CERTIFIED PUBLIC ACCOUNTANT

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Southwestern Carpets, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Southwestern Carpets, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Southwestern Carpets, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southwestern Carpets, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwestern Carpets, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

To the Administrative Committee of
the Southwestern Carpets, LLC 401(k) Plan

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southwestern Carpets, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwestern Carpets, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules as described in the table of contents to the financial statements are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Administrative Committee of
the Southwestern Carpets, LLC 401(k) Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Trustees and Plan Administrator of the
Southwestern Carpets, LLC 401(k) Plan

We were engaged to audit the accompanying statement of net assets of Southwestern Carpets, LLC 401(k) Plan, as of December 31, 2020 and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Reliance Trust Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule(s). We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Southwestern Carpets, LLC 401(k) Plan
NOTES TO FINANCIAL STATEMENTS

A - DESCRIPTION OF PLAN

The following description of the Southwestern Carpets, LLC 401(k) Plan (the “plan”) is provided for general information purposes only. The plan sponsor is Southwestern Carpets, LLC and its affiliate. Participants should refer to the Summary Plan Description (SPD) for additional information.

General

The plan, which was established on and effective as of August 15, 2003, is a qualified defined contribution plan covering all eligible employees of Southwestern Carpets, LLC who have completed six months of service and are 21 years of age or older. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Standard Retirement Services, Inc. acts as the third-party administrator for the plan. Reliance Trust Company is the custodian of the plan and has been designated to hold the assets of the plan for the benefit of plan participants and their beneficiaries in accordance with the terms of the plan document. The trust fund established by the plan's custodian will be the funding medium used for the accumulation of assets from which plan benefits will be distributed.

Allocations

Assets of the plan are allocated to participant accounts based on specific contributions made by each participant and respective matches made by the Company. Investment income (loss) is credited to each account based on appreciation (depreciation) of specific assets held in each participant's account and any earnings thereon.

Contributions

In order to allow participants the opportunity to increase their retirement income, each participant may, in accordance with nondiscriminatory procedures established by the administrator, elect to make employee voluntary contributions to the plan. Such contributions must generally be paid to the custodian within a reasonable period of time after being received by the employer. Employee elective deferrals may be pre-tax 401(k) elective deferral contributions Roth 401(k) deferrals.

The Company may elect to make discretionary matching and/or profit-sharing contributions to be determined annually by Board of the Company. The Company made a discretionary matching contribution of \$64,018 for the year ended December 31, 2021.

Southwestern Carpets, LLC 401(k) Plan
NOTES TO FINANCIAL STATEMENTS (Continued)

A - DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of the participant's accounts plus actual earnings thereon is 25% after year one of service increasing 25% each year until fully vested after four years. A participant is 100 percent vested in employer contributions upon attainment of normal retirement age, death, total disability or after six years of service.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. For termination of service due to other reasons, participants with account balances of less than \$5,000 will receive a full distribution of their account in a single lump-sum payment regardless of whether they consent to receive it.

A participant may receive a hardship distribution of their salary reduction contributions if the distribution is (1) on account of medical expenses incurred by the participant, their spouse or dependents, (2) to purchase (excluding mortgage payments) a principal residence of the participant, (3) for the payment of tuition, related educational fees and room and board for the next twelve months of post-secondary education for the participant, their spouse, children or dependents, (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence, (5) payments for burial or funeral expenses of your deceased parent, spouse, children or other dependents, or (6) expenses for the repair of damage to your principal residence that would qualify for the casualty deduction under the Internal Revenue Code.

Forfeitures

Under the terms of the Plan, the Employer may use forfeitures to reduce administrative expenses of the Plan or to reduce otherwise required contributions to the plan. The Plan had \$630 of forfeitures during the current year. As of December 31, 2021, there were \$841 of unallocated forfeitures.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) plan earnings. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Southwestern Carpets, LLC 401(k) Plan
NOTES TO FINANCIAL STATEMENTS (Continued)

A - DESCRIPTION OF PLAN (Continued)

Investment options

Upon enrollment in the plan, participants direct the investment of their contributions and the Company contributions into various investment options offered by the plan. The participants exercise control over their investments in the plan and can modify them to meet their need.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time, and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Because the plan is a defined contribution plan, it is not covered by Pension Benefit Guaranty Coverage insurance.

Notes receivable from participants

Loans to participant are permitted under the plan. A participant may borrow the lesser of fifty percent of the present value of their vested interest in the plan (less any outstanding loans) or \$50,000, reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made. The minimum amount of any loan is \$1,000. All loans are considered directed investment of the participant's account and all payments of principal and interest will be credited to their account. Loan terms may not exceed 5 years. The participant's loan is collateralized by the balance in the participant's account and bears interest at a fixed, commercially reasonable rate. Each loan will be amortized with level payments of principal and interest paid at least quarterly. Participants may only have one loan outstanding at a time.

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the cash basis when received. Related fees are charged directly to the borrowing participant's account when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Participant rollovers

Participants are allowed to transfer or rollover funds into the plan from other qualified plans.

Administrative expenses

The plan pays substantially all administrative fees and expense related to maintaining the plan. Contract administrative fees of \$21,822 were charged to the plan in 2021. The sponsor pays audit fees and other overhead and administrative costs. Indirect fees from mutual funds are paid by the plan and are reductions to the earnings of the mutual funds.

