FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee and Participants of
The Chilcote Company 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Chilcote Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Chilcote Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Chilcote Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Chilcote Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Chilcote Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Chilcote Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held At End Of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information,

are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 10, which was certified by Delaware Charter Guarantee Trust Company d/b/a Principal Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

THE CHILCOTE COMPANY 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - SUMMARY OF PLAN

The following brief description of The Chilcote Company 401(k) Profit Sharing Plan (the Plan), is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Chilcote Company 401(k) Profit Sharing Plan is a defined contribution plan covering all employees of The Chilcote Company. It became effective on January 1, 1994.

The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The more significant provisions of the Plan are as follows:

Eligibility

All employees of the Company are eligible to participate in the Plan after performing six months of service. The Company excludes from eligibility leased employees, employees covered by a collective bargaining agreement and non-resident aliens. The plan allows for quarterly entry dates.

Vesting Requirements

A separate account is maintained for each participant to record their share of contributions, forfeitures and investment income and losses. Participants are immediately vested in their contributions plus actual earnings thereon. The participant's portion of the Company matching contribution adheres to a six year graded vesting schedule.

Investment Options

Amounts contributed to the Plan are held in a trust created under the Plan. Upon enrollment in the plan, a participant may direct employee contributions into thirty-two different investment options.

Participants may change their investment options online, or over the phone through Principal Financial Group at any time.

Contributions

Each year, plan participants may elect to contribute to the Plan, on a pretax basis or after tax basis, an amount up to 100% of their salary, subject to a limit of \$19,500 for 2021 and \$19,500 for 2020. These contributions will be tax-deferred within limits prescribed by the Internal Revenue Service. Eligible employees may elect to make catch-up contributions. Plan participants may also contribute amounts representing distributions from other qualified plans. All contributions are participant-directed. In addition, the Company, at its discretion, may make a contribution to the Plan in an amount not limited to its current or accumulated net profit which is determined by the Board of Directors. This contribution is allocated in the same ratio as compensation of each eligible participant. The employer match was reinstated January 1, 2020 which is the minimum of 25% of the deferred amount or 2% of compensation.

Forfeited balances are removed from the participant account and reserved to be used the following year to pay plan expenses or be reallocated to eligible active participants in the plan based on a ratio of a participant's annual salary compared to the total salary of all eligible participants. The total amount of forfeitures removed from participant accounts in the year ending December 31, 2021 was \$2,698. Forfeited non-vested accounts totaled \$0 at December 31, 2021.

In the event that a participant dies before retirement, the beneficiary will receive the value of the participant's account balance either in a lump-sum distribution or as a rollover in whole to an eligible retirement plan.

Participants qualifying for a hardship withdrawal may receive all or a portion of their contributions, plus investment return earned thereon, but not more than the amount necessary to meet the financial hardship.

Note Receivables from Participants

Participants may borrow from their account any amount not less than \$1,000 and not greater than the lesser of 50% of their vested account balance or \$50,000. Only one loan from the Plan per participant may be outstanding at any time. The loans are secured by the balance in the participant's account. The interest rate will be based on the rates available for similar loans from commercial lending institutions. As of December 31, 2021, the interest rates on all outstanding loans ranged from 4.25% to 6.25%.

Principal and interest is paid ratably through monthly payroll deductions. Loan repayment terms may not be longer than 5 years, unless being used to purchase a primary residence. Loan origination fees of \$75 and quarterly loan maintenance fees of \$12 are paid by the participant requesting the loan.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

Contributions

Contributions due from the Company, if any, are accrued when approved by the Board of Directors. Such accrued contributions are funded by the Company prior to filing its federal income tax return, including extensions.

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting, in conformity with generally accepted accounting principles.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts which approximates contract value for the fully benefit-responsive investment contracts held by the plan.

Valuation of Investments

The Plan's investments are administered by Delaware Charter Guarantee Trust Company d/b/a Principal Trust Company and are stated at fair value and contract value. The fair value of mutual funds is determined based on quoted market prices. Units held in pooled separate accounts are reported at fair value based on the unit prices quoted by the fund, representing the fair value of the underlying investments. Participant loans are valued at cost, which approximates fair value. Units of collective investment trusts are reported at fair value based on an analysis of the fair values of the underlying investments. Shares of the Fixed Income Guaranteed Option account are valued at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Distributions

Benefit distributions are recorded when paid to participants.

Administrative Expenses

The expenses necessary to administer the Plan are paid by the Plan or Plan sponsor including, but not limited to, those involved in retaining necessary professional assistance from an attorney, an accountant, an actuary or an investment advisor.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (CONTINUED)

Risk of Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in value in the near term would materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

NOTE 3 - INCOME TAX STATUS

On June 27, 2022, the Plan was restated to use a prototype plan document sponsored by Principal Life Insurance Company. Principal Life Insurance Company received an opinion from the IRS, dated June 30, 2020 (the prior opinion letter was dated March 31, 2014), which states that the prototype document satisfies the provisions of Section 401 of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 4 - PLAN TERMINATION

Although it has expressed no intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments in 2020 and 2021 are shares of funds managed by Delaware Charter Guarantee Trust Company d/b/a Principal Trust Company. Principal Trust Company is the current custodian, and therefore, these transactions qualify as party-in-interest transactions. Certain fees for administrative expenses are with the custodians and are not considered prohibitive transactions under ERISA. Participant loans also qualify as party-in-interest transactions.

