Independent Auditors' Report

To the Administrative Committee of
the Bay Area Community Services 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Bay Area Community Services 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Bay Area Community Services 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bay Area Community Services 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bay Area Community Services 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bay Area Community Services 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year purposes as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Bay Area Community Services 403(b) Plan were audited by RINA Accountancy LLP, who merged with Aprio, LLP as of August 1, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 11, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BAY AREA COMMUNITY SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND 2020

Note 1. DESCRIPTION OF THE PLAN:

The following description of the Bay Area Community Services 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General:

The Plan Sponsor established the Plan to provide its employees with an opportunity to save for retirement on a tax-advantaged basis. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan administration:

The Company has appointed an Administrative Committee (the "Committee") to manage the operations and administration of the Plan. The Plan provides for a Plan administrator who is responsible for keeping accurate and complete records with regard to the Plan's operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law.

Eligibility:

Employees who meet the eligibility criteria under the Plan are eligible to participate and can make elective deferrals. Employees working 20 hours or more per week are covered under the Plan. With regards to employer contributions, employees will be eligible after the completion of 12 months of service, except for employees from Sutter Health. The 12-month service requirement is waived for employees from Sutter Health.

Entry date will be the first day of the month coinciding with or next following the date that eligibility requirements are satisfied.

Participant contributions:

Participants may elect to reduce compensation by a specific percentage or dollar amount to be contributed to the Plan. The maximum annual amount that can be contributed to a 403(b) arrangement as an elective deferral, that is, as a pre-tax contribution, is \$19,500 for 2021 and 2020. Participants who are age 50 and over may make an additional catch-up contribution of \$6,500 for 2021 and 2020. A participant may increase or decrease the amount of contributions at any time. Contributions to the Plan are limited to the maximum amount allowable under the provisions of the Internal Revenue Code (“IRC”).

The Plan document permits pre-tax and Roth contributions into the Plan. Participants may also make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. All contributions are deposited in the appropriate investment funds in accordance with the participant’s direction and the Plan’s provisions.

BAY AREA COMMUNITY SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND 2020

Note 1. DESCRIPTION OF THE PLAN (Continued):

Employer contributions:

In addition to participant deferrals, the Plan Sponsor may make a discretionary matching contribution equal to a uniform percentage or dollar amount of the participant's elective deferrals. Participants who make elective deferrals will always share in the Plan Sponsor's matching contribution.

Also, a discretionary nonelective contribution may be made by the Plan Sponsor which is unrelated to whether the participant made elective deferrals in the plan year. In order to share in the discretionary nonelective contribution, participants are required to be employed by the Plan Sponsor on the last day of the Plan year.

Participant accounts:

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and is reduced for loans and benefit payments. Participant accounts are further credited or charged with their pro rata share of earnings, gains, or losses on the total investments in each investment account and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or set fees as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Administrative expenses:

The Plan Sponsor pays certain administrative costs other than those associated with certain participant directed transactions.

Expenses charged to the Plan may be charged pro rata to each participant in relation to the size of each participant's account balance or may be charged equally to each participant. Some types of expenses may be charged only to some participants based upon their use of the Plan features or receipt of a plan distribution. The Plan may charge expenses in a different manner as to participants who have terminated employment with the Plan Sponsor versus those who remain employed with the Plan Sponsor.

Investment management, record-keeping and trustee fees included in administrative expenses were \$47,519 for the year ended December 31, 2021. Investment-related expenses are included in net appreciation or depreciation in fair or contract value of investments.

Notes receivable from participants:

Participants may borrow from their fund accounts unless their investment product provides otherwise. Participants may borrow from their account, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the participant's vested account balance, whichever is less. A participant may only have one loan outstanding at any time or two if one loan is a principal residence loan amortized for a period greater than 5 years. Loans must be repaid to the Plan through salary deductions over a period not to exceed five years or up to ten years for the purchase of a primary residence. Loans bear a fixed rate of interest determined on the date of the advance by the Plan Administrator. Loans as of December 31, 2021 bear interest at rates ranging from 3.25% to 4.75%. All loans become immediately payable in the event of default or termination of employment. In the event loan payments are not received when they are due, the Plan Administrator may declare the loan in default. Defaulted loans are offset against the participant's account balance. The specific terms and conditions of such loans are established by the Plan Administrator.