B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following summary of the plan's significant accounting policies is presented to assist in understanding the financial statements. The financial statements and notes are representations of the plan's management, who is responsible for their integrity and objectivity.

Basis of presentation and use of estimates

The plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The accrual basis of accounting requires the use of estimates and assumptions that affect the assets, liabilities, revenues and expenses reported in the financial statements, as well as amounts included in the notes thereto, including discussion and disclosure of contingent liabilities. Although the plan uses its best estimates and judgments, actual results could differ from these estimates as future confirming events occur.

Investment valuation and income recognition

Mutual funds are reported at fair value based on published market prices, which represent the quoted net asset values of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the exdividend date. Net appreciation in fair value of investments includes the Plan's realized gains and losses on investments bought and sold as well as unrealized gains and losses on investments held during the year.

Contributions

Contributions from employees are recorded in the period in which the Company makes the payroll deductions from participant earnings. The Company may elect to make discretionary matching and/or profit-sharing contributions which are recorded at the time of payment.

Plan expenses

Plan expenses are paid by both the Company and the plan.

Payment of benefits

Benefits are recorded when paid.

B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair value measurements

The framework for measuring fair value is a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted price in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1

Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2

Fair values are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly.

Level 3

Fair values are based on at least one significant unobservable input for the asset.

The methods and significant assumptions used to estimate fair values of financial instruments are as follows. There have been no changes in the methodologies used in the previous year.

<u>Asset type</u>	<u>Level</u>	<u>Rationale</u>
Mutual funds	1	Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Following is a summary of plan assets measured at fair value.

For the year ended December 31, 2021, the plan had net realized/unrealized gain (loss) of \$368,825. The carrying value of notes receivable from participants approximate their fair value at December 31, 2021 and 2020, respectively.

Southwestern Carpets, LLC 401(k) Plan
NOTES TO FINANCIAL STATEMENTS (Continued)

C - STANDARD STABLE ASSET D

The Standard Stable Asset D becomes a part of Standard Insurance Company's general account, and there are no particular segregated or identifiable assets ascribed to the plan's investment. Net deposits and interest credited become liabilities against Standard Insurance Company on the plan's behalf. Daily liquidity is available for participant contributions and withdrawals at contract value regardless of market conditions. Contract value is guaranteed by the full faith and credit of Standard Insurance Company; there are no wrap contracts supporting the liquidity of the fund. The fund is neither a mutual fund nor a bank product.

D - TAX STATUS

On December 1, 2021, the Company adopted the prototype plan of Standard Retirement Services, Inc., the Plan's third-party administrator. The IRS has determined and informed the volume submitter, Standard, by letter dated June 30, 2020 that the Plan and related trust are designed in accordance with the applicable regulations of the IRC. It is the view of the plan administrator and the plan's counsel that the plan continues to be designed and operated in compliance with the applicable requirements of the IRC and the plan and the related trust continue to be tax exempt. Therefore, no provision for federal or state income tax has been included in these financial statements.

E - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2021 and 2020. Accordingly, Reliance Trust Company, the Custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

G - CONCENTRATIONS OF RISK

The following is a summary of financial instruments subject to credit risk at year end.

Notes receivable from participants

As discussed in Note A above, if a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document. Consequently, no allowance for collectability is considered necessary by plan management.

Investment securities

The plan's investments are not insured by agencies of the United States government. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits. The maximum amount of loss due to credit risk that the plan would incur if parties to the financial instruments failed to perform according to the terms of the contracts and the collateral, if any proved to be of no value, would approximate the balances that appear on the Statement of Net Assets Available for Benefits.

Southwestern Carpets, LLC 401(k) Plan
NOTES TO FINANCIAL STATEMENTS (Continued)

G - CONCENTRATIONS OF RISK (Continued)

General business economy

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

H - PARTY IN INTEREST TRANSACTIONS

The plan invests in various investment securities through Reliance Trust Company, the plan's custodian, as defined by the plan. Therefore, these transactions qualify as "party in interest" transactions. Standard Retirement Services, Inc. acts as third-party administrator for the plan and is therefore considered a "party in interest". Administrative fees related to the custodian's administration of the plan are paid by the plan. Other administration fees are paid by the plan or the plan sponsor on behalf of the plan.

I - SINGLE EMPLOYER PLAN (RELATED PARTIES)

As defined in ERISA, Single Employer plans are generally established by the management of one employer (or a controlled group of corporations) either unilaterally or through collective bargaining, and the employer is the plan sponsor. By contrast, multiemployer plans are normally negotiated and established pursuant to a collective bargaining agreement between an associated group of employers, such as in the construction trades, and the union representing the employees.

For financial reporting purposes, Southwestern Carpets, LLC 401(k) Plan is considered a single employer plan which includes the employees of Southwestern Carpets, LLC 401(k) Plan and Blinds by Design, LLC, an affiliated company.

J – SUBSEQUENT EVENTS AND DATE OF MANAGEMENT'S REVIEW

The plan's management has evaluated subsequent events through date of the independent auditor's report, which is the date the financial statements were available to be issued.
