REPORT OF INDEPENDENT ACCOUNTANTS

The Trustees

Metropolitan Public Defender Restated Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Metropolitan Public Defender Restated Retirement Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Metropolitan Public Defender Restated Retirement Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- The information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Metropolitan Public Defender Restated Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Metropolitan Public Defender Restated Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Metropolitan Public Defender Restated Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Metropolitan Public Defender Restated Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule H, Line 4i, Schedule of Assets (Held at End of Year) on page 13 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Metropolitan Public Defender Restated Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able

to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

1. Description of the Plan

The following is a brief description of the Metropolitan Public Defender Restated Retirement Plan (the “Plan”), and is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan established for the exclusive benefit of employees of Metropolitan Public Defender Services, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), and covers all employees of Metropolitan Public Defender Services, Inc. Ascensus Trust Company was the Plan’s trustee for the years ended December 31, 2021 and 2020 and, as such, had responsibility for managing the Plan’s assets, subject to the direction of Metropolitan Public Defender Services, Inc., the plan sponsor and plan administrator.

Plan Contributions – Participants may contribute a portion of their compensation by means of payroll deductions, subject to certain discrimination tests and the limits prescribed by the Internal Revenue Code. Metropolitan Public Defender Services, Inc. may make discretionary contributions, qualified non-elective contributions, and/or matching contributions to the accounts of active participants. For the years ended December 31, 2021 and 2020, employer retirement contributions represented 6.0% of the participants’ eligible compensation, as defined by the Plan. In addition, the employer provided matching contributions representing the lesser of 25.0% of employee deferrals, or 0.75% of a participant’s eligible compensation, for the years ended December 31, 2021 and 2020.

Participants’ Accounts – Each participant’s account is credited with the participant’s contributions and allocation of (a) Metropolitan Public Defender Services, Inc.’s contributions, and (b) Plan earnings.

Vesting – Participants are 100% vested in their salary deferral contributions and their rollover contributions upon entry into the Plan. Employer contributions and allocated earnings on employer contributions are vested as follows:

<i>Years of Service</i>	<i>Percentage Vested</i>
Fewer than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	100%

Payment of Benefits – On termination of service, a participant may elect to receive a lump-sum amount equal to the value of the vested interest in his or her account. The participant may elect to remain invested in the Plan if the participant’s account exceeds \$5,000. The participant may be subject to minimum distribution requirements, which would result in regular distributions to the participant or the joint lives of the participant and a designated beneficiary over a period not to exceed the life expectancy of the participant or last surviving beneficiary.

Forfeiture Disposition – If a participant terminates service prior to becoming fully vested in employer contributions, any account balance that is not vested is subject to forfeiture and will be used to pay certain annual plan administrative expenses authorized by the Plan’s trustees or reallocated to participants as employer contributions in accordance with the provisions of the Plan. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$73,216 and \$19,092, respectively. There were \$90,146 in total forfeitures for the year ended December 31, 2021. Accumulated forfeitures applied toward plan administrative expenses for the year ended December 31, 2021, totaled \$19,259.

Eligibility Requirements – All employees are eligible to participate in the Plan upon their date of hire.

Hardship Provisions – Upon approval of the plan administrator, participants may make taxable withdrawals for reasons of immediate and heavy financial need in accordance with, and as defined by, the plan document.

Plan Termination – Although it has not expressed any intent to do so, the Metropolitan Public Defender Services, Inc. has the right to terminate the Plan, subject to the provisions of ERISA. In the event of the Plan’s termination, participants become 100% vested in their employer contributions.

Administrative Expenses – Certain expenses are paid from plan assets and are deducted from participant accounts, in accordance with the plan document. Other expenses, which include legal, accounting, and fidelity bonding, are deducted from forfeited non-vested accounts, as described above.

Related-Party and Party-in-Interest Transactions – Certain plan investments are managed by Ascensus Trust Company, the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions. For the year ended December 31, 2021, fees paid by the Plan for administrative expenses totaled \$49,063, of which \$12,668 represented fees paid to the Plan’s auditor. In addition, fees paid to The Vanguard Group, Inc., the third-party administrators, also qualify as party-in-interest transactions, and totaled \$29,847 for the year ended December 31, 2021. Fees incurred by the Plan for investment management services are included in the net appreciation (decline) in fair value of the investments.

Tax Status – Metropolitan Public Defender Services, Inc. has adopted a prototype Plan document, and is relying on the prototype sponsor’s opinion letter from the Internal Revenue Service dated March 31, 2014. The letter states that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the prototype plan has been amended since receiving the opinion letter, Metropolitan Public Defender Services, Inc. believes that the Plan is designed and currently is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, currently there are no audits for any tax periods in progress.

2. Summary of Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates – The preparation of the Plan’s financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. In the opinion of the Plan’s management, such differences, if any, would not be significant.

Investment Valuation and Income Recognition – Investments are reported at fair value. Net appreciation (decline) in the fair value of investments consists of the realized gains or losses, the unrealized appreciation (decline) of those investments, and certain investment fees. Security transactions are recorded on a trade date basis.

Risk and Uncertainties – Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits – Benefits are recorded when paid.

Concentration of Credit Risk – A significant portion of the Plan’s assets are invested in mutual funds at December 31, 2021.

Subsequent Events – Subsequent events have been evaluated by management through August 30, 2022, which is the date the financial statements were available to be issued.

Other Significant Accounting Policies – Other significant accounting policies are set forth in the financial statements and the following notes.

3. Information Prepared and Certified by the Trustee

The Plan has obtained a certification from Ascensus Trust Company that the information provided by them is complete and accurate. The information certified by them includes:

- Details and summaries of investments at fair value and other assets as of December 31, 2021 and 2020 and;
- Details and summaries of net appreciation (decline) in the fair value of plan investments during the year ended December 31, 2021.
- Details and summaries of interest and dividends during the year ended December 31, 2021.

4. Investments

The following summarizes investments, reported at fair value, as of December 31, 2021 and 2020:

	2021	2020
Mutual funds:		
Balanced	\$ 18,081,856	15,784,453
Equities	3,780,208	3,043,827
Bonds	580,531	543,920
Total mutual funds	22,442,595	19,372,200
Self-directed brokerage accounts	158,603	155,921
Cash equivalents	74,897	20,110
Total investments	\$ 22,676,095	19,548,231

5. Fair Value Measurements

The accompanying financial statements report the Plan's investments at fair value. These assets have been classified, for disclosure purposes, based on a hierarchy defined by FASB ASC No. 820, *Fair Value Measurements and Disclosures*. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3).

At December 31, 2021, the Plan's financial assets that are reported at fair value on a recurring basis consist of investments, which are measured at fair value using quoted prices for identical assets (i.e., Level 1). See note 4.

6. Excess Participant Contributions Payable

The Plan failed the discrimination test for the years ended December 31, 2021 and 2020. Excess contributions of \$5,162 and \$4,547 are reported as a liability in the accompanying statement of net assets available for benefits as of December 31, 2021 and 2020, respectively. Subsequent to December 31, 2021 and 2020, the Plan reimbursed these excess contributions, respectively, to plan participants.