BAY AREA COMMUNITY SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND 2020

Note 1. DESCRIPTION OF THE PLAN (Continued):

Vesting:

Participants are immediately vested in all of their deferral contributions, including catch-up and rollover contributions.

The following vesting schedule applies to Plan Sponsor's matching contributions and nonelective contributions:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 Year	0%
1	25%
2	50%
3	75%
4	100%

Payment of benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or monthly, quarterly, or annual installments over a period of not more than his or her assumed life expectancy. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If the value of vested benefits does not exceed \$5,000, including rollover contributions, then a distribution will automatically be paid even if the participant does not consent. If the value of vested benefits exceeds \$5,000, then the participant is entitled to a distribution in a reasonable time after termination of employment.

Forfeited accounts:

As provided by the Plan document, forfeitures are used to pay Plan expenses or to reduce matching and/or nonelective contributions. For the year ended December 31, 2021, \$10,443 was used to pay for administrative expenses or to reduce employer contributions. As of December 31, 2021 and December 31, 2020, the remaining balance in the forfeitures account was \$6,574 and \$2,491, respectively.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting:

The Plan prepares its financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition:

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value) as reported to the Plan by Charles Schwab Bank and by Massachusetts Mutual Life Insurance Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

BAY AREA COMMUNITY SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND 2020

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Investment valuation and income recognition (continued):

Shares are stated at quoted market value. Gains and losses on investments are recognized in the period in which the appreciation or depreciation occurs. The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which consists of the net realized gains or losses and unrealized appreciation or depreciation on those investments.

As described in professional accounting standards, for benefit-responsive investment contracts held by a defined contribution plan, contract value is the only required measure for benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the term of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Purchases and sales:

Purchases and sales of securities are recorded on trade date basis.

Payment of benefits:

Plan benefits are recorded when paid.

Excess participant contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as excess participant contributions payable, with a corresponding reduction to contributions. As of December 31, 2021 and December 31, 2020, the Plan was required to refund \$0 and \$7,121, respectively. The refunds were remitted to the participants subsequent to year-end.

Subsequent events:

Subsequent events were evaluated through September 13, 2022, which is the date the financial statements were available to be issued.

Note 3. NATURE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the administrative committee to make estimates and assumptions that affect certain reported amounts and disclosure. Accordingly, actual results could differ from those estimates.

BAY AREA COMMUNITY SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND 2020

Note 4. RISK AND UNCERTAINTIES:

The Plan provides for various investment options in any one of a combination of mutual funds that invest in stocks, bonds, fixed income securities and other investment securities. These investments are exposed to various risks, such as credit, interest rate and market. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 5. INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS (UNAUDITED):

As of and for the years ended December 31, 2021 and 2020, the Plan's investments were held and administered by Charles Schwab Bank and by Massachusetts Mutual Life Insurance Company (MassMutual). Charles Schwab Bank is now the designated custodian of plan assets as defined by the plan document. The assets under the custody of Mass Mutual represent the accumulated benefits for terminated participants who have opted to not transfer or withdraw their balances.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Bank and Massachusetts Mutual Insurance Company, the custodians of the Plan.

Note 6. FAIR VALUE MEASUREMENTS:

Professional accounting standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under professional accounting standard are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market by correlation or other means.
---------	--

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

BAY AREA COMMUNITY SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND 2020

Note 6. FAIR VALUE MEASUREMENTS (Continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Benefit Responsive Investment: Value based on its beginning daily balance and its credited rate communicated to the plan and credited daily. Any market value adjustment or surrender charge will be based on the formulas and schedules in the contract (See Note 7).