NOTE 6 - PARTICIPANTS SEPARATED FROM SERVICE WITH A DEFERRED VESTED INTEREST

As of December 31, 2021, 28 participants with vested account balances totaling \$2,263,155 have separated from service and have not yet been paid.

NOTE 7 - INVESTMENTS

The Plan's investments are held by Principal Trust Company. Principal Trust Company maintains the investments in separate accounts, which comprise a significant portion (99.22%-2021, 98.86%-2020) of the Plan's assets. The accounts are credited with earnings on the underlying investments and charged for plan withdrawals. With the exception of Principal Fixed Income Guaranteed Option, which is reported at contract value, the assets are reported at fair value by Principal Trust Company and are certified as of December 31, 2021 and 2020 as to the completeness and accuracy of the information reported. Investment income totaled \$1,538,241 for the year ended December 31, 2021. Unrealized gains on investments totaled \$655,366 for the year ended December 31, 2021. Realized gains on investments totaled \$806,614 for the year ended December 31, 2021. Reinvested dividend income totaled \$71,748 for the year ended December 31, 2021.

NOTE 8 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in active markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies at December 31, 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 8 - FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered by the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Pooled separate accounts (PSA) are not publicly quoted, however the majority of the underlying securities (mutual funds and domestic stocks) are level 1 assets and the fair value is publicly quoted and is used in determining the net asset value of the PSA.

Collective Investment Trusts: The Collective Investment Trusts (CIT) are not publicly quoted. The CIT's invest in a collective trust fund and a variety of separate accounts and mutual funds.

The mutual funds are level 1 assets with publicly quoted fair value. The trust fund has audited financials available and the pooled separate accounts are valued as previously described. The fair value of all of these investments is used in determining the net asset value (NAV) of the CIT. ASC 820 allows NAV per share to serve as a practical expedient to estimate fair value of a CIT as long as certain requirements are met. It is Principal's assessment that this CIT meets those requirements.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and December 31, 2020:

	<u>Assets at Fair Value as of December 31, 2021</u>

Collective Investment Trusts	\$ 1,979,994	n/a	Daily	None

Events that would limit the pooled separate accounts and collective investment trusts to transact at the NAV may include, but are not limited to, the following: mergers, mass layoffs, plan terminations, and implementation of early retirement incentive programs.

NOTE 9 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan is invested in Principal Fixed Income Guaranteed Option, a benefit-responsive group annuity contract issued by Principal Life Insurance Company. The methodology for calculating the interest crediting rate is defined in Article I, Section 2 of the contract under the term "Composite Crediting Rate." Under the terms of the existing contract, the Composite Crediting Rate is currently reset on a semiannual basis and will never be less than the Guaranteed Minimum Interest Rate.

THE CHILCOTE COMPANY 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 9 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

The Principal Fixed Income Guaranteed Option is a single group annuity contract with a fixed rate of interest. It is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets as would be found in a Stable Value fund. As a result, the average yield earned by the plan is the yield earned (i.e. interest credited) on the group annuity contract.

The Composite Crediting Rate history for the contract is as follows:

<u>Time Period</u>	<u>Rate</u>
January 1, 2020 – June 30, 2020	1.75%
July 1, 2020 – December 31, 2020	1.80%
January 1, 2021 – June 30, 2021	1.60%
July 1, 2021 – December 31, 2021	1.55%

Note: The interest rate history summarized above is prior to any plan-level recordkeeping expenses being deducted.

By definition, the Principal Fixed Income Guaranteed Option group annuity contract is an insurance contract. As a result, the plan may transact according to the terms defined in the contract at any time. The terms and methods under which the contract may transact are defined in Article II (Deposits and Ownership – Vintage – Primary), Article IIA (Deposits and Ownership – Vintages – Subsequent), Article IIB (Vintages), Article III (Fees), Article IV (Benefits and Other Payments) and Article V (Limitations; Termination) in the contract.

Article V of the contract defines the circumstances and amounts for which the plan may terminate its interest in the contract. The issuer, Principal Life Insurance Company, has the right to no longer receive deposits under Article VII, Section 3. However, the circumstances for termination of the contract are still subject to Article V.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (3) the failure of the trust to qualify for exemption from federal income taxes of any required prohibited transaction exemption under ERISA, or (4) premature termination of the contract. No events are probable of occurring that might the liability of the Plan to transact at contract value with the contract issuers and that would also limit the ability of the Plan to transact at contract value with the participants.

NOTE 10 - INFORMATION CERTIFIED BY THE TRUSTEE

NOTE 12 – CARES ACT

The Plan has adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The Plan also adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020. Finally, the plan adopted the required minimum distribution (RMD) provisions of the CARES Act. The RMD provision adopted by the Plan allows participants to suspend RMDs and delay the commencement date for RMD's.

NOTE 13 – COVID-19

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. The impact of COVID-19 continues to evolve rapidly and the Company is not able at this time to estimate its full impact on the Plan's financial statements.

NOTE 14 - SUBSEQUENT EVENTS

Subsequent events were reviewed through August 23, 2022, the date the financial statements were available for issue.
