INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the Acme Corrugated Box Co., Inc. Profit Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Acme Corrugated Box Co., Inc. Profit Sharing and 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ACME CORRUGATED BOX CO., INC. PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Acme Corrugated Box Co., Inc. (the "Company" or "Employer") Profit Sharing and 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

[1] General:

The Plan is a defined contribution, profit-sharing plan covering all nonunion full-time employees of the Company who have completed three months or more of service. An eligible employee may enter the Plan on the first day of the next month following the date on which he or she meets all the entry requirements. The Plan has an automatic enrollment feature whereby upon a participant's entry date, unless an eligible employee affirmatively elects otherwise, the employee will be automatically enrolled in the Plan at a 3% deferral rate with auto-escalation annually by 1%, up to 6%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The custodian and recordkeeper of the Plan is Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company. The Plan was restated effective January 1, 2021 as required by the Internal Revenue Service ("IRS") to maintain the Plan's compliance with current law. There were no substantial changes to the provisions of the Plan.

[2] Contributions:

Participants of the Plan can authorize a payroll deduction of up to 100% of wages for contribution into the Plan; however, total deferrals in any taxable year may not exceed the maximum amount permissible under the Internal Revenue Code ("IRC"). The Company makes a safe harbor matching contribution in the amount of 100% of elective deferrals that do not exceed 1% of compensation plus 50% of elective deferrals that exceed 1% of compensation but do not exceed 6% of compensation. Profit-sharing contributions are made at the discretion of the Company. Total safe harbor matching contributions to the Plan totaled \$559,638 for the year ended December 31, 2021. There were no discretionary profit-sharing contributions to the Plan for the year ended December 31, 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

[3] Participant accounts:

The Plan provides for self-directed investment programs among a selection of registered investment companies and common/collective trusts. Each participant's account is credited with the participant's contributions and allocations of (a) Employer contributions, and (b) Plan earnings (losses), and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their investment options at any time.

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[4] Vesting:

Participants are immediately fully vested in their elective deferral contributions, rollover contributions, and earnings thereon. Participants are 100% vested in safe harbor Employer matching contributions and earnings thereon after two years of service. Vesting in Employer discretionary profit-sharing contributions and earnings thereon is based on years of service, as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balances, plus any accrued but unpaid interest. A participant may borrow from his or her fund account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. Each loan is secured by the balance in the participant's account and bears interest at a rate of prime plus 1%, as defined. Interest rates on outstanding loan balances range from 4.25% to 6.50% as of December 31, 2021 and 2020. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020 and provided certain loan provisions. Participants, who met specific conditions, were eligible to take a coronavirus ("COVID-19") related loan up to \$100,000 (an increase from \$50,000 previously allowed) for the period from March 27, 2020 to September 22, 2020. Loan repayments due between March 27, 2020 and December 31, 2020 could be suspended until January 1, 2021 for eligible participants, with the repayment amount reamortized and the due date of the loan extended for up to one year.

[6] Payment of benefits:

On termination of service due to death, disability, retirement or other reasons, a participant or beneficiary may receive the value of the vested interest in his or her account as a lump-sum distribution, a series of cash payments or an annuity contract purchased from a life insurance company. Following termination of employment, if a participant's vested account balance is \$5,000 or less, the Plan administrator may make an automatic lump-sum distribution to the participant.

Distribution of a terminated participant's vested account balance will occur as soon as administratively practicable after termination of employment.

The CARES Act also provided optional distribution as well as suspension of required minimum distributions ("RMDs") for anyone required to receive an RMD in 2020. The Plan Sponsor implemented the following provisions of the CARES Act, and the Plan will be formally amended prior to December 31, 2022, as required by the Act.

ACME CORRUGATED BOX CO., INC. PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[6] Payment of benefits: (continued)

Participants, who met specific conditions, were eligible to take a COVID-19-related distribution up to \$100,000 without a 10% early withdrawal penalty. Eligible distributions could be taken from January 1, 2020 through December 31, 2020, and could be repaid within three years. The repayments will be treated as tax-free rollovers into the participant's account.

The Plan Sponsor elected to suspend paying RMDs to participants and beneficiaries that would otherwise be required to receive an RMD in 2020. However, participants and beneficiaries had a choice between receiving and not receiving the RMD for 2020. In addition, individuals that received an RMD prior to the enactment of the CARES Act had until August 31, 2020 to roll over the RMD to an eligible retirement plan.

[7] Forfeited accounts:

Forfeited nonvested accounts may be used to reduce future Employer contributions and pay Plan expenses. During the year ended December 31, 2021, forfeitures of \$40,375 were used to reduce Employer contributions. As of December 31, 2021 and 2020, forfeited nonvested accounts available totaled \$103 and \$-0-, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The accompanying financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

[2] Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements and the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

[3] Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized/unrealized appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

[4] Payment of benefits:

Benefits are recorded when paid.

ACME CORRUGATED BOX CO., INC. PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[5] Plan expenses:

Certain administrative expenses of the Plan are paid by the Company. Fees related to notes receivable from participants along with other recordkeeping and investment charges are paid by the Plan.

[6] Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, the custodian of the Plan, and its affiliate, Principal Life Insurance Company, have certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021.

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; or (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

ACME CORRUGATED BOX CO., INC. PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 or 2020.

Registered investment companies (mutual funds) – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities’ liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan’s investment assets at fair value as of December 31, 2021 and 2020:

	Investment Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Investments:

The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Notes to Financial Statements December 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

NOTE E - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Principal Funds Inc. and common/collective trusts managed by Principal Global Investors Trust Company. Principal Funds Inc. and Principal Global Investors Trust Company are related to the custodian of the Plan. Therefore, transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan to Principal Trust Company were \$85,487 for the year ended December 31, 2021.

NOTE F - TAX STATUS

The Plan has adopted a Non-Standardized Pre-Approved Profit-Sharing plan with CODA sponsored by Atlantic Pension Services, Inc. On June 30, 2020, the Internal Revenue Service stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and, therefore, the related trust was exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan administrator believes that the Plan is qualified, and the related trust is tax-exempt.

U. S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of the investments as of December 31, 2021 may not necessarily be indicative of amounts that could be realized in a current market exchange.

ACME CORRUGATED BOX CO., INC. PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE H - RISKS AND UNCERTAINTIES (CONTINUED)

The extent of the continuing impact of the COVID-19 outbreak on the financial performance of the Plan's investments will depend on future developments, including the duration and spread of the outbreak and related advisories and restrictions and the impact of COVID-19 on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

COVID-19 continues to pose risks to the Company as well, given that such public health epidemics, if sustained, could impact Company employees, customers, supply chain, and production in affected regions. Additionally, a prolonged widespread epidemic could adversely impact global economies and financial markets, resulting in an economic downturn that may impact demand for the Company's products. Such impacts could adversely affect Company profitability, cash flows, financial results, and the ability to make required Plan contributions. At this point, the extent to which the continuing coronavirus outbreak may impact the Company's financial results is uncertain.

NOTE I - REGISTERED INVESTMENT COMPANY FEES

Certain investments in registered investment companies are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

NOTE J - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 20, 2022, which is the date the financial statements were available to be issued.