Pooled Separate Accounts: Valued at the net asset value (NAV) per share held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021

Investments at fair value				<u>\$ 2,474,835</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021 is reported as part of the appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

Note 7. BENEFIT RESPONSIVE INVESTMENT (STABLE VALUE FUND):

The Plan entered into benefit-responsive insurance contracts with The Standard Insurance Company (The Standard).

The Standard maintains the contributions in a general account. Contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Net deposits invested in the Standard Stable Asset A become part of The Standard's general account, and there are no particular segregated or identifiable assets ascribed to the Plan's investment. Net deposit and interest credited become liabilities against The Standard on the Plan's behalf. Daily liquidity is available for participant contribution and withdrawals at contract value regardless of market conditions. Contract value is guaranteed by the full faith and credit of The Standard; there are no wrap contracts supporting the liquidity of the fund. The fund is neither a mutual fund nor a bank product. The Standard's obligations are not insured by the FDIC or any other federal government agency.

BAY AREA COMMUNITY SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND 2020

Note 7. BENEFIT RESPONSIVE INVESTMENT (STABLE VALUE FUND) (Continued):

Crediting rates for the Plan's Standard Stable Asset A are set by The Standard using a process similar to that used by banks or other insurance companies for similar products. The Standard quarterly declares a crediting rate for all assets in the fund during the coming quarter. This crediting rate considers yield forecasts from The Standard's asset advisory group and the margins required for the business. The crediting rate is declared in advance and is reset quarterly. The fund's declared crediting rate will never be below 1% annually. Management approval is required for all crediting rates. The Fund's NAV increases with the daily equivalent of the crediting rate and the Plan's unit value increases along with the Fund's NAV offset by the Plan's asset management fees. Past crediting rates are not indicative of future rates.

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

At December 31, 2021 and 2020, the total contract value of the Standard Stable Asset A Fund was \$178,216 and \$164,818, respectively. Contract value is the only required measure for benefit responsive investment contracts, and the contract value is now presented as fair value.

Note 8. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY:

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Massachusetts Mutual Life Insurance Company (Mass Mutual). Mass Mutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Mass Mutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020 was \$16,273 and \$15,848, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

BAY AREA COMMUNITY SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND 2020

Note 8. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued):

Certain events limit the Plan's ability to transact at contract value with Mass Mutual. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note 9. INCOME TAX STATUS:

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The terms of the Plan have been prepared to conform to the listing of 403(b) plans that have been pre-approved by the Internal Revenue Service. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress

Note 10. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 11. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Certain plan investments are managed by Charles Schwab Bank and Massachusetts Mutual Life Insurance Company. Charles Schwab Bank is the custodian as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Transactions in the Mass Mutual account also qualify as exempt party-in-interest transactions. Administrative expenses paid to these custodians amounted to \$47,519 for the year ended December 31, 2021.

Employee contributions receivable - prior year	2,333
Loan payment in transit	(138)
Increase in net assets per the Form 5500	<u>\$ 1,355,512</u>

Note 14. C.A.R.E.S ACT PROVISIONS:

The Plan has adopted the following benefit plan provisions of the March 2020 Coronavirus Aid, Relief, and Economic Security Act (CARES Act):

- Added an in-service withdrawal option for coronavirus-related distributions of up to \$100,000. Participants may repay all or a portion of distributions within three years, and repayments will not count towards annual contribution limits. Income tax on the taxable portion of the distribution may be spread over a three-year period. For those under 59 ½, will not be subject to a 10% early withdrawal penalty.
- Increase limit on coronavirus-related loans to \$100,000 (from \$50,000) or 100% (from 50%) of the present value of the participant's vested benefit, during a 180-day period from March 27, 2020 through September 30, 2020. Loan repayments due between the date of enactment through December 31, 2020, may be delayed for one year or, if later, one year after the enactment.
- Waive required minimum distributions otherwise due to be made in 2020.
