Company will make safe harbor matching contributions to the Plan in accordance with the Plan Document.

The Company, in its sole discretion, also may make discretionary profit-sharing contributions to the Plan. The Company did not make a discretionary profit-sharing contribution for the 2021 or 2020 Plan years.

Investments

Participants direct the investments of their contributions and Company contributions into the investment options offered by the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and an allocation of the Company’s contributions, earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

DECEMBER 31, 2021 AND 2020

Vesting

Participants are immediately vested in their contributions, Company safe harbor matching contributions and rollover contributions and any actual earnings thereon from these sources. For the discretionary profit-sharing contributions, participants become vested on a 6-year graduated vesting schedule.

Notes Receivables from Participants

Participants may borrow from their accounts a minimum of \$1,000 limited to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are not permitted to come from a participant's Roth deferrals. The loans are secured by the balance in the participant's account and are generally due in installment payments of principal plus interest, at an interest rate of prime, with maturity dates ranging from one to five years. The term of the loan may exceed five years if the loan is for the purchase of the participant's principal residence. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

The full value of a participant's account becomes payable upon retirement age of 65, disability or death. Upon termination of employment for any other reason, a participant's account becomes payable. All benefits will be paid as a lump-sum distribution. In addition, the Plan includes a provision for participants to make withdrawals from their account under certain "hardship" circumstances. The Plan also provides for participants who have attained the age of 59 ½ to make a withdrawal from their account, subject to certain restrictions. On termination of service, if a participant's account is less than \$1,000, the participant must receive a lump-sum amount equal to the value of his or her account balance.

Forfeitures

Employees who terminate prior to completing vesting forfeit the unvested portion of their employer contribution account balances. The Plan provides that forfeitures first be used to pay Plan administrative expenses and any remaining balance shall be applied to reduce employer contributions. There were unused forfeitures in the Plan as of December 31, 2021 and 2020 of approximately \$9,700 and \$9,800, respectively.

Amounts allocated to participants withdrawn from the Plan

There are no amounts allocated, but not yet paid, to participants withdrawn from the Plan as of December 31, 2021 and 2020.

Administrative Expenses

Currently, the Company pays the administrative expenses of the Plan with the exception of the expenses charged for participant-directed transactions, such as loan processing fees, distribution fees, and participant set-up fees. The Plan may also pay certain investment management fees, where these expenses are allocated to participant's accounts based on the participant's current fair value. These expenses are reflected in the accompanying statement of changes in net assets available for benefits as administrative expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

As discussed in note 1, the accompanying financial statements of the Plan have been prepared on the liquidation basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Use of Estimates

In preparing the Plan's financial statements, the Plan administrator is required to make estimates and assumptions that affect the reported amounts of Plan assets, and liabilities, and the reported increases and reductions of Plan assets during the reporting period. Actual results could differ from these estimates.

Income Recognition

Purchases and sales of securities are recorded on a settlement-date basis. Dividends are recorded when received. Net appreciation and depreciation, if applicable, includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - SUMMARY OF INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan Administrator has obtained a certification from the Custodian that the information provided to the Plan Administrator by the Custodian is complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

A summary of information included in the financial statements, which has been certified, is as follows:

	2021	2020
Investments - at fair value	\$ 4,366,496	\$ 4,815,853
Notes receivable from participants	8,201	82,883
Net appreciation of investments	511,437	
Interest and dividends	72,966	
Interest on notes receivable from participants	2,098	

NOTE 4 - FAIR VALUE MEASUREMENTS

ASC No. 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC No. 820 are described below:

KEN WASHINGTON AUTO PARTS, INC. 401(K) PS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Unobservable inputs for which there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds

Valued based on quoted prices in an active market (Level 1).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at fair value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,366,496	\$ 0	\$ 0	\$ 4,366,496

Assets at fair value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,815,853	\$ 0	\$ 0	\$ 4,815,853

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 5 - PLAN TERMINATION

The Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. See Note 1 regarding the Company's election to terminate the Plan.

NOTE 6 - INCOME TAX STATUS

On March 31, 2014, the IRS stated that the prototype adopted by the Plan, as then designated, qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself, however, the Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan's accounting guidance requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, and the years then ended, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 - PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares or units of investments managed by the Custodian and the Recordkeeper of the Plan. As Ascensus Trust Company is the Custodian of the Plan and The Vanguard Group is the Recordkeeper of the Plan, the related investment transactions qualify as party-in-interest transactions.

Certain participants have borrowed on their vested account balances. As the individuals are participants in the Plan, these transactions qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated events and transactions for potential recognition or disclosure through September 19, 2022, the date the financial statements were available to be issued.

On March 11, 2020, the World Health Company declared the outbreak of COVID-19 as a pandemic. The rapidly developing pandemic has generated significant uncertainty in the global economy and volatility in financial markets. The COVID-19 pandemic has affected and may continue to affect the market price of Plan assets. Due to the ongoing economic uncertainty and volatility caused by COVID-19, the resulting financial impact to the Plan cannot be reasonably estimated.
