INDEPENDENT AUDITORS' REPORT

To the Participants and Audit Committee of the Board of Directors
of Children's Hospital Medical Center of Akron
Akron Children's Hospital Retirement Security Plan
Akron, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements the Akron Children's Hospital Retirement Security Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 8, which was certified by Variable Annuity Life Insurance Company, a member of AIG Federal Savings Bank, the Trustee of the Plan, to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Akron Children's Hospital Retirement Security Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Akron Children's Hospital Retirement Security Plan (the "Plan"). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 4, 2021, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of the Plan

The Akron Children's Hospital Retirement Security Plan (the "Plan") is a defined contribution plan that covers substantially all Children's Hospital Medical Center of Akron ("Children's" and "Plan Administrator") employees hired after December 31, 2006. The Plan was established January 1, 2007. Participants become fully vested in the Plan after three years of credited service. Children's has agreed to make discretionary contributions for any participant at least 21 years old, employed on the last day of the year, working a minimum of 1,000 hours and not part of a defined excluded classification of employees. The Plan is 100% funded by Children's. Children's will contribute a percentage of pay based on a combination of age and years of eligible service for every year that the eligible employee remains employed through December 31. The contributions are placed in participant-directed investment accounts. Each participant's account is credited with allocations of (1) the company's contribution and (2) plan earnings, and charged with an allocation of administrative expenses. Children's has the right under the Plan to discontinue such contributions at any time and to terminate the Plan.

The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 ("ERISA").

Should the Plan terminate at some future time, all amounts credited to the participant's accounts shall become 100% vested and shall not be subject to forfeiture. Distribution of the assets will be directed by the Plan Administrator based on provisions in the Plan documents.

Information about the Plan agreement, the vesting and benefit provisions are contained in the *Summary Plan Description ("SPD")*. Copies of the *SPD* are available from the Human Resources Department at Children's.

2. Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Administrative Fees
Investment management expenses, trustee fees, and other administrative expenses are paid by the Plan. Certain other costs are paid by Children's.

2. Significant Accounting Policies (continued)

Investment Valuation and Investment Income

Investments in mutual funds and money market funds have readily determinable fair values and are measured at fair value in the December 31, 2021 and 2020 Statements of Net Assets Available for Benefits. Fair values of investments in mutual funds and money market funds are based on quoted market prices.

Fully benefit-responsive investment contracts held by a defined-contribution plan are required to be reported at contract value. Contract value, as reported to the Plan by the Trustee, represents contributions made under the contract plus earnings, less participant withdrawals and administrative expenses.

Investment income or loss and net realized and unrealized gains and losses are reflected in the Statements of Changes in Net Assets Available for Benefits.

Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

Fair Value of Financial Assets and Liabilities

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

The framework for measuring fair value is comprised of a three-level hierarchy based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The three levels are defined as follows:

- Level 1 – inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

- Level 2 – inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

- Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

2. Significant Accounting Policies (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Children's believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

Payment of Benefits
Benefits are recorded when paid.

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020. The CARES Act allowed Plan participants who were impacted from the coronavirus to elect a distribution of up to $100,000 from the Plan through December 31, 2020, with a waiver of the 10% early withdrawal tax penalty. Participants may pay back the distribution over a three-year period from the date of the distribution, without being subject to income taxes. If the distribution is not repaid to the Plan, participants have the option to pay the income taxes on the distribution over a three-year period. Additionally, under the CARES Act, all required minimum distribution requirements were waived for the year ended December 31, 2021.

Subsequent Events
The Plan has evaluated subsequent events through August 11, 2022, the date the financial statements were available to be issued.

3. Assets and Liabilities Measured at Fair Value

Assets measured at fair value on a recurring basis as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 76,726	$ -	$ -	$ 76,726
Money market funds	382	-	-	382
Total assets at fair value	$ 77,108	$ -	$ -	$ 77,108

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 62,794	$ -	$ -	$ 62,794
Money market funds	602	-	-	602
Total assets at fair value	$ 63,396	$ -	$ -	$ 63,396

3. Assets and Liabilities Measured at Fair Value (continued)

Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Mutual funds: Securities and mutual funds listed or traded on securities exchanges are valued at the closing price on the exchange where the security is principally traded. These securities are classified as Level 1 because quoted prices in active markets are available.

- Money market funds: Money market funds are valued at net asset value ("NAV"). NAV is equal to the market value of each money market fund's investments and other assets, less liabilities, divided by the number of fund shares. These funds are valued at a daily close price as reported by the fund. The funds are required to publish their daily NAV and transact at that price. Money market funds are actively traded and are classified as Level 1.

4. Guaranteed Investment Contracts

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with AIG. The account is maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issued is contractually obligated to repay the principal and specified interest rates that are guaranteed to the Plan.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issue or otherwise. The crediting interest rates are based on a formula agreed upon with the issuers.

Certain events limit the ability of the Plan to transact at contract value with the issuer. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

5. Income Tax Status

The Internal Revenue Service has determined on March 31, 2008 that the Prototype Non-Standardized 401(a) Profit Sharing Plan, which was adopted by the Plan, is a qualified plan under Section 401 of the Internal Revenue Code ("IRC") and is exempt from tax under present income tax laws. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving this determination. However, the Plan Administrator believes the Plan still complies with the Internal Revenue Service Code Section above.

5. Income Tax Status (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, and for the years then ended, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Transactions with Parties in Interest

Variable Annuity Life Insurance Company / AIG Federal Savings Bank ("AIG"), who serves as the Trustee, receives investment management fees. There are also fees deducted directly from investment earnings of the Plan.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

8. Trustee Certification of Investments

AIG has certified that the following information used in preparation of these financial statements is complete and accurate as of and for the years ended December 31:

	2021	2020
Investments, at fair value	$ 77,108	$ 63,396
Fully benefit-responsive investment contracts, at contract value	$ 4,014	$ 3,672
Interest and dividends	$ 8,220	$ 1,755
Net appreciation in fair value of investments	$ 1,172	$ 6,252
